Sudheer

Dear Prof. Aniruddh Bahadur Yadav,

We are happy to inform you that your revised project proposal entitled "Study of gate thickness effect on gas sensing and UV detection Properties of top gate thin film transistor" has been approved by the INUP project review committee.

Generally, the usage of IITBNF is free for the projects from academia and for R&D and industry we do charge (nominal) as per the usage. Also, if the PI is from academia and has funding from any agency, we request them to bear the usage costs for the same. Kindly provide the duly filled declaration form in case no funding is available.

The instructions to be followed before implementing the project are given below;

- Please download the User agreement form from INUP website and submit the signed form before implementing your project at IITBNF.
- Also, send the duly filled NOC form with your student whenever he/she comes to IITBNF to carry out your project. Please note that the student/staff who comes to IITBNF to execute the project should be a bonafide student/staff of PI and needs to submit duly signed certificate from the PI.
- Please note that any outcome (publications, patents, etc.) from the project should be given due acknowledgment in the prescribed format which is provided in the User Agreement.
- If the USER will not be able to start his/her approved project within 6 months period from the date of approval, the project gets cancelled automatically. If the USER wants to start the approved project after the deadline, the USER needs to resubmit the project.

Please contact us if you have any queries.

With best regards,
Nageswari

P.S: Please note that if the process parameters and the process flow are adjusted as and when required taking into consideration to obtain your proposed structure, we need to check for the feasibility of the tools and contamination issues.

Indian Nanoelectronics Users Programme (INUP)

Agreement/ Terms and Conditions

Whereas, the Department of Electronics and Information Technology (DeitY), Ministry of Communications and Information Technology (MCIT), Government of India has supported for institution of a programme viz. the "Indian Nanoelectronics Users' Programme," hereafter called INUP, at the Indian Institute of Technology Bombay (IITB) to facilitate and provide financial support (fabrication/characterization cost, travel and stay) for researchers from academia to undertake their work at the Nanofabrication facility (IITBNF). Apart from the above users the fabrication/characterization would be facilitated at subsidized charge for other external users.

And whereas, Mr./Ms/Prof./Dr. Pesala Sudheer Kumar is a participant (academia/other external user), hereinafter referred to as "USER", in the said programme. This indenture is signed by the USER in acceptance of the terms and conditions stated hereinafter for participation in INUP.

[The USER certifies that the research work submitted for fabrication/characterization utilizing the facilities of (IITBNF), IITB:

- a. is for USER's own academic research and there is no association/involvement of any third party.
- b. is in collaboration with a third party as declared in the application submitted for utilizing IITBNF facilities.]*

*for users from academia only.

Terms and conditions for participation in the INUP:

1. The USER hereby expressly agrees that the INUP, IITBNF, IITB, DeitY and their faculty members, officers, advisers, consultants, students and employees would not be responsible for any claims, damages, costs (including lawyer's fee, medical hospital costs, etc.) and liabilities to the USER, his/her Institution/Organization and any third party(ies), during and/or after his/her participation in INUP.
2. The USER shall duly acknowledge the support provided by INUP for carrying out this research work at the IITBNF, IITB in all publications, patents, copy right, or any

application for grant of Intellectual Property Rights. The acknowledgement should be as follows;

"A part of the reported work (fabrication/characterization) was carried out at the IITBNF, IITB under INUP which is sponsored by DeitY, MCIT, Government of India".

3. The USER acknowledges and understands that IITBNF at IITB is a research enabling Centre and INUP is a promotional programme for facilities research and process/product development, the ultimate responsibility for the progress of his/her research, development and project is solely of the USER's own and IITB and/or DeitY do not in any way assure progress and a particular result. The USER shall indemnify INUP, IITBNF, IITB, DIT and their faculty members, officers, advisers, consultants, students and employees from any such claim by any third party including the USER's employer.
4. The USER is aware that the IITB and DeitY are subject to the regulations under Right to Information Act 2005. The USER understands and accepts that IITB and DeitY shall not be held liable for the disclosure and/or copying of data or information which IITB and/or DeitY determine cannot be withheld lawfully or which the office of Chief Information Commissioner or other Information Commissioners or a Court require disclosure of. Such disclosure may also include any/all information, including information deemed confidential in nature, disclosed at the stage of application for using the facility and/or during utilization of the facility at IITBNF, IITB.
5. The USER agrees to abide by all rules and regulations applicable to IITB personnel during his/her stay in the IITB campus for completing his/her work.
6. The USER agrees not to use IITB or DeitY (MCIT) on any advertisement, product or service that is directly or indirectly related to this Agreement, nor imply or represent in any way that IITB and/or DeitY, endorses its products or services.
7. The USER understands that both INUP and IITBNF, IITB are funded by DeitY, (MCIT) under certain terms and conditions, and the same shall apply to the USER's project/research work.

8. The USER has represented that he/she has been provided with required training on equipment or instrument usage, processes, safety including fire safety and agrees to abide by the rules, procedures and safety provisions. Also, USER has been provided fire safety training.
9. The USER will be trained in general chemical safety before being allowed to use chemicals and in the operation of the particular processing instruments required by his/her work. However, the USER shall be primarily responsible for his/her personal safety and also about the safety of his co-workers in the laboratory, if any. The USER agrees that he/she shall operate all instruments and equipment in a safe and professional manner, consistent with the operating instructions and laboratory rules.
10. The USER agrees that his/her knowledge of chemistry and general laboratory practice is advanced enough to permit the safe pursuit of the present project.
11. The USER and his/her institution/organization understand that he/she is not an employee of IITBNF, IITB. The USER agrees not to put forward any such claim or represent so at any time during or after participation in INUP.
12. The USER should get the prior approval from "Faculty Oversight Committee" of the IITBNF if they intend to bring samples/mask plates which are processed outside IITBNF labs. If the request is approved by the committee, it is the USER's responsibility to take care of his/her samples/mask plates. IITBNF will not be held responsible for any damages or loss of USER's samples/mask plates.
13. If the USER is not able to start his/her approved project within a period of 6 months from the date of approval, the project stands cancelled automatically. If the USER wants to start the approved project after the deadline, the USER needs to resubmit the proposal with appropriate updates.
14. USER agrees that INUP shall not be responsible for any medical expenses that the USER may incur at any time during or after the participation in INUP. In case of any accident

taking place in the IITBNF facility during user's stay in the facility or campus, IITB does not have any liability (or insurance coverage) for the users.

Memorandum Of Understanding Between Sree Vidyanikethan Engineering College, Tirupati And Efftronics Systems Pvt Ltd, Vijayawada.

This Agreement made and entered into on 01-Sep-2016 between Sree Vidyanikethan Engineering College, Tirupati And Efftronics Systems Pvt Ltd (here in after called Efftronics) situated at Brundavan Colony, Vijayawada (A.P.). This MOU shall be valid for 3 years from the date and each party shall be at full liberty to terminate the collaboration with a notice period of 3 months.

Objectives of the MOU:

The objective of this Memorandum of Understanding is:

- To promote interaction between Sree Vidyanikethan Engineering College and Efftronics in mutually beneficial areas.
- To provide a formal basis for initiating interaction between Sree Vidyanikethan Engineering College and Efftronics.

Proposed Modes of Collaboration:

Sree Vidyanikethan Engineering College and Efftronics propose to collaborate through

1. Mutual exchange of expertise by means of Guest Lectures, Technical Seminars, Workshops and other events for the benefit of the faculty and students.
2. Industrial Visit for Students
3. Faculty training Programs.
4. Indulge students in Real Time Projects in Efftronics by providing Practical training.
5. Campus recruitment.

