Semi Technical Talk on
Science and Spirituality in Pursuit of Bliss

Dr. I. Sudarsan Kumar, Chief Operating Officer, Sree Vidyanikethan Educational Trust, delivered a lecture on “Science and Spirituality in Pursuit of Bliss” in Dasari Auditorium on 18th May, 2017 for the benefit of faculty members.

It was a feast to the ears, who listened to the eminent scholar speak on spirituality. Many are of the belief that Science and Spirituality do not go hand in hand. However, both are complimentary to each other. This was the objective of the lecture by Dr. I Sudarsan Kumar.

Dr. I Sudarsan Kumar illustrated how science and spirituality make life easier and blissful. He emphasised that advocating one and ignoring the other would never fulfil the purpose. In the lecture, the speaker explored the world of spirituality which transcends all worldly pleasures and placed science as an aid to elevate a person to eternal bliss.

Lecture on Importance of Human Values in the Society

The Department of Civil Engineering has arranged a lecture on 14-04-2017 from 2.15 pm to 4.15 pm in the department seminar hall. The resource person for this lecture was **Dr. Hemadri Prasad Raju**, Associate Professor of Civil Engineering, Sree Vidyanikethan Engineering College, Sree Sainath Nagar, Tirupati. He has given lecture on “**Importance of Human Values in the Society**” to all the students of II, III and IV B.Tech. Civil Engineering.

The following salient points were discussed during the lecture.

- Meaning of Values
- Significance of Human Values
- Crisis of Human Values in the Present Age

Dr. Hemadri Prasad Raju, Assistant Professor addressing the Students

A Report on
One Day Workshop on “Human Values and
Ethics in Higher Education”
23rd March 2017

A one day workshop on “Human Values and Ethics in Higher Education” was inaugurated by **Dr. P. C. Krishnamachary**, Principal of Sree Vidyanikethan Engineering College, Tirupati on 23.03.2017. A total of 120 participants registered for the program.

In this workshop the Resource person **Dr. M. Sunil Kumar**, Professor, Department of Computer Science and Engineering, SVEC discussed about the human values in higher education. The speaker addresses the various impacts of Human values and its society importance as we are facing many problems on corruption, violence, strife in family and lack of satisfaction. This workshop has led to a major rethinking among the students as this is part of curriculum. They have become relaxed in their self, and become more sensitive to relationships with their friends and family, and regarding society and nature. Resource person also discussed the technical related doubts raised by the participants.

Dr. M. Sunil Kumar, Associate Professor, Department of Computer Science and Engineering, SVEC

DEPARTMENT OF INFORMATION TECHNOLOGY

An Expert Talk on “Effects of Social Media on Human Values and Relationships” (08-03-2017)

Dr. J. VELLINGIRI, Associate Professor, Department of Information Technology, Sree Vidyanikethan Engineering College, delivered a talk on “Effects of Social Media on Human Values and Relationships” to the students of the department on 08-03-2017.

Dr. J. Vellingiri demonstrating during his lecture

He addressed the various issues in modern society faced by students due to social media and its impact on human values and relationships.

DEPARTMENT OF ELECTRONICS AND INSTRUMENTATION

An Expert Talk on “Human Values and Professional Ethics” (08-03-2017)

Mrs. A. Yasmine Begum, Assistant Professor of Electronics and Instrumentation, Sree Vidyanikethan Engineering College, gave a talk on “Human values and Professional ethics” to the students of the department of Electronics and Instrumentation Engineering on 08-03-2017.

She addressed about value education, basic guidelines for value education, need for value education etc.

On
Management Lessons from Bhagavad Gita**

Dr. N. Gurunadha Naidu, Professor, Sree Vidyanikethan Institute of Management addressed the members of faculty in Sree Vidyanikethan Engineering College on “Management Lessons from Bhagavad Gita” in Dasari Auditorium on 8th February, 2017.

Dr. N. Gurunadha Naidu firmly believes that Bhagavad Gita is to be viewed as guide in developing the managerial efficiency and effectiveness. The examples and expositions that the expert drew from the scripture were convincingly put forward for the professionals to readily accept the supremacy of the scripture over any other modern management text. The speaker gave a wonderful insight on the paradigm shift from scholarly management strategies to management strategies from the Holy Scriptures specifically Bhadvad Gita.

