Awareness Programme on Cashless Transaction from 09th to 11th January 2014

Under the auspices of Sree Vidyanikethan and the cooperation of APSSDC, an **"Awareness Programme on Cashless Transaction"** was organized from 09 to 11 January, 2017 at Naravaripalli, Kandulavari palli, A. Rangampet and Narasingapuram.

The programme coordinator Mr. P. Srinivas Reddi, along with ten members of faculty from Sree Vidyanikethan Engineering College, five representatives from APSSDC and 60 students belonging to Information Technology, Computer Science & Engineering and Computer Science & Systems Engineering, participated in the campaign. They campaigned door-to-door and explained to the villagers the usage of mobile phones for safe and easy cashless transaction.

Android apps of various banks were installed in the smart phones of the villagers and guidance was provided concerning their usage. Internet-based digitized transaction for merchandise was explicated to the shop owners in A.Rangampet.

Dr. M. Mohan Babu, Chairman, Mr. Vishnu Manchu, CEO, Prof.T.Gopal Rao, Special Officer, Mr. Ravi Sekhar, Director Finance, Dr. I. Sudarsan Kumar, COO, Dr. D. V. S. Bhangavanulu, Director, Dr. P.C. Krishnamachary, Principal, Heads of Departments, and members of faculty, Mr. Uma Maheswara Rao, SAO, and Mr. Tulasi Naidu, CAO appreciated the participants for their timely gesture.

A Report on

FIELD TRIP TO

NAVAJEEVAN BLIND RELIEF CENTRE

Students of Sree Vidyanikethan Engineering College visited Navajeevan Blind relief centre on 3.4.2017 as part of their field visits. Students observed Eye hospital set up, operation theatre set up, and the equipment used to diagnose and treat Eye disorders.

Students also interacted with Blind students, motivated them and made them feel capable of all that a normal student could do with the help of technology and self confidence. They also visited the associated old age home.

A Report on

FIELD TRIP TO ABHAYAKSETHRAM

Students of Sree Vidyanikethan Engineering College visited an orphanage for mentally retarded - Abhayakshethram on 4.4.2017 as part of their field visits. Students actively interacted with mentally retarded children, orphans and distributed sweets and fruits.

Dr. S. A.Thasleem Sultana, Founder of Abhayaksthrum shared her motto of starting the institute for mentally disabled and asked the students to share their experiences about the institution. The students found the visit an enriching experience and gained lot of satisfaction for the humble deed.

Design/CBT Lab

Design/CBT lab is designed to teach the theory and tools of Computer Aided Design (CAD) and Computer Aided Manufacturing (CAM) with an emphasis on the central role of the geometric model in their seamless integration and a focus on the integration of these tools and the automation of the product development cycle.

Inside View of the Design/CBT Lab

Nearly about 50 students were trained in this Design/CBT lab. The following photograph show the students undergone the training.

Agro Machinery Lab

Agro-Machinery lab is designed to teach the theory and tools of Agricultural machinery that is used in farming or agriculture. Agro-Machinery lab mainly includes the machinery for soil preparations, seed plantation, inter-cultural operations, plant protection, harvesting and threshing. The laboratory is having tractor operated, power tiller operated, self-propelled, stationary engine operated, and manually operated equipment. The farm machineries are used for practical classes. The cut-sections of different machinery are the beauty of laboratory that helps to explain the students of the different modules.

Manufacturing - Welding Lab

The Welding course of study provides students with an opportunity to learn about the Industry as it relates to welding. Students will master a variety of welding competencies. Program standards are aligned to the requirements of the American Welding Society (AWS) for a Level I entry-level welder. The Welding Laboratory provides students with an environment where they are able to develop beneficial skills and knowledge in advanced welding techniques and methods. The lab is equipped for most common welding and cutting processes including oxy-fuel welding, shielded metal arc welding, gas tungsten arc welding, gas metal arc welding, resistance spot welding, and oxygen cutting.