3. **Confidentiality:** Each party shall maintain complete confidentiality of any information of the other, disclosed during the term of this MoU ("Confidential Information"), either directly or indirectly in any form whatsoever including, but not limited to, in writing, in machine readable or other tangible form, orally or visually (subsequently reduced to writing). Both parties undertake to (i) hold all such Confidential Information in strictest confidence, (ii) not to disclose such Confidential Information either in whole or in part to any person other than those of its officers, employees and agents who need to know the Confidential Information for the purpose authorized hereunder provided that each such officer, employee or agent has agreed in writing to maintain the confidentiality of the Confidential Information in accordance with the terms hereof or (iii) not to use such Confidential Information for any purpose whatsoever save as may be strictly necessary for the performance of this MoU. This clause pertaining to confidentiality shall survive the term of this MoU and remain in full force and effect notwithstanding any termination of this MoU.
4. **Intellectual Property Rights:** IPR titles or ownership of any products, proprietary information or technology tools, processes, utilities, and methodology including any TCS proprietary products or components thereof used hereunder or development of any deliverables and all new ideas, inventions, innovations, or developments conceived, developed, contributed, distributed or made by TCS hereunder, and all customisations, enhancements and modifications thereof, will not be transferred from TCS to the AIP Collaborating Institute on account of use of the same as part of any work under this MoU and shall always remain with TCS.
5. In no event shall either party be liable for any indirect, incidental, special, consequential damages, including, but not limited to, loss of profits, revenue, data or use, incurred by the other party in connection with, arising out of or under this MoU save for any such loss suffered resulting from any wilful and grossly negligent act or omission of either of the parties.
6. Neither this MoU, nor any activities described herein, shall be construed as creating a partnership, joint venture, agency or other such relationship. Both parties agree that this MoU represents a nonexclusive relationship between the parties and nothing contained herein shall preclude either party from participating/initiating similar relationship with third parties.
7. Neither party shall issue any press release, public announcement or other such disclosure concerning this MoU without the other party's prior written consent as to such release or announcement.
8. This MoU may not be amended without the prior written consent of both the parties.
9. This MoU will be effective for three years from 01st April 2015 to 31st March 2018. This MoU can be renewed based on mutual convenience.
10. **Governing Law:** This MoU shall be governed by the laws of India and the Courts in Mumbai shall have exclusive jurisdiction.

P.C.K. Chap

11. **Termination:** Either party can cancel or terminate this MoU unilaterally (and without reason), by giving an advance written notice of one month to the other.
12. **Notices:** All notices, requests, demands and other communications under this MoU or in connection herewith shall be given to or made upon the respective parties as follows:

To TCS: Tata Consultancy Services
TCS House,
Raveline Street, 21 D.S. Marg, Fort,
Mumbai – 400 001.

To the AIP Collaborating Institute: Sree Vidyanikethan Engineering College
Sree Sainath Nagar
Tirupati, A. Rangampet – 517 102
Andhra Pradesh – INDIA

or to such other person or addresses as any of the Parties shall have notified to the others.

All notices, requests, demands and other communications given or made in accordance with the provisions of this MoU shall be in writing by letter, fax or telegram.

13. **Tata Code:**

The business activities of TCS are self regulated by the “Tata Code of Conduct.” The AIP Collaborating Institute undertakes that it will endeavor to promptly report any violation or potential violation of the Code by any person to **the Local Ethics Counselor** or **the Principal Ethics Counselor** or **the CEO** of TCS. TCS, in turn, undertakes that it will maintain confidentiality of all communication received.

14. **FORCE MAJEURE:**

If either of the two parties is prevented, restricted, delayed or interfered by reason of:

- a) Fire, explosion, cyclone, floods, droughts, earthquakes, epidemics;
- b) War, revolution, acts of public enemies, blockage or embargo, riots and civil commotion;
- c) Any law, order, proclamation, ordinance or requirements of any Government or authority or representative of any such Government, including restrictive trade practices or regulations;
- d) Strikes, shutdowns or labour disputes which are not instigated for the purpose of avoiding obligations herein; Or
- e) Any other circumstances beyond the reasonable control of the party affected; then notwithstanding anything here before contained, the party affected shall be excused from its performance to the extent such performance relates to prevention, restriction, delay or interference and provided the party so affected used its best efforts to remove such cause of non-performances, and when removed the party shall continue performance with the utmost dispatch.

Each of the parties agrees to give written notice to the other party upon becoming aware of an Event of Force Majeure, and mentioning details of the circumstances giving rise to the Event of Force Majeure.

15. **Indemnity:** Each of the parties shall defend, indemnify and hold the other party harmless from and against any claim, liability, loss, costs or expenses (including reasonable Attorney's fees) arising out of or resulting from the material breach of the provisions herein

IN WITNESS WHEREOF THE parties have set their hands hereto on the day and year first hereinabove written under their respective seal of office.

NASSCOM / SSC NASSCOM, University/Institution and APSSDC will herein be referred to independently as 'First Party', 'Second Party' and 'Third Party' respectively and collectively referred to as 'Parties'.

THE MoU WITNESSED AND THE PARTIES HERETO AGREE AS FOLLOWS:

1. Objective of the MoU

- (a) Increase the employability of students in Universities under the aegis of University by facilitating the development and introduction of the QP-based training programs
- (b) Help facilitate a sustainable Faculty Development Program
- (c) Facilitate teaching-learning support for pursuance of the said course/s to enhance student employability
- (d) Recommend relevant courseware, certain books, e-tools, e-content and websites to support the self-paced learning for students
- (e) Introduce the skill assessment/metric for QP-based assessments for students at the entry level, in conjunction with the programs, to analyse the efficacy of the multiple skill development programs
- (f) Introduce the skill assessment/metric for QP-based assessments for students, to facilitate employment at the entry level
- (g) Facilitate students towards QP certification via these newly introduced course/s during the UG program and appear for the QP assessment at the appropriate NSQF level
- (h) Establish Centres of Excellence (CoE) for skill development

2. Period of MoU

This MoU shall come into force on 04th September, 2015 and will be valid for a period of three years from the said date, and after the expiry of the said time period is open to extension as per mutually agreed terms and conditions.

3. Responsibility of NASSCOM / SSC NASSCOM

SSC NASSCOM / NASSCOM through its identified Partner (Member) Companies, herein called the Regional Council, agrees to:

- (a) Share the list of QPs in IT Services (ITS), Software Products (SPD), Engineering Research & Development (ERD) and Business Process Management (BPM) sub-sectors that are preferred by the industry / are of interest to industry
- (b) Help the Universities identify the QPs, for which Elective Courses will be developed and offered for students
- (c) Provide support to Universities via NASSCOM Regional Council members to help develop the curricula (OBF) Outcomes based Framework and courseware for the identified QPs, both as Facilitator's Guides and Student Handbooks
- (d) Train as feasible, select faculty from identified colleges (nominated by Universities who would participate in the development of QP-based programs) and from identified Third Party Training Providers, as nominated jointly by SSC NASSCOM / NASSCOM and Universities, as one batch [of 25 per QP (Qualification Pack)], as 'Master Faculty/Trainers'
- (e) The modus operandus of Master Faculty training is to be detailed and directed consultatively by Universities and SSC NASSCOM / NASSCOM
- (f) Provide Universities, at cost, (INR 800/- per student per test exclusive of taxes) with a student employment assessment tool w.r.t. to QP-based programs for Technology students at entry level, that is applicable post the training of the QP courses. Taxes as applicable will be paid by the Parties concerned.

- (g) Facilitate a consultative approach by helping Universities set up a "WORKING GROUP" to identify Third Party Training Providers, if required. This group will also be empowered to take decisions on modalities/logistics for the smooth roll out of the program. This group will be a composition of Government, Industry and Academia.
- (h) Provide the guidelines necessary for a skill development cycle and the information infrastructure requirements for the program, as indicated in the Outcomes Based Framework of the same.
- (i) The Outcomes Based Framework for each of the QPs and the Certification for the same will be provided/facilitated by SSC NASSCOM /NASSCOM @INR 5000/- exclusive of taxes (per QP) for APSSDC. Universities may choose to use the curricula of the QP concerned in the OBF format finalized under the aegis of APSSDC, or go in for the Curriculum Alignment for the same as per their own requirement, at cost (@INR 5000/- exclusive of taxes per QP). Taxes as applicable will be paid by the Parties concerned.
- (j) NASSCOM Regional Council Members to review and monitor the conduct of training sessions, primarily for feedback
- (k) Post the conduct of training, facilitate assessments of students on QPs at cost (presently at INR 800/-per student per test, exclusive of taxes) via identified assessment providers
- (l) Maintain a centralised employment portal which is aimed to facilitate the employability of students that are trained and assessed using QP-based assessments
- (m) Provide an analysis of the student performance on the basis of the scores attained. SSC NASSCOM / NASSCOM & Universities jointly own the database of trained resources through, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities.
- (n) Facilitate the development of courseware hand books for teachers & students for the designed QP curriculum by September First Week 2015 for Phase I QPs identified
- (o) Provide support to Universities via Industry Experts in the identified tracks of Job roles/QPs from preferably 2 Large Scale, 2 Medium Scale and 2 Small Scale companies
- (p) Facilitate 'Guest Lectures' for the QPs/Job Roles identified on periodic basis
- (q) Facilitate establishment and running of CoEs on best effort basis, with no financial commitment from NASSCOM / SSC NASSCOM
- (r) Nominate a POC who will support this initiative in coordination with University