The participants appreciated the presentation and expressed their joy to the expert for providing them yet another reason to read the scriptures.

Dr. N. Gurunadha Naidu sharing his valuable thoughts

49th ENGINEERS' DAY

Sree Vidyanikethan Engineering College (SVEC) celebrated 49th Engineers' Day in a befitting manner. A college level faculty meet was arranged to discuss the modalities to work for the national theme of 49th Engineers' Day, "**Skill Development for Young Engineers to Reform the Core Sector: Vision 2025**" to commemorate 156th birthday of Bharat Ratna Sir Mokshagundam Visvesvaraya.

Prof. T. Gopala Rao, Special Officer, SVET; Dr. I. Sudarsan Kumar, Chief Operating Officer, SVET; Mr. K. Tulasi Naidu, Chief Administrative Officer, SVET; Dr. P. C. Krishnamachary, Principal, SVEC; Dr. D. V. S. Bhagavanulu, Director, SVEC; Dr. K. Saradhi, Controller of Examinations, SVEC; Mr. C.H. Umamaheswara Rao, Senior Administrative Officer, SVEC; Dr. G. S. Krishna Murthy, S.V.U. Retd. Professor of Civil Engineering and an Outstanding Practicing Structural Engineer of Tirupati, Dr. P. Ramana Reddy, S.V.U. Retd. Professor of EEE and an Eminent Researcher of Tirupati, Er. A. Venkataratnam, Engineer, SVET; Dr. O. Eswara Reddy, Professor of Civil Engineering and BOS Chairman, Dept. of Civil Engg., SVEC paid floral tributes to the great statesman Bharat Ratna Sir Mokshagundam Visvesvaraya.

Dr. O. Eswara Reddy, Convener welcomed the dignitaries and faculty for the celebrations. Principal Dr. P. C. Krishnamachary in his welcome address emphasised that skill development in the field of engineering will bridge the gap between science and society.

Prof. T. Gopala Rao, Special Officer, SVET praised Bharat Ratna Sir Mokshagundam Visvesvaraya and Padmabhushan Dr. K. L. Rao for their services rendered to the nation and advised the young engineers to follow their path.

Dr. I. Sudharsan Kumar, Chief Operating Officer, SVET elucidated the purpose of engineering and engineering of self for the sake of humanity.

Dr. D. V. S. Bhagavanulu reinforced the importance of ethics and ill effects of partial knowledge of engineers on society.

Dr. O. Eswara Reddy, Professor of Civil Engineering gave a power point presentation on " Padmabhushan Dr. K. L. Rao – A Visionary" focusing on the milestones of his life history, significant achievements and contributions to the nation's building, for the benefit of faculty members.

Er. A. Venkataratnam recalled his memories about his experiences in engineering practice and exemplified certain challenges faced by civil engineers in the field. Further, he added that the ethics should be given the top priority in practicing civil engineering.

Dr. G. S. Krishnamurthy, Retd. Professor of Civil Engineering and an outstanding practicing structural engineer of Tirupati, Dr. P. Ramana Reddy, Retd. Professor of EEE and an Eminent Researcher of Tirupati were felicitated on the occasion of Engineers' Day for their contributions to Engineering. The duo have been with Sree Vidyanikethan Engineering College for quite a long tenure. In his speech Dr. G. S. Krishnamurthy admired the personality and services of Bharat Ratna Sir Mokshagundam Visvesvaraya and suggested the young engineers to follow their footsteps. In his address, Dr. P. Ramana Reddy advised the young engineers and engineering faculty to inculcate the team spirit, hard work and ethics for excellence in engineering practice.

Principals/Directors of sister Institutions; HODs; Officials and Engineers of SVET graced the occasion.

The members of faculty of Sree Vidyanikethan Engineering College participated and celebrated the Engineer's Day in a grand manner and paid rich tributes to Bharat Ratna Sir Mokshagundam Visvesvaraya for his services to the nation.