Welding Lab

Nearly about 45 students were trained in this Manufacturing welding lab. The following photograph show the students undergone the training.

Other than above labs, the following labs are also in use by the students.

Manufacturing - CNC LAB

The Computer Numerical Control (CNC) Laboratory consists of LMW VJ 55 Vertical Machining Centre (VMC), SMARTURN and Siemens Simulation controllers for programming. The CNC laboratory aims to enhance the student's knowledge in development of practical knowledge on CNC machines and the lab caters the skills necessary for the development of a mechanical engineer pursuing further studies and a career in manufacturing area.

Pradhan Mantri Kaushal Vikas Yojna for Technical Institutions (PMKVY-TI) scheme is being implemented with a vision to create skilled manpower to drive the flagship schemes of Government (Make in India, Digital India and Unnat Bharat). In support to these schemes, Sree Vidyanikethan Engineering College has been selected as one of the Institutes under PMKVY under AICTE for imparting engineering technical skills training for free of cost.

About PMKVY TI

Background for the Idea of PMKVY TI

Skills and knowledge are the driving forces of economic growth and societal development for any country. Presently, the country faces a demand-supply mismatch, as the economy needs more skilled workforce due to change in demographic profile of the country. A National policy for Skill Development and Entrepreneurship 2015 has projected a **shortage of 109 million skilled persons by 2022** and called for an integrated effort to step up skilling of youth under PMKVY. There is a large requirement of skilled persons in the core engineering sectors; and it is possible to train the dropouts from the higher education system in these skills.

SREE VIDYANIKETHAN ENGINEERING COLLEGE

(Autonomous)

Sree Sainath Nagar, Tirupati – 517 102

Keeping in view, it is decided by the MHRD that **AICTE, New Delhi will run PMKVY to train the unemployed youth in Engineering skills through AICTE approved Engineering Colleges and Polytechnics**, such that every participant can acquire adequate skills under National Skill Qualification Framework (NSQF) and find suitable placement (Private sector jobs)/self-employment.

Vision:

This scheme is being implemented with a vision to create skilled manpower to drive the flagship of Government like-Make in India, Digital India and Unnat Bharat.

Program, Curriculum, and Certification:

1. The training will be domain specific, demand-led skill training activity in the respective specialization enabling the participant to acquire a skill, duly assessed and certified by an independent third party agency, enabling him/her to get self-employment/ increased earnings/moving from informal to formal sector jobs.
2. At the end of the training, the skill proficiency of each participant will be assessed and certified by the respective Skill Sector Council (SSC) of India
3. **After certification, entrepreneurial orientation, Placement assistance and counseling will be offered to the certified participants to the extent possible.**
4. Any person may join such programs as per the eligibility criteria.
5. Admission will not be given to such students who have taken similar type of training from some other training organizations.

A report on
**“International Literacy Week”
at Kotala Panchayat**

17th September, 2016

An awareness program on literacy is conducted in the Kotala Panchayat on 17.09.2016 by the faculty and students of Department of Mechanical Engineering.

The most important thing required in our villages is awareness for education. Education and awareness walks hand in hand and if people are made aware about the importance of education, how education can help them develop themselves and the other benefits of education.

However, practically speaking, villages follow a pattern where individual views are considered less important as compared to community view. So, the elders of such villages must be targeted first, to create such awareness among them. Later, the young generation should be invited for such programs along with their parents and families, to take this ahead by one step. With this objective an awareness program was conducted to the elders on the importance of education.

In today's perspective, literacy does not mean about the writing and reading capabilities only. It has gained a broader meaning. It claims to guide people towards awareness and the change which is needed in order to achieve a better way of living. The idea was to convince people about their active participation, mobilization of social forces. Soon it became a national consensus.

Press Clip of International Literacy Week Campaign

85 volunteers participated to promote the literacy and help the community of Kotala Panchayat. The main objective is to share the importance of Education in the rural areas.