Process:

- (a) Help identification of QPs, for which training programs will be developed; with help from NASSCOM members to support Universities in development of curricula and courseware
- (b) Facilitate the formation of the 'Working Group', for the project
- (c) Provide a list of Third Party Training Providers / Licensed Training Providers (LTPs) of SSC NASSCOM / NASSCOM
- (d) Facilitate selection of faculty from colleges and LTPs, if required
- (e) Facilitate the training of Master Trainers from Third Party Training Providers and from colleges, on QP-based programs
- (f) Facilitate conduct of QP-based assessments for the students trained at selected colleges
- (g) Enable assessment analysis for the Final assessments and as a comparison with others in the country

4. Responsibility of the University / Institution

- (a) Select the list of QPs, basis feedback from SSC NASSCOM / NASSCOM for which training programs will be developed and deployed for students
- (b) Develop the curricula and courseware for the identified QPs with help from NASSCOM's members
- (c) Post development of content, select colleges for Phase I of this project.
- (d) Identify the requisite number students from the Universities colleges identified to undergo the training program and assessments
- (e) Facilitate QP-based assessments, at cost, for the target student audience in Universities

- (g) Select the necessary faculty identified from the colleges to be trained by SSC NASSCOM / NASSCOM
- (h) Select faculty from the identified colleges (Universities to screen such faculty based on certain selection parameters prescribed by SSC NASSCOM / NASSCOM), who will be trained on the programs along with the faculty from the Third Party Training Provider, so that they can handhold students during the Phase I
- (i) SSC NASSCOM / NASSCOM to share the guidelines on awareness / promotion material & any other related material specific to other States (for reference) regarding the program with Universities. Universities would use this material to promote programs amongst target educational institutes
- (j) Organise the logistics and facilitate the Industry Trainers program for the programs towards:
 - a. Faculty development
 - b. Student training

This will also include boarding & lodging, local travel for Industry Trainers for the programs.

- (k) Organise the logistics and facilitate the Third Party Training Providers for the programs towards:
 - a. Faculty development
 - b. Student training

This will also include boarding & lodging, local travel for such Trainers for the programs.

- (l) SSC NASSCOM / NASSCOM & Universities to jointly own up database of trained resources, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities
- (m) Universities to bear the cost of conducting the Master Trainer program, except the cost of Industry Trainers as indicated below in the Clause 'Funding'
- (n) Universities to conduct TTT and the subsequent student training at its own cost
- (o) Universities/institutions to implement student training programs on a uniform fee structure prescribed in consultation with the APSSDC. The mode of collection and sharing of such fees between the Parties concerned will be on mutually agreeable terms and conditions.
- (p) For the conduct of QP based assessments Universities shall make 100% advance payment of assessment cost to NASSCOM/SSC NASSCOM i.e. the First Party for all the batches for which the First Party shall have given acceptance against requisition and the First Party shall give an acknowledgement of advance payment.

Assessment cost shall be paid on the basis of registered/scheduled number of candidates (this covers those passed, failed and also coverers absentees on the day of the assessment as well) subject to a minimum batch-size, which is 30 candidates per batch. The cost for a QP assessment and the subsequent certification is currently is at INR.800/- (exclusive of taxes).

Taxes, under various statutes if any, will be borne by the Parties concerned.

- (q) Other requirements for the smooth conduct of QP based assessments are indicated in:
- Annexure A: Information regarding the necessary infrastructure for the smooth conduct of assessments to be provided by Universities
 - Annexure B: QP Assessment Attendance Sheet
 - Annexure C: Candidate ID proof
 - Annexure D: Malpractice Avoidance Sheet

Process:

Part-A:-

- (a) A 'Working Group', to be formed by Universities, comprising of members from Universities, Academia, University and Industry/NASSCOM
- (b) The Group shall identify the following:
- a. List of QPs for which training will be offered at Universities
 - b. Development of curricula and courseware for the identified QPs
 - c. Identify colleges to be taken up for Phase I of the project
 - d. Identify students from the above identified colleges, for this project
 - e. Selection of Third Party Training Providers
 - f. Selection of recommended faculty per college, who shall get trained on pedagogy and content along with the Third Party Training Providers, if required. The college faculty who shall shadow the trainers from Third Party Providers during the student training sessions.
 - g. The terms of Agreement with the Third Party Training Provider, including deliverables
 - h. The logistics and schedules of training of the identified faculty from the Third Party Training Providers by the members of the Regional Council

Outcome	Participation certificate (with 100% attendance)	Performance as per industry benchmarks for employment	Facilitation of employment for deserving candidates

- Eligibility – Pre-Final year Engineering undergraduates for Phase I of the project
- Master Training: Industry Trainer to Master Trainers ratio- 1:25
- Teacher-Student ratio per batch – 1:30

5. Responsibility of APSSDC

- (a) APSSDC will facilitate the necessary support for enabling and for the successful completion of the programs, for the period of the MoU as identified by APSSDC and the University / Institutions.
- (b) APSSDC will help in the identification of QPs for which training programs are to be developed, in consultation with NASSCOM / SSC NASSCOM, and to support the Universities/Institutions in the development of curricula and courseware.
- (c) APSSDC will be involved in the working group and its activities in designing QP-based curricula, related courseware and its implementation.
- (d) APSSDC will be instrumental in the implementation of this program in a standardized form across various Universities / Institutions who are a part of this MOU.

APSSDC will also monitor and evaluate the smooth conduct of assessments and subsequent placements by the University / Institution. The financial implication of the same shall be borne by the University / Institution concerned.

- (f) APSSDC will be the overall monitoring and implementing agency, overseeing the proper implementation of training programs in the respective University / Institutions and will provide the vital link between the various parties and stakeholders concerned.

6. Responsibility of SSC NASSCOM / NASSCOM Test Provider

SSC NASSCOM / NASSCOM Test provider for QP-based assessments shall conduct assessments for the students identified for the pilot project at cost.

Universities will use assessments as appropriately to measure the impact of skill transference and help students to be employed reaching out to the IT Industry.

Process

SSC NASSCOM / NASSCOM Test Provider shall:

- (a) Validate the test center (colleges) w.r.t. the infrastructure requirement for the conduct of the test
- (b) Provide scores post the tests
- (c) Provide Analysis w.r.t. the score for students

7. Placement

SSC NASSCOM / NASSCOM partner companies (i.e. those supporting this project) shall have the first right to offer employment to the candidates at any time during or after completion of the course concerned.

SSC NASSCOM / NASSCOM & Universities jointly own database of trained resources through, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities

SSC NASSCOM/NASSCOM will support Universities in a job fair by facilitating the presence of member companies at no extra cost for the placement of students certified for the QPs concerned

8. Trademark

The Parties agree that SSC NASSCOM / NASSCOM logo, as shared by SSC NASSCOM / NASSCOM and APSSDC logo, shall be used in all promotion documents only post formal approval of the content the Parties concerned.

9. Intellectual Proprietary rights in SSC NASSCOM / NASSCOM material

- (a) The proprietary rights in relation to the material provided to University and Universities w.r.t. QPs shall rest with SSC NASSCOM / NASSCOM; Universities shall have the right to use the curricula and course material in accordance to the terms of this MoU.
- (b) SSC NASSCOM / NASSCOM is the owner of all the Intellectual proprietary rights with regard to the training material thus developed (teacher & the taught), and neither this MoU nor the

training material shall directly or indirectly create for University / Universities under its aegis any right, title or interest therein

- (c) University and Universities acknowledge and agree that SSC NASSCOM / NASSCOM owns all rights, title/s and interest in SSC NASSCOM / NASSCOM training material/s, including, without limitation, all intellectual property rights and goodwill therein. Universities will not delete or alter in any manner the copyright, trademark and other proprietary rights, notices etc. appearing in the training material provided by SSC/NASSCOM

10. Indemnity

University and Universities also hereby agrees to indemnify and hold SSC NASSCOM / NASSCOM harmless from any loss, claim, damage, costs, taxes, duties, additions, penalties, interest thereon or expenses of any kind, including the attorney's fees if any, to which SSC NASSCOM / NASSCOM may be subjected to by virtue of any finding related to the terms of the MoU or by virtue of any contravention and or non-compliance on the part of University and Universities and vice-versa with any laws, ordinance, regulations and codes as may be applicable from time to time.