Tributes being paid to Bharat Ratna Sir Mokshagundam Visvesvaraya by the Dignitaries

Felicitations to Dr. G. S. Krishnamurthy

Address by Dr. G. S. Krishnamurthy

Felicitation to Dr. P. Ramana Reddy

Address by Dr. P. Ramana Reddy

Dr. O. Eswara Reddy, Professor and BOS Chairman, Dept. of Civil Engg. delivering a keynote address on "Padmabhushan Dr. K. L. Rao – A Visionary"

A REPORT ON

Teachers' Day

Teachers' Day was celebrated on **07.09.2016 (Wednesday)** at **4.30 PM** in **Dasari Auditorium**. The Chief Guest **Sri. Prof. GARLAPATI DAMODARNAIDU**, Professor of Telugu (Retd.), Sri Venkateswara University, Tirupati & Presently Special Officer, Sanathana Dharmika Vignana Vibhagam, Hindu Dharma Prachara Parishad, TTD highlighted the relationship between a teacher and student. **Prof. T. Gopala Rao**, Special Officer, SVET enlightened the audience about the role of a teacher in modern days. Chief Operating Officer, Dr. I Sudarsan Kumar, all Heads of the Departments, and members of faculty attended the function.

Felicitating the Chief Guest Prof. Garlapati Damodar Naidu

Inner Engineering

A Talk on “**Inner Engineering**” by Dr. M. Naresh Babu, Associate Professor, CSSE, SVEC was organized for **III B.Tech CSSE students** on **15-08-2016**.

Dr. M. Naresh Babu discussed on inner peace leading to world peace. Inner Engineering is an opportunity to engineer self, deepen perception, and bring about a dimensional shift at life, work, and the world around.

The speaker emphasized that by fostering an understanding of interiority, the program would empower the participants to handle the hectic pace of modern life with ease.

Invited talk on

"Professional Ethics and Human Values"

On 09-04-2016 (10.30 a.m to 1.00 p.m)

The main objective of the talk on Professional Ethics and Human Values was to create awareness on professional ethics and human values. Dr. S. Hemachandra, Professor, Department of Electrical Engineering department addressed the gathering. He stated that program was organized to understand the moral values that ought to guide the Engineering profession, to resolve the moral issues in the profession and to justify the moral judgment concerning the profession.

It was intended to develop a set of beliefs, attitudes, and habits that engineers should display concerning morality. Values are the scales we use to weigh our choices for our actions, whether to move towards or away from something. Ethics is the word that refers to morals, values, and beliefs of the individuals, family or the society.

The talk focused on trustworthiness to maintain integrity and taking responsibility for personal performance. Finally the speaker concluded that today's education gives not only language or subject knowledge, but how to live in the society.

"A Seminar on Building Non-violence Movement and Peace"

18.04.2016

A one day seminar on building non-violence movement and peace was inaugurated by **Dr. P. C. Krishnamachary**, Principal of Sree Vidyanikethan Engineering College, Tirupathi on 18.04.2016. A total of 85 participants registered for the program.

In this seminar the Resource person **Dr. K. Delhi Babu**, Professor, Department of Computer Science and Engineering, SVEC discussed about the non-violence and peace. The Speaker addresses the principles and practices of non-violence towards the side of justice. This seminar explored how non-violent methods can lessen or prevent violence in our life, in our community, and around the world. Resource person also discussed clarified doubts raised by the participants.

Semi Technical Talk on
“Outstanding Teachers”

Teaching is a noble profession. Down the ages this profession has taken many shades from ‘guru’ of past to classroom teacher of present to ‘virtual teachers’. However the fraternity of teachers have always been true to their profession and strived to be effective and excellent teachers. A lecture in line with this thought was organized in Sree Vidyanikethan Engineering College.

Dr. I. Sudarsan Kumar, Chief Operating Officer, Sree Vidyanikethan Engineering College delivered a lecture on “Outstanding Teachers” in Dasari Auditorium on 27th April, 2016. The speaker explored the attributes of an outstanding teacher by his keen observation of the teacher-learner relationship. He demonstrated the role of a teacher in teaching-learning process – the criterion that demarcates an outstanding teacher from all others.

Dr. I. Sudarsan Kumar was successful in driving home the point that teaching demands time, effort, and commitment. His zeal and passion that oozed through his presentation was a proof of him being a practitioner of what he was professing.

Lecture on “Ethical Leaders”

The department of Civil Engineering has arranged a lecture on 15-03-2016 from 2.15 pm to 4.15 pm in department seminar hall. The resource person for this lecture was **Dr. D. V. S. Bhagavanulu**, Professor of Civil Engineering & Director, Sree Vidyanikethan Engineering College, Sree Sainath Nagar, Tirupati. He has given lecture on **“Ethical Leaders”** to all the students of II, III and IV B.Tech. Civil Engineering.