Singu.Sudha, Sarpanch of Kotala also participated in the campaign and encouraged the volunteers to do such activities with more enthusiasm.

It is impertinent to create awareness through an educational process to make the people to break the barriers of development created by caste, religion, cultural, traditions, and economic exploitation. And only then, the small, marginal and landless labourers could be delinked from their day to day dependence on the village landlords and the money lender. The aim of creating awareness attempted to create and enable the families who are poor as a collective force to practice through productive exercise.

An awareness is conducted through a new educational methodology which is crucial for the liberation of the people from their own ignorance, lethargy and habits that play them straight into the village economic system of exploitation of the poor by the rich in the village. Mere provisions of economic aids for the people such as better cultivation may be obtained through better education.

All the benefits accrued through education is imparted to the villagers of Kotala Panchayat. All the villagers and the Sarpanch appreciated the efforts of the students in organizing the event.

Sir,

Sub: SVEC - List of B.Tech, M.Tech & M.C.A. Students admitted **Under B Category**
during the academic year 2010-2011 - Grant of Fee Concession - Reg.

* * *

I am sending herewith a list of B.Tech, M.Tech and MCA students admitted **Under B Category** during the academic year 2010-2011 at Sree Vidyanikethan Engineering College who were granted certain Fee Concessions. After deducting the fee concession, the actual amount towards Tuition Fee to be collected for each year is shown against their names. It is therefore requested that the Tuition Fee be collected from these students accordingly.

However, in respect of all the other students admitted under B Category during the year 2010-2011 the total prescribed Tuition Fee will have to be collected for each year.

Thanking You,

Yours faithfully,

(**B.RAVI SEKHAR**)

A REPORT ON TREE PLANTATION PROGRAMME

Ragimakulagunta witnessed a mega tree plantation day on 24th September, 2012 as a number of students from Sree Vidyanikethan Engineering College planted many trees in the vicinity of the village.

The village was filled with festive mood as enthusiastic students marched into the village and planted many saplings and plants in the public areas and by the roadside. They joyfully chatted with the villagers as they participated in the tree plantation and convincingly shared the need of more trees for 'Green Earth'.

The villagers cooperated with the students and the staff from the college by receiving them heartfully. They also lent a helping hand in tree plantation enthusiastically.

A Report on

Cleanliness Awareness and Anti-HIV Campaign

Sree Vidyanikethan Engineering College sponsored a 'Cleanliness Awareness and Anti-HIV Campaign' on 24th November, 2011. The campaign was flagged off amid a lot of fanfare at the SV Arts College grounds, Tiruapti by the beloved Chairman of Sree Vidyanikethan Educational Institutions, Dr. Manchu Mohan Babu.

The campaign and the rally sought to sensitise people against the dangers of the dreaded HIV and the need to maintain a clean environment. A series of such campaigns are expected to be rolled in future in close association with the Government and private agencies.

Top dignitaries of the temple city like the TTD Board Chairman, B. Karunakar Reddy, and the local Congress MLA, M. Venkatramana participated in the campaign. The students of the college spread awareness concerning the need for cleaner environment and sanitation besides distributing anti-HIV literature, and pamphlets.

A Report on AIDS Awareness Programme

World AIDS day was observed in the form of awareness rally in A. Rangampet by the students and faculty members of Sree Vidyanikethan Engineering College on 01st December, 2012.

In the nearby city, Tirupati, Vice-Chancellor of Sri Venkateshwara University, Prof. W. Rajendra flagged off a rally, where NCC cadets, NSS volunteers and nursing students took part with placards shouting the war cry 'Zero new HIV infection' and 'Zero HIV deaths'. Sree Vidyanikethan students were part of rallies both in Tirupati and also observed the day at A. Rangampet, where their college is located.

The day reminded all the participants the need to create awareness among the people about the dreaded disease and the preventive measures. The participants were of consensus that AIDS awareness should be a continuous process.