11. Jurisdiction and Arbitration

In the event of any or difference between the Parties hereto, the courts in Delhi alone shall have exclusive jurisdiction to try any matter arising between the Parties here-to and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Delhi as mutually decided at that time for this purpose.

Any other aspects not covered in this MoU relevant to this program, and dispute etc arising about any aspect of the MoU shall be settled through mutual consultation and agreement, by the Parties to this MoU. In case a settlement is not arrived at, the dispute/s will come under the purview of the Arbitration and Conciliation Act, 1996 of India and the area of jurisdiction will be Delhi

12. Termination

- (a) Either Party shall have the right to terminate the MoU, if the other Party commits a material breach of any of the terms and conditions of the MoU concerned and fails to rectify the same within 30 days of being requested to do so in writing.
- (b) In the eventuality of termination or non-renewal of MoU on expiry of MoU, it would be the responsibility of SSC/ NASSCOM to complete its commitment towards the project; Universities to complete and provide its services to all students admitted as per the regulation of Universities with reference to the project identified in this MOU for the 'QP-based Program/ Course'. In such an eventuality, Universities will continue to use the learning material for students already enrolled for the Programs, subject to the official intimation of the anticipated day of closure.

13. Amendment of the MoU

If during the operation of MoU, circumstances may rise which call for alteration / modification to this MoU, such alteration / modification shall be mutually discussed and agreed upon in writing with the approval of the appropriate authority of Universities and SSC NASSCOM / NASSCOM.

Such changes will be formalized in writing as an 'Addendum' to this MoU and will be deemed to be a part of this MoU.

14. Force Majeure

- (a) Notwithstanding anything contained elsewhere in the contract, the parties shall not be liable for liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure
- (b) For purposes of this Clause, "Force Majeure" means an event beyond the control of parties and not involving parties and not involving fault or negligence not foreseeable by or beyond the control of parties. Events also include wars or rebellion, strikes, bandhs, fires, floods, epidemics, quarantine restrictions and freight embargoes etc.
- (c) If a Force Majeure situation arises, either Party shall promptly notify the other in writing of such conditions and the cause thereof. Unless otherwise directed by Universities in writing, SSC NASSCOM / NASSCOM shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. Universities or SSC NASSCOM / NASSCOM can opt out of this MoU on mutually agreeable terms and conditions in writing, as the case may be, prompted by a Force Majeure.

This MOU is prepared as three originals (one for SSC NASSCOM / NASSCOM, APSSDC and for the University/ Institution) and comes into force on the day when all Parties have signed it.

COLLABORATION AGREEMENT

This **COLLABORATION AGREEMENT**, together with its annexures ("**Agreement**") is made and executed at Hyderabad on this the 9th day of June 2014 ("**Effective Date**") between:

- (1) **Indian School of Business**, a not-for-profit company registered under Section 25 of the (Indian) Companies Act 1956, and having its registered office at Indian School of Business, Gachibowli, Hyderabad - 500032 represented herein by its authorised signatory, Deputy Dean, Mrs Savitha Mahajan (hereinafter referred to as the "**ISB**", which expression shall, unless it be repugnant to the context or meaning thereof be deemed to mean and include their successors and assigns) of the **First Part**;

AND

- (2) **Andhra Pradesh Society for Knowledge Networks**, a society registered under the (Indian) Societies Registration Act 1860, set up by the Department of Information & Communication (IT&C), Government of Andhra Pradesh, having its registered office at Uptown Cyberabad Building, Ayyappa Society, Madhapur, Hyderabad -500081, represented herein by CEO, Amarnath Reddy Atmakuri (hereinafter referred to as "**APSFKNW**" which expression shall unless it be repugnant to the context or meaning thereof be deemed to mean and include their successors and assigns) of the **Second Part**;

AND

- (3) **Sree Vidyanikethan Engineering College, Tirupati**, an educational institution forming part of Sree Vidyanikethan Educational Trust, registered under the Registered under Societies Act, XXI of 1860 Act, and having its registered office at Sree Vidyanikethan Educational Trust, Sree Sainath Nagar, A.Rangampet, Tirupati, represented herein by its authorized representative, Dr. P.C.Krishnamachary, Principal (hereinafter referred to as "**College**" which expression shall unless it be repugnant to the context or meaning thereof be deemed to mean and include their successors and assigns) of the **Third Part**.

ISB, APSFKNW and College are hereinafter individually referred to as "**Party**", and collectively as "**Parties**".

WHEREAS

- (A) ISB is an educational institution that is engaged in imparting post-graduate and doctoral education in business management and conducting contemporary research in management and allied subjects;
- (B) APSFKNW was established by the Department of Information & Communication (IT&C), Government of Andhra Pradesh, to offer quality human resources and services to the 'Information Technology' industry and the Government of Andhra Pradesh, and in the process, to bridge the gap between the Government of Andhra Pradesh, technology educational institutes and the 'Information Technology' industry;
- (C) APSFKNW and ISB entered into a Memorandum of Understanding dated March 11, 2013 ("**MOU**") in connection with collaboration on a project to foster entrepreneurship education in technology institutes through the "**Technology Entrepreneurship Program**" initiative ("**TEP Initiative**"). The main aim of TEP Initiative is to develop and deliver courses online to enhance engineering education of students in engineering colleges / universities in the state of Andhra Pradesh through engineering innovation and entrepreneurship education. In accordance with the terms of the MOU, ISB will launch the courses at various engineering colleges / universities in the state of Andhra Pradesh under the TEP Initiative, with the support of the APSFKNW, in the manner as set out in the Framework

(defined below) ("Program"). ISB shall deliver the Program online through the platform Learning Management System ("LMS"), which the students of the Program can access through the internet.

- (D) College is an engineering college which is engaged in providing quality engineering education. College is desirous of participating in the TEP Initiative and has enrolled in the TEP Initiative in order to provide the Program to its students. College has represented to the other Parties that it has the skill and experience to develop and perform obligations as set out hereunder in connection with the Program, as per the terms of this Agreement (including the Annexures).
- (E) ISB has thus provided to College the program content and curriculum which sets out the broad framework of the TEP Initiative and the roles and responsibilities of the Parties in relation to the Program to be conducted on the campus of College for its students ("Framework", annexed herewith as Annex A).
- (F) The Parties hereby agree to perform their obligations, roles and responsibilities in this regard in accordance with the terms set out hereunder.

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which the parties acknowledge and confirm, the Parties agree as follows:

1. BASIC UNDERSTANDING

- 1.1 The Parties agree that they shall work together towards conducting the Program on the campus of College, in accordance with the terms and conditions set out in this Agreement and in accordance with the objectives, obligations, roles and responsibilities of the Parties as set out in the Framework.
- 1.2 The Parties agree and acknowledge that the Framework sets out *inter alia* only the broad framework of the objectives, obligations, roles and responsibilities of the Parties in relation to the Program / TEP Initiative, and that the Parties may discuss and mutually agree in writing on any additional obligations or specific obligations in relation to the same as and when necessary, which shall be in accordance with this Agreement and the Framework and shall form a part hereof.
- 1.3 This Agreement incorporates by this reference the representations, certifications, statements of authority, obligations and any other statements of the Parties as set forth in the Framework with the same force and effect as if rewritten herein.

2. OBLIGATIONS OF COLLEGE

- 2.1 College shall be primarily responsible for (i) administering the Program on its campus for its students, (ii) assisting ISB in delivering the Program, (iii) ensuring the students' performance and delivery of the tasks which form part of the Program, (iv) providing the necessary support and infrastructure as may be needed on its campus for the Program, and (v) perform all the functions necessary for the above as more clearly set out in the Framework. College's functions shall include the following:
 - (a) College shall nominate and designate one authorised representative to act as the Administrator for the Program, and inform the same to ISB in writing. College's Administrator shall be the single point of contact for the other Parties in connection with the TEP Initiative and shall work closely with ISB for conducting the Program.
 - (b) College shall assist ISB in evaluating applications from students for the Program, including conducting thorough due diligence of students.
 - (c) Upon receiving the list of Shortlisted Students (*as defined below*) from ISB, College shall undertake the necessary steps to admit students to the Program from such Shortlisted

Students, College shall be responsible to collect the Program Fees (*as defined below*) from the students, maintain records for the same, and deposit the collected Program Fees directly to the APSFKNW. It is clarified that ISB shall not have any responsibility in connection with the Program Fees or its collection, and ISB shall not have any liability in this regard.