The following salient points were discussed during the lecture.

- Qualities of Effective Leaders
- Engineering leadership and Societal need
- Rules of Professional Conduct
- Codes of Ethics
- An interesting thought on engineering ethics

Guest Lecture on

"National Values and Integration"

on 10-11-2015 (2.15 to 4.30 p.m)

The main objective of talk organized by the department was to create awareness on importance of national values and integration.

Dr. T. Nageswara Prasad, Professor and Head Department of EEE addressed the gathering. He stated that in a country like ours with so many disruptive forces of regionalism, and communalism it is necessary to emphasize and reemphasize that unity and integrity of India can be preserved only by a spirit of brotherhood. Every Indian should first feel the citizenship irrespective of other basis. One of the biggest mobilizing factors is education.

Dr. T. Nageswara Prasad addressing the gathering

Dr. T. Nageswara Prasad emphasized that the youth is no longer limiting itself to the medical and engineering professions. Education implants values in people's life. People will learn to respect each other and may not hurt the sentiments of others. He was able to drive home the point that value education is rooted in Indian philosophy and culture and ingrained in every tradition of Indian culture.

The lecture was concluded with recalling that the education system should embrace the dedicated institutions, home and society and that national integration and communal harmony are necessary also for the security and development of the nation.

Inner Peace to World Peace

A Talk on “**Inner Peace to World Peace**” was delivered by **Mr. V. Lalithendra Nadh, Assistant Professor, CSSE, SVEC** for **III B.Tech CSSE students** on **10-10-2015**.

Mr. V. Lalithendra Nadh discussed that one's own inner peace leads to world peace. In present generation everyone thinks for world peace. However prior to that, one should be peaceful within. If we exist then this earth exists. There is a saying in Telugu language which means “A country is not made of land; a country is made of its people”. This adage was expounded upon by the expert.

The expert boldly proclaimed that even after death, the body gets deposited back in to the ground. So one needs to be peaceful with the mother earth. To live a fulfilling life, he said one should know one's potential and meditation is the route to it. It is the methodology of the science of awareness. – OSHO.

Finally, he urged the students to slow down, and see a tremendous expanse in the moment.

Mr V. Lalithendra Nadh, delivering a Lecture

48th Engineers' Day Celebrated

Sree Vidyanikethan Engineering College (SVEC) celebrated 48th Engineers' Day in a befitting manner. College Level Faculty Meet was arranged to discuss the modalities to work for the national theme of 48th Engineers' Day, "ENGINEERING CHALLENGES FOR KNOWLEDGE ERA" to commemorate 155th birthday of Bharat Ratna Sir Mokshagundam Visvesvaraya.

Dr. P. Umapathi Reddy, Convener welcomed the dignitaries and faculty for the celebrations. Dr. P. C. Krishnamachary in his welcome address recalled the invaluable services of Bharat Ratna Sir Mokshagundam Visvesvaraya for the development of irrigation projects in general and to the field of Civil Engineering in particular.

Dr. O. Eswara Reddy, Professor of Civil Engineering gave a powerpoint presentation on "**Bharat Ratna Sir Mokshagundam Visvesvaraya – A Legend**" focusing on the mile stones of his life history, significant achievements and contributions to the nation's building, for the benefit of faculty members.

Dr. D.V. S. Bhagavanulu narrated the engineering skills and achievements of Sir Mokshagundam Visvesvaraya, popularly known as Sir MV.

Dr. T. Nageswara Prasad, HOD, EEE addressed the gathering on the scientific contributions of Indian woman scientists in general and Agni Putri Tessy Thomas in particular.

Lt. Col. (Retd.) P. Venkateswarlu, Asst. Professor (SL) of Civil Engineering explained the valuable contributions of engineers' and scientists for human development.

Er. A. Venkataratnam recalled his brief interaction as a student with Sir MV during his college days. Further, he articulated the importance of ethics in engineering practice for the development of the nation.

Dr. P. C. Krishnamachary, Principal, SVEC; Dr. D. V. S. Bhagavanulu, Director, SVEC and Principals/Director of sister Institutions; HODs and officials of SVEI graced the occasion.

The members of faculty of Sree Vidyanikethan Engineering College participated and celebrated the Engineer's Day in a grand manner and paid rich tributes to Bharat Ratna Sir Mokshagundam Visvesvaraya for his services to the nation.

