Dear Sir.

I'm Nagamani, working for GTE, under Dr.Neelima Satyam.

Please advise the students to confirm whether they need to have the accommodation at IIIT hostel or do they have their own arrangement for their stay, so that, we could be able to do the needful.

The hostel is on shared basis with a monthly rent of Rs.4,300/- per month per student. They need to bring their own blanket and the rest will be provided here. This rent is exclusive of food cost. We have three messes at IIIT and they can have food from any mess by paying per meal. In case, if they need accommodation, the students should come with Advance Rent Demand Draft for the amount equal to their stay duration drawn in favour of "IIIT Hyderabad".

If you wish to know any other details, you may communicate here. Please confirm about the hostel booking at the earliest as the allotment of the rooms will be done on first-come-first serve basis.

Regards.