- (d) College shall provide the necessary infrastructure (i) to enable the students to access the content for the Program through the LMS platform and (ii) to perform the tasks under the Program, as more clearly set out in the Framework, , which shall include but not be limited to access to the internet, engineering labs, equipment necessary for the tasks, etc.:
- (e) College shall provide to ISB requested data and information for program evolution as and when needed by ISB.
- (f) College shall ensure that students undertake lab activities as may be necessary for the curriculum forming part of the Program and shall ensure that necessary infrastructure is set up and provided to the students for the same.
- (g) College shall ensure that (i) its faculty ("**College Faculty**") shall mentor the students during the Program and (ii) there is active participation from College Faculty and the students in the formation of inter-disciplinary teams based on the students' strengths and competences as required under the Program.
- (h) College shall work with ISB and the ISB Faculty in executing and evaluating Challenges (*as defined below*) for the students of the Program, and shall mentor and guide the students during the execution and performance of the Challenges.
- (i) If ISB conducts any workshops for College Faculty or students as a part of the Program, the College shall provide travel and logistics support for the College Faculty, students, facilitators of the Workshop and TAs (*as defined below*) for onsite support, as may be required, at its own costs.

3. OBLIGATIONS OF ISB

3.1 Subject to the understanding set out in Clause 1 above, ISB shall be primarily responsible for designing and developing the Program and for performing all the functions necessary for the same as more clearly set out in Framework. ISB's functions shall include the following:

- (a) ISB shall be responsible for designing and developing the Program with inputs from the College Faculty if needed at ISB's discretion.
- (b) ISB shall appoint faculty for the Program ("**ISB Faculty**") who will deliver the content for the modules forming part of the Program and will also train Teaching Assistants ("**TAs**") from ISB to assist students with the Program.
- (c) ISB shall evaluate the information in connection with applications from students for the Program, with assistance from the College, and shall approve a list of students who may be admitted to the Program ("**Shortlisted Students**"). ISB shall intimate College and the APSFKNW of the list of Shortlisted Students.
- (d) ISB shall, with the help of College if needed, create, design and evaluate projects in the form of 'challenges' for the students as per the curriculum of the Program as set out in the Framework ("**Challenges**").

- (c) ISB will provide a 'Certification of Completion' at the end of Year 1 and Year 2 of the Program to students who have successfully completed the same as more clearly set out in the Framework.

4. OBLIGATIONS OF APSFKNW

- 4.1 APSFKNW shall be responsible for the following aspects of the Program:
 - (a) APSFKNW shall inform the College the amount of fees to be collected from each student from the Program ("Program Fees").
 - (b) APSFKNW shall co-ordinate with College for (i) College to collect the Program Fees from students and (ii) College to pay to APSFKNW such collected Program Fees.

5. NO WARRANTY

- 5.1 The Parties agree to carry out the Program in accordance with appropriate scientific and professional standards but neither APSFKNW nor ISB promise success in achieving any desired result. APSFKNW and/or ISB give any warranty, express or implied, on the results or intended results of the TEP Initiative / Program.

6. TERM, TERMINATION AND CONSEQUENCES

- 6.1 This Agreement shall be valid for a period of four (4) years from the Effective Date ("Term").
- 6.2 Each Party shall have the right to terminate this Agreement by issuing sixty (60) days' advance written notice to the other Parties, *provided however that*:
 - (a) None of the Parties shall have the right to cease performing the obligations towards the Program under this Agreement during the term of any academic year of the Program. However, a Party may issue a notice to cease performing its obligations towards the Program under this Agreement prior to the expiry of the term of this Agreement, provided that the obligations towards the Program under this Agreement shall continue until completion of the academic year during which such notice ("Termination Notice during Academic Year") was issued. The Parties hereby confirm and undertake that the Parties shall continue to perform their respective obligations under this Agreement until the completion of such academic year during which the Termination Notice during Academic Year was given. If any Party issues a Termination Notice during Academic Year, and in such an event if College fails to perform its obligations under this Agreement or is in breach of the Agreement during the course of such academic year as stated above, as a result of which *inter alia* (i) the Program or any part thereof cannot be conducted or completed in the manner contemplated herein or (ii) the certificate of completion cannot be issued to the students in the manner contemplated herein or (iii) the Program is in any manner affected such that the Parties cannot perform their obligations under this Agreement, College shall be solely responsible for all consequences of the same, and shall hold harmless and fully indemnify ISB and APSFKNW, including for all damages, losses, costs, expenses, compensation (including reasonable attorney fees) arising from any third party claims, claims from students, loss of ISB's or APSFKNW's reputation, etc.
- 6.3 ISB shall have the sole right, at its option, to forthwith terminate this Agreement with immediate effect by issuing a written notice to the other Parties, on the happening of any of the following events:
 - (a) If College breaches any of the terms, conditions, covenants, representation, warranties or obligations under this Agreement;

- (b) Violation or non-compliance by College of/with applicable law while exercising its rights or performing its obligations under this Agreement;
- (c) If College suffers a Force Majeure Event (*as defined below*);
- (d) If College or any of its authorised representatives, is convicted of a felony, a crime involving moral turpitude, or any crime or offense reasonably likely, in the sole opinion of ISB, to materially and unfavorably affect the goodwill and reputation of ISB / the TEP Initiative / Program;
- (e) If College becomes insolvent or is adjudicated as bankrupt or any action is taken by any party against College under applicable insolvency or bankruptcy laws; or
- (f) If College fails to fully correct or diligently remedy any notice or summons issued by any governmental or statutory authority regarding any matter involving compliance with applicable law.

6.4 In the event either Party commits any breach of any term, obligation, representation or performance under this Agreement, and the Party does not cure or rectify the breach within thirty (30) days of receipt of notice from any or both of the other Parties specifying the nature of the breach, the other Party/Parties shall have the right to terminate the Agreement forthwith.

6.5 Upon expiry of the term of this Agreement or the early termination of this Agreement, each Party shall in its sole discretion, require the other Parties to return or destroy all materials and information provided by the Party to other Parties under this Agreement and the other Parties shall comply with the same immediately to the satisfaction of the Party.

7. INTELLECTUAL PROPERTY RIGHTS

- 7.1 All the work / deliverables under this Agreement, whether developed, designed, created, devised, researched, analyzed or otherwise prepared, performed or made by ISB or by College or jointly by ISB and College, including but not limited to the design and content of the Program, design/project plan, method(s) of implementation, curriculum, databases, academic / course material or products, technical information, samples, strategies, know-how, research findings / output, case studies, content forming part thereof, methodologies, data, analysis, results, reports, spreadsheets, designs, etc., whether literary, audio or video or otherwise, whether available on digital media or otherwise ("Deliverables"), shall be owned absolutely and exclusively by ISB, including all proprietary and intellectual property rights therein, in perpetuity and for the territory of the entire world, with absolute and exclusive rights to use, exploit and modify the same in any manner it deems fit. ISB shall have and retain the right to make any changes to the Deliverables as may be necessary for effective execution of TEP Initiative / Program. ISB shall be fully entitled to publish the Deliverables and use and exploit the same for any purposes, whether commercial or not, including for academic purposes, publication of research papers, developing case studies, dissemination of knowledge through media or other public forum, use in class room teaching or provide the details to academia for use in the research, etc. Nothing herein shall be construed to mean that College shall or may have a claim over any rights including any intellectual property rights of / over the Deliverables in any manner.
- 7.2 It is clarified and confirmed by the Parties that on expiry or earlier termination of the Term of this Agreement, ISB shall have and retain *inter alia* all the intellectual property rights to use, exploit and make changes to the Deliverables on an ongoing basis for the TEP Initiative.
- 7.3 College acknowledges and confirms that it does not have any intellectual property rights over the Deliverables or in connection with the Program or TEP Initiative.

- 7.4 Nothing in this Agreement shall be construed to imply any assignment or transfer of any copyrights or any other intellectual property rights of one Party to the other Party under any circumstances. No rights or licenses to trademarks, inventions, copyrights, or patents are implied or granted under this Agreement to any Party.