Expert Lecture on

Truth and Righteous Conduct in Education

on 09-10-2014 (2.15 pm to 4.00 pm)

The main aim of the talk organized by the department of Electrical and Electronics Engineering was to create awareness on 'Truth and Righteous Conduct in Education'. Mr. A. Chandra, Assistant Professor, Department of Computer Science and Systems Engineering addressed the students of the host department.

Mr. Chandra started with a saying 'true education facilitates universal peace, and destroys scope of mean thoughts'. He put forth that teachers help young people to deal with fear and achieve inner peace. He expounded on the four pillars of education and their role in groups and teams to resolve conflicts.

The expert firmly believes that the truth, right conduct, love, peace, non-violence and attitude are the virtues which elevate an individual as well as the society. Finally he concluded that manifestation of truth and right conduct by an individual is referred to as the creative spark or intelligence within oneself.

Mr. A. Chandra presenting his talk

A Report on “Engineers’ Day”

Sree Vidyanikethan Engineering College celebrated 47th Engineers’ Day on 15th September 2014 in a befitting manner. The members of faculty paid rich tributes to Bharat Ratna Sir Mokshagundam Visvesvaraya in whose honour the day is celebrated.

Sir Mokshagundam Visvesvaraya’s invaluable services to the nation were recalled and also deliberated on. The teaching fraternity gathered to deliberate on the role of engineers in Nation’s Development. At the departmental level, number of activities like quiz, essay writing competition, poster presentation and group discussion took place all through the day.

Officials and Members of Faculty on the Eve of Engineers’ Day 2014

Dt. : 05-09-2014

Unveiling the statue of Sri Manchu Narayanaswamy Naidu garu

The statue of Sri Manchu Narayanaswamy Naidu garu, humanist and visionary, inspiring teacher; and illustrious father of Dr. M. Mohan Babu, Chairman, Sree Vidyanikethan Educational Trust (SVET) was unveiled in Sree Vidyanikethan Engineering College premises on 5th September, 2014, the auspicious occasion of the Teachers' Day in the presence the family members of Late Sri Manchu Narayanaswamy Naidu garu, a galaxy of intellectuals, members of faculty, invitees and students.

Sri Paruchuri Gopala Krishna, a renowned film writer, actor and visiting Professor of Sri Potti Sreeramulu Telugu University, Hyderabad conducted the proceedings in his own inimitable style and decorum while introducing the dignitaries to the audience at the statue unveiling function.

The statue was unveiled by Dr. K.I. Vara Prasad Reddy, Padma Bhushan awardee and Founder & Chairman, Shantha Biotechnics Ltd., Hyderabad in the august presence of Avadhana Samrat Sri Medasani Mohan; Dr. N. Sivaprasad, Member of Parliament, Chittoor; Prof. Yarlagadda Lakshmi Prasad, a well known Hindi Scholar and former Member of Parliament (RS); Sri B. Karunakar Reddy, Ex-MLA, Tirupati; Sri C. Narasimha Rao, a noted political analyst and writer; and Prof. T. Gopala Rao, Special Officer, SVET; distinguished invitees, members of faculty of SVET Institutions and a huge gathering of students.

All the speakers on the occasion recalled their association with Late Sri Manchu Narayanaswamy Naidu garu and eulogized his qualities of head and heart, his passion for teaching and concern for the poor and down trodden.

Dr. M. Mohan Babu, Hon'ble Chairman, SVET recalled his younger days when he received training from his father both as a teacher and as a loving father.

Sri Vishnu Manchu, Hon'ble Chief Executive Officer, SVET; and Sri Manchu Manoj Kumar, the promising film heros and grand sons of late Sri Manchu Narayana Swamy Naidu made the proceedings of the event glorious by their presence.

Event was widely covered by the Print and Electronic Media.

How to Stop Worrying and Start Living

A Talk on “**How to Stop Worrying and Start Living**” by Mr. B. Narendra Kumar Rao, Associate Professor, Department of Computer Science Engineering was organized for **III B.Tech CSSE students** on **20-08-2014**.

Mr. B. Narendra Kumar Rao discussed on the values of life and ethics. He mentioned that worry keeps many lying awake at night and annoyingly gnaws away at people as they try to work, enjoy life, and relax. Unrelenting anxiety and fear can be debilitating and drain energy off the people. For many worrying is a habit. However, he expounded that this habit can be changed by focusing on problem solving, and goal setting.