8. CONFIDENTIALITY

- 8.1 Each Party shall regard and preserve as confidential during the Term of this Agreement and anytime thereafter the Deliverables, the contents of this Agreement, the discussions between the Parties pertaining to the Agreement, the information related to the business of the other Party that it receives as a result of this Agreement and any information, materials or academic work provided by one Party to the other Party ("**Confidential Information**"). Confidential Information shall not be disclosed by either Party without the express prior written approval of the other Party to any person other than the Party's advisors for the purposes of assisting such Party in connection with the Agreement (provided that the Party shall procure that such advisors shall be under an equivalent confidentiality and non-disclosure obligation as set out in this Agreement).
- 8.2 Each Party shall employ a high degree of care to avoid disclosure of Confidential Information or unauthorized use of the Confidential Information in the same manner as it provides to protect its own Confidential Information. It is agreed that access to all Confidential Information shall be limited to only such employees or agents who need to know such information for purposes of fulfilling obligations required by this Agreement.
- 8.3 Each Party agrees to use the Confidential Information only for the purposes of fulfilling its obligations under this Agreement. It is clarified that College shall not share the Deliverables or any information in connection with the Program with students, faculty, employees, agents, officers, etc., whether internally or externally, or with any third party in any manner whatsoever, whether for profit or otherwise, other than with students of the Program, College Faculty and the TAs ("**Authorised College Recipients**").
- 8.4 College shall execute a confidentiality and non-disclosure agreement in the form provided by ISB ("**NDA**", the format of which is annexed herewith as Annex B) with each of the Authorised College Recipients to ensure that each Authorised College Recipient shall comply with and be bound by the confidentiality and non-disclosure obligations set out herein. College shall submit to ISB copies of such executed NDAs. In the event that College breaches its obligations hereunder or discloses any Confidential Information or any portion of the Deliverables to any person other than Authorised College Recipients, or if any of the Authorised College Recipients disclose the same to any third party, then College shall be liable to compensate ISB for the loss / damage caused or may be caused as a result of the same, whether or not actual loss / damage is proved to have been caused, by paying an amount of Rs.25,00,000 (Rupees Twenty Five Lakhs Only) to ISB or the amount determined by a competent court as payable for such breach, whichever is higher.
- 8.5 The obligation to keep confidential shall however not apply to information which (i) was in recipient's possession before receipt from discloser; (ii) is or becomes a matter of public knowledge through no fault of recipient; (iii) is rightfully received by recipient from a third party without a duty of confidentiality; (iv) is disclosed by discloser to a third party without a duty of confidentiality on the third party; (v) is made subject to an order by judicial or administrative process requiring recipient to disclose any or all of the information, provided recipient shall promptly notify discloser allowing some reasonable time to oppose such process, before disclosure occurs; or (vi) is disclosed by recipient with discloser's express prior written approval.

9. FORCE MAJEURE

- 9.1 "**Force Majeure Event**" shall mean any event or circumstance or combination of events or circumstances set out below, but only if and to the extent that such event or circumstance and/or

their consequences: (i) are not within the reasonable control of either Party and not brought about at the instance of either Party or at the instance of either Party's representatives; (ii) actually prevent, hinder or delay in whole or in part the performance by either Party of its obligations under this Agreement; and (iii) which either of the Party could not have prevented by the exercise of reasonable skill and care, including: (a) earthquake, flood, inundation, landslide, storm, tempest, hurricane, cyclone, lightning, thunder or other extreme atmospheric disturbances; (b) fire caused by reasons not attributable to either Party; (c) acts of terrorism; (d) industry wide or state wide strikes, labour disruptions or any other industrial disturbances, other than those involving either Party and/or their personnel or those arising on account of the acts or omissions attributable to of any of them; or (e) war, hostilities (whether declared or not), invasion, act of foreign enemy, rebellion, riots, weapon conflict or military actions, civil war, ionising radiation, contamination by radioactivity from nuclear fuel, any nuclear waste, radioactive toxic explosion, volcanic eruptions.

9.2 Upon the occurrence of a Force Majeure Event, either Party shall use all reasonable endeavours to alleviate the effect of such Force Majeure Event and perform their obligations to the maximum extent possible during the subsistence of such Force Majeure Event.

9.3 If the Force Majeure Event continues for a duration exceeding fifteen (15) days, the Parties shall meet to discuss and agree upon measures to remove or mitigate its effects.

10. INDEMNITY

10.1 College shall indemnify and hold harmless ISB, its directors, members, officers, representatives, faculty members, staff, employees, consultants and/or affiliated companies against all actions, third party claims, demands, damages, losses and expenses that may arise from or that it may suffer on account of the wilful breach or any negligent act amounting to breach of any representations, warranties, obligations, terms or conditions by College under this Agreement.

11. GOVERNING LAW

11.1 This Agreement shall be governed by and construed in accordance with the laws of India. The courts at Hyderabad, Andhra Pradesh, India shall have exclusive jurisdiction to entertain any dispute between the Parties arising from or in connection with this Agreement.

12. DISPUTE RESOLUTION

12.1 The Parties shall amicably resolve any dispute or difference arising between the Parties out of or in connection with or incidental to this Agreement, failing which such dispute or difference shall be referred to binding arbitration by a sole arbitrator in accordance with the Arbitration and Conciliation Act, 1996. The place of arbitration shall be Hyderabad, India. The arbitration proceedings shall be in the English language.

13. NOTICES

13.1 Except as may be otherwise provided herein, all notices, requests, waivers and other communications ("Notices") made pursuant to this Agreement shall be in writing and signed by or on behalf of the Party providing such Notice. Notices may be served to the Parties via facsimile to the numbers set forth below or through delivery by hand, mail or courier to the addresses set forth below. 14. REPRESENTATIONS AND WARRANTIES

14.1 Each Party represents and warrants that it:

- (a) is validly incorporated and duly authorised to enter into this Agreement;
- (b) has full capacity, power and authority to enter into this Agreement and to fully perform its obligations hereunder, and is not prohibited in any way from entering into this Agreement or performing its obligations hereunder;
- (c) shall not act in any manner which conflicts or interferes with its obligations hereunder and that no agreement previously entered into by the Party will interfere with such Party's performance of its obligations under this Agreement; and
- (d) shall perform their respective obligations hereunder in compliance with any applicable laws, rules and/or regulations.

15. MISCELLANEOUS

15.1 Publicity.

All press statements and other publicity material proposed to be given by APSFKNW or College referring to this Agreement or any materials, ideas or data/information developed under this Agreement shall be first reviewed and confirmed in writing by ISB before release.

15.2 Non-exclusivity.

ISB shall be entitled to enter into similar memoranda of understanding with any third party.

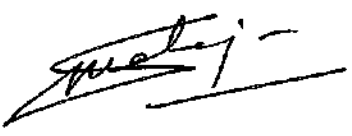

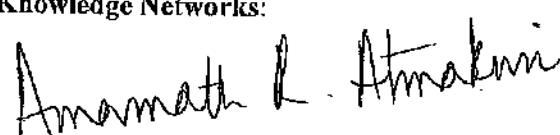

- 15.3 Assignment.**
Unless expressly stated otherwise herein, neither Party shall have the right to assign its rights and/or obligations under this Agreement to any third party or entity without the prior written consent of the other Party.
- 15.4 Captions and Headings.**
All captions and headings are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provisions of this Agreement. Any capitalised term or caption used and not defined herein, but defined or described in the Framework, shall have the meaning ascribed to it in the Framework.
- 15.5 Complete Agreement.**
This Agreement contains the entire agreement / memorandum of understanding between the Parties as to the subject matter hereof and shall supersede and take the place of any and all previous communications, negotiations and commitments, whether in writing or oral, between the Parties with respect to the subject matter hereof.
- 15.6 Counterparts.**
This Agreement may be executed in any number of counterparts. All counterparts will be taken to constitute one instrument.
- 15.7 No waiver.**
It is understood and agreed that no failure or delay by a Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right, power or privilege hereunder.
- 15.8 Severability.**
If any term, provision, covenant or restriction of this Agreement is held to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability shall not affect the remainder of the terms, provisions, covenants and restrictions of this Agreement, which shall remain in full force and effect and shall in no way be affected, impaired or invalidated.
- 15.9 Amendments.**
Any and all amendments, additions or deletions to this Agreement shall be null and void unless agreed to in writing by the Parties.
- 15.10 Independent parties to Agreement.**
Nothing stated in this Agreement shall be construed to create a joint venture, partnership, agency or employer-employee relation between the Parties including any of their officers, agents, employees, researchers, faculty members, etc., and neither Party is authorised to transact any business or undertake any agreement, contract, representation or warranty in the name of or on behalf of the other Party under any circumstances. The Parties agree and undertake that they are working independently on a principal-to-principal basis.
- 15.11 Further Assurances.**
Subject to the terms and conditions herein provided, each Party agrees to use its best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective (and shall do nothing, directly or indirectly, to obstruct, hinder or delay) this Agreement. If at any time any further action is necessary or desirable for the purposes of this Agreement, the Parties shall take or cause to

be taken all such necessary action, including, without limitation, the execution and delivery of such further instruments and documents as may be reasonably requested by the other Party.

15.12 Binding Effect of the Agreement.

The Parties hereby agree that this Agreement shall constitute the legal, valid and binding obligation of each Party.

In witness whereof, both the Parties have signed these presents on the day and year written above in the presence of the following named witnesses.

Memorandum of Understanding (MoU) between
Knowledge Incubation for Technical Education (KITE) Centre,
Indian Institute of Technology Hyderabad
And
Sree Vidyanikethan Engineering College
For Academic Collaboration
under Technical Education Quality Improvement Programme (TEQIP) Phase – II

This Memorandum of Understanding (MoU) made on the 24th day of June Two Thousand and Fourteen at Yeddumailaram between the Indian Institute of Technology Hyderabad (hereinafter referred to as 'Institute'), on the first part.

AND

Sree Vidyanikethan Engineering College, Sree Sainath Nagar, A.Rangampet, Tirupati – 517102, Chittoor District, Andhra Pradesh (hereinafter referred to as 'Institution'), a participating institution under Knowledge Incubation for Technical Education for Academic Collaboration under Technical Education Quality Improvement Programme Phase-II (hereinafter referred to as TEQIP-II) of the second part.

Whereas TEQIP-II is a World Bank assisted Ministry of Human Resource Development (hereinafter referred to as MHRD) project started in August 2010. Objective of the project is to improve quality of Technical Education through institutional and systemic reforms and boosts efforts to prepare more post-graduate students to reduce the shortage of qualified faculty, and to produce more Research & Development in collaboration with industry; and

Whereas to achieve the aforesaid objective, it was considered by MHRD that pedagogical training for the faculty members of the institutions participating under TEQIP-II may be undertaken with Indian Institute of Technology (IIT); and

Whereas MHRD has decided to establish a Knowledge Incubation for Technical Education (KITE) Centre at IIT Hyderabad to conduct training programmes under TEQIP-II within its overall guidelines and as per the terms and conditions mentioned in this Memorandum; and

Whereas the institution is willing to participate in the programme and cooperate with KITE Centre within the overall guidelines and as per terms and conditions mentioned in this Memorandum. The institution recognize that academic collaboration would be of mutual benefit and would provide strength in research and education and their mutual interest in engaging themselves in academic cooperation with the KITE Centre, IIT Hyderabad and the Institutions in the Quality Circle of IIT Hyderabad [as identified by National Project Implementation Unit (NPIU) or MHRD].

It is now, therefore, agreed by and between the parties as follows:

SREE VIDYANIKETHAN ENGINEERING COLLEGE
Sree Sainath Nagar, A. RANGAMPET
Chittoor (Dist.) - 517 102, A.P., INDIA.

Faculty

- 1.01 The Institution will promote the exchange of faculty for teaching and/or for collaborative research programs in the areas of Science and Engineering.
- 1.02 The institution agree to allow its faculty to participate in quality enhancement through participation in quality improvement activities organized by KITE Centre, post-doctoral and other short-term and long-term research engagements at IIT, which are promoted by the KITE Centre.
- 1.03 The Institution agrees to encourage the non-doctoral degree holder faculty to pursue a PhD program at the Institute, as sponsored candidates.
- 1.04 Leave (short term, long term or study leave) to the faculty participating in any of these programs will be provided by the Institution. The Institutions will allow upto 2 of the faculty strength in each department to be on leave for these activities. The TEQIP cell of the Institution will provide for travel. KITE Centre will take care of study and local hospitalities.
- 1.05 The interested faculty will make an application through TEQIP Cell of the Institution with a copy to the coordinator / faculty-in-charge of KITE Centre. Applications could be made against announcements made by KITE Centre. Denial of permission to the recommended applicant has to be explained by the Institution.

Students

- 2.01 The Institution will promote internship or/and semester exchange of qualified undergraduate and/or graduate students to the academic programs of IIT Hyderabad.
 - a. **Internship:** Students will participate in summer internship activities at the Institute with support from KITE Centre. Application for the internship, against an announcement made by KITE Centre, should be submitted to the coordinator / faculty-in-charge of KITE Centre, through the TEQIP Coordinator of the Institution.
 - b. **Credit transfer:** KITE Centre will facilitate offering of e-courses and limited enrollment in specific courses at the Institute, for good students from the Quality Circle institution. Credits earned through these courses will be recognized by the Institution. Appropriate changes in the local academic rules and regulations will be made to enable earning of credits from outside.
 - c. **Joint research:** The Institution will encourage its faculty and graduate students to participate in joint research with the Institute, or within the Quality Circle, as initiated by the KITE Centre. Possibility of joint supervision of doctoral thesis will also be encouraged. Towards this, the coordinators of the TEQIP cells will interact closely with the coordinator / faculty-in-charge of KITE Centre.
- 2.02 Students will be provided leave and support for travel from the Institution.

Curriculum

- 3.01 The Institution agrees to share with KITE Centre, the details of implementation of its academic curriculum. This may help to evolve a uniform curriculum for all the institutions in the Quality Circle.
- 3.02 The Institution agrees to participate in periodic reviews of its academic curriculum, by a team of evaluators chosen by the KITE Centre, in consultation with NPIU, towards effective implementation of the uniform curriculum.
- 3.03 The KITE Centre, in collaboration with the institution, will evolve changes to the curriculum at the undergraduate and graduate levels. The Institution agrees to incorporate these changes in their curriculum, following sanctioned local processes.

IIT Bombay

To
The Principal
Shri Vidyaniketan Engineering College
Tirupathi, Andhra Pradesh.

November 25, 2014

We are happy to inform that Spoken Tutorial Project, IIT Bombay has decided to promote Shri Vidyaniketan Engineering College, Tirupathi, Andhra Pradesh as a Resource Centre. Your college is working great. We hope continuously it will spread the training and awareness in the state. *The project is a part of the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India.* We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz. 'Spoken Tutorial'.

We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT. The course and the training will be offered free of cost to all institutions both Govt., and Private.

Specific activities will be -

IIT Bombay Side -

- The Spoken Tutorial team at IIT Bombay will work with you and arrange the mentioned training programme for all relevant courses offered in the colleges.
- We will publicise any event organised by the college related to student welfare on our website.
- The team will also support and guide all individuals at the college department level as they firstly introduce the training and then gradually expand it to all.
- The team will also provide brochures, leaflets, posters and CDs where necessary.

College Side:-

- Motivate and guide all the Engineering Colleges and other Educational Institutions in Tirupathi region, specially in the Degree Colleges to start the training at their premises. You are empowered to monitor their activities.
- College will explore possibility to include in its department's curriculum the Software spoken tutorials wherever relevant. We will suggest a fit or match for the different courses.
- Deployment of the training during lab hours should be started immediately for batches where the Spoken Tutorials are matched with the course OR during free lab periods/ hours.
- Bulk Training calendar for Workshops should be prepared by the college for whole semester covering all the departments and sent to Spoken Tutorial Team.
- Mention about the partnership in your website.

Gradually, this training will be made available to all the students of the college, the educational institutions in Tirupathi region and nearby districts.

We are here to support you, will be happy to answer any questions. If you are in agreement with the above mentioned facts, please do sign - attest and send the scanned copy to us through mail.

Confederation of Indian Industry registered under the Societies Registration Act XXI, 1860 having its Principal office at 23 Institutional Area, Lodi Road, New Delhi -110003 (hereinafter referred as CII) which expression shall unless repugnant or contrary to the meaning and context thereof include its successors-in-interest and permitted assigns. CII works to create and sustain an environment conducive to the growth of industry in India, partnering industry and government alike through advisory and consultative processes.

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded over 118 years ago, India's premier business association has over 7100 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 90,000 enterprises from around 257 national and regional sectoral industry bodies.

The CII Theme for 2013-14 is Accelerating Economic Growth through Innovation, Transformation, Inclusion and Governance. Towards this, CII advocacy will accord top priority to stepping up the growth trajectory of the nation, while retaining a strong focus on accountability, transparency and measurement in the corporate and social eco-system, building a knowledge economy, and broad-basing development to help deliver the fruits of progress to all.

CII played a pioneering role in the skill development movement in India, recognising the fact that with limited natural resources and a burgeoning population, India's principal resource is its people.

AICTE and CII through their collaboration are striving to bring together the academia and Industry together for the overall benefit of technical education and all its stakeholders.

CII Andhra Pradesh State Office (which is under CII Southern Region) is represented through its Head at Hyderabad having its office at Plot No: 7, Regal House, Motilal Nehru Nagar, Begumpet, Hyderabad-500016

AND

**EXPRESSION OF WILLINGNESS TO PARTICIPATE IN QUALITY ENHANCEMENT
IN ENGINEERING EDUCATION (QEEE) DIRECT-TO-STUDENT PROGRAMME**

Sree Vidyanikethan Engineering College (Autonomous) is committed towards crafting students to be strong in fundamentals, sound in technical skills, and humane and benevolent in attitude. The Institution recognized the need of Quality improvement in engineering education and submitted Institutional Development Proposal (IDP) to participate in Technical Education Quality Improvement Program in phase-II (TEQIP-II) under sub-component 1.1. In line with the project's envisaged activities, the institution is promoting quality initiatives and best practices including NPTEL Modules made available to the students. With a sense of comprehensiveness, the Institution is interested to participate in the proposed pilot program 'Direct-to-Student'. The Institution perceives this as one of such initiatives that promotes quality in teaching learning through lectures by eminent professors which lead ultimately to the employability of the graduates.

Sree Vidyanikethan Engineering College has always been actively involved in bringing reforms in its educational efforts to maintain practical relevance and contemporariness of the courses. Our objective in all our educational endeavors is to bring in quality in our curriculum and foster all round development in students making them industry- ready. In specific, we focus on peer learning with available resources to develop core competencies among students as expected by the industry today. The proposed program 'Direct-to-Student' will provide the student community an access to the resources and materials prepared by highly rated teachers.

Sree Vidyanikethan Engineering College is exercising academic flexibility and operative freedom through Autonomy conferred by University Grants Commission, New Delhi. The design, development and updating of curriculum are always dynamic to enable the curriculum relevant to the industry needs. Lectures and interaction with eminent professors through 'Direct-to-student' will enable this task more effective.

The Institution is hoping that the scheme will be a suitable platform for up gradation of knowledge and skills for Faculty and Students. Hence the Institution proposes to participate in QEEE 'Direct-to-Student' program which is a prestigious initiative from MHRD in collaboration with premier Institutions like IITs and IISc.

Amendment No.1 of Memorandum of Understanding with IBM Academic Initiative

This Amendment No. 1, dated as of Jan 01, 2012, is entered into between IBM India Pvt. Ltd. ("IBM") and Sri Vidyaniketan Engineering College.

Whereas IBM and Sri Vidyaniketan Engineering College had entered into a Memorandum of Understanding ("MOU") dated Jan 01, 2012 which is valid up to Dec 31, 2012.

1. IBM and Sri Vidyaniketan Engineering College agree that the MOU shall be renewed for a period of 1 (one) year, effective as of Jan 01, 2012.
2. In Section II, Terms and Conditions, the following shall be added:
 - a) In paragraph 2: *"The MOU shall only govern the provision of products and services provided by IBM Academic Initiative, a division of IBM India Private Ltd to Sri Vidyaniketan Engineering College"*
 - b) In Paragraph 2, "Under this MOU, Sri Vidyaniketan Engineering College also assures IBM that it will achieve a target of 200 IBM certified students within one (1) year from the effective date of signing this MoU, to maintain the COE Status.
 - a. To achieve 200 student certifications, IBM will provide 500 Certification coupons free of charge to Sri Vidyaniketan Engineering College. It is Sri Vidyaniketan Engineering College's responsibility to ensure that only meritorious students are nominated for these certification tests.
 - b. This 500 will be a combination of 100 coupons each of RAD, DB2, TDS, Lotus and WID.
 - c. If Sri Vidyaniketan Engineering College wants to certify over and above this 500 number of students, they can do the same through IBM Career Education division's offerings. (Details in Annexure 4).
 - d. For Faculty certifications, coupons will provided over and above 500 certifications coupons and will remain free of cost for Sri Vidyaniketan Engineering College.
 - a) In paragraph 3 *"This centre will be appropriately designated as IBM COE in the campus with a signboard stating "IBM Software Center of Excellence" on top of its gate. Additionally, Sri Vidyaniketan Engineering College will ensure that a sign-board is provided for by Sri Vidyaniketan Engineering College as per the IBM Specification in Annexure 3 on the college boundary for it to be distinctly visible."*
3. The Section "Training" is numbered as: III (a).
 - a) Sri Vidyaniketan Engineering College will have to conduct all training sessions (RAD, DB2, TDS, Lotus, WID) (min 2 sessions covering 2 different courses) in-house by certified faculty with a minimum attendance of 80 students every year to maintain the CoE status.
 - b) In the event of certified faculty not being available to conduct in-house sessions, IBM Academic Initiative will provide free of cost training for the said courses under Project Praviin. There onwards, Sri Vidyaniketan Engineering College's faculty members will have to conduct these sessions in-house.

Career Education

IBM is empowering university graduates and working IT professionals in India/South Asia with knowledge and skills to serve the largest enterprise business software suite in the world. The IBM Career Education Program is a comprehensive software education program designed by IT professionals, for graduates and experienced professionals to accelerate their skills and knowledge so that they succeed in this dynamic industry. The Program curriculum brings together the latest software content, real-world industry experience, hands-on lab courses and best practices, all into a single unique education program.

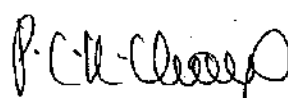

The Program provides:

- A blended learning approach, integrating classroom, hands-on lab exercises and team projects to provide both theoretical and practical training to solve real world problems
- The latest software content and knowledge of IT developments in the market to keep you ahead of technology trends
- A top-class faculty comprising of field consultants, technical specialists and education experts
- A comprehensive semester based format to build technical foundation and widen skill specialties quickly
- IBM leadership and professional certification in IBM software technology

Courses are available across all Software Brands and various levels of proficiency. The extensive portfolio of integrated certifications also focuses on the competencies required in early stages of a professional career. Experiential learning through projects, the most important aspect that companies look for in freshers also forms a critical part of the offering. IBM Career Education projects that are based on real-world requirements and are designed by IBM experts with vast experience in enterprise software development provide the right kind of project based learning based on the industry best practices.

At the end of the course, certificates of participation or completion are issued by IBM.

Please request your IBM Academic Initiative Relationship Manager to help with the formal connect with the Career Education team

The College is participating in TEQIP-II, a World Bank and MHRD, Government of India initiative.

The Department of Civil Engineering was established in 2009. Competent faculty and excellent infrastructure are the hallmarks of the Department. The Department is surging ahead with Research, consultancy and testing services as the prime development initiatives in domain of civil engineering.

CIVIL-AID Technoclinic Private Limited - (CIVIL-AID) - was formed in the year 1998 to specifically serve the Civil Engineering Community. Over the years CIVIL-AID expanded its services to Structural consultancy, Advisory services and added NABL accredited laboratories for NDT, Geotechnical, and Mechanical & Chemical testing. In August 2011, CIVIL-AID became a Group Company of Bureau Veritas in India. This enables CIVIL-AID clients to avail the QHSE Services of Certification, Design Review, Third Party Inspection including related training under one roof.

CIVIL-AID Laboratory is recognised by Bureau of Indian Standards (BIS). CIVIL-AID Laboratories are accredited by NABL as per ISO: 17025 - 2005 for Mechanical Testing (Construction Materials & Geotechnical, Non-Destructive Testing and Chemical Testing). CIVIL-AID's Services encompass a wide spectrum of Civil Engineering activities. Apart from Specialist Engineering personnel, CIVIL-AID also has a panel of Advisors who help in special and critical assignments. With the above infrastructure, CIVIL-AID has the expertise to understand and solve challenging problems. A wide spectrum of satisfied clients is a testimony to its proficiency.

2. OBJECTIVE

The Core objective is to establish a long term linkage with CIVIL-AID to reduce the gap between Company expectations (practice) and academic offerings (theory) by direct involvement of Company to attain a symbiosis.