The difference between worrying and problem solving was lucidly brought out by the expert. The former he said was repetitive thoughts that lead to more stress and get in the way of actually enjoying life and being productive. The latter brings out the best in a person. He called upon the audience to put on problem-solver hat and think about the solutions.

Mr. B. Narendra Kumar Rao, delivering on “How to Stop Worrying and Start Living”

A Report on Lecture on Customs & Religion

The department of Civil Engineering has arranged a lecture on 05-02-2014 from 2.15 pm to 4.15 pm in department seminar hall. The resource person for this lecture was **Dr. D. V. S. Bhagavanulu**, Professor of Civil Engineering & Director, Sree Vidyanikethan Engineering College, Sree Sainath Nagar, Tirupati. He has given lecture on “**Customs & Religion**” to all the students of II, III and IV B.Tech. Civil Engineering.

The following salient points were discussed during the lecture.

- Self respect, self control and egoism
- Ethics and religious belief
- Unity, purpose and value
- The divine command theory
- Moral leadership

A Lecture on

Non-violence and Peace

on 21-09-2013 (10.30 a.m - 1.00 p.m)

The main aim of the lecture was to create awareness on non-violence and peace. Prof. J.V.R Vittal, Professor, Department of Electrical and Electronics Engineering addressed the gathering. He explained that, a person full of inner peace and love, follows his/her conscience, and will not act with violence. Thus, according to the Non-violence is culmination of all other values. The expert emphasized that teachers can contribute significantly to a quality classroom environment and impart values to pupils and thus foster a constant state of peace.

Prof. J.V.R Vittal insisted that pupil should be made aware of the physical damage to health caused by excessive anger and also by its suppression. Finally he concluded that, Non-violence also means showing respect and understanding of the diversity of people's faiths and culture.

Motivation through meditation

A Talk on “**Motivation through Meditation**” by **Dr K Delhi Babu, Professor, CSE, SVEC** was organized for **III B.Tech CSSE students** on **18-09-2013**.

Dr K Delhi Babu discussed on ‘Motivation through Meditation’. Meditation is a certain quality not a certain act. If the body, mind, energies and emotions are cultivated to a certain level of maturity, meditation will naturally happen.

The expert analogized that just like the fertile soil, if necessary manure and water is provided and the right kind of seed is sown then it will grow and bloom into flowers and fruits. Flowers and fruits are the result of appropriate atmosphere. Similarly, meditation will naturally when appropriate atmosphere is provided.

Dr. K. Delhi Babu, Professor, CSE, SVEC delivering a Lecture on “Motivation through Meditation”

A Report on 46th Engineers' Day

Sree Vidyanikethan Engineering College celebrated the 46th Engineers' Day on 15th September 2013 in a befitting manner.

All the members of faculty deemed it a privilege to gather together and pay rich tributes to Bharat Ratna Sir Mokshagundam Visvesvaraya for his invaluable services to the nation.

Some Members of faculty talked about Bharat Ratna Sir Mokshagundam Visvesvaraya. Presentations on 'Engineer and Ethics' and 'Women Scientists and Engineers' were the highlights of the evening celebration of the day.

Prof. T. Gopala Rao, Special Officer, Sree Vidyanikethan Educational te Trust, Dr. I. Sudarsan Kumar, Chief Operating Officer, Dr. D.V.S Bhagavanulu, Director, Sree Vidyanikethan Engineering College, Prof. B. Mohan, Director, Sree Vidyanikethan Institute of Management, Deans, Principals, Heads of the Departments, and all the members of the faculty actively participated in the celebration.

A Report on

A Seminar on “Human Values and Professional Ethics”

A one day seminar on Human values and Professional ethics was inaugurated by **Dr. P. C. Krishnamachary**, Principal of Sree Vidyanikethan Engineering College, Tirupati on 11.04.2013. A total of 105 participants registered for the program.

In this seminar the Resource Person **Dr. V. V. Rama Prasad**, Department of Computer Science and Engineering, SVEC, Tirupati discussed about the Human values and Professional ethics. This seminar focused on impact of Human values and ethics in life and society, and why this is being introduced as a course in students' curriculum. Human values are universal and are inherent in all human beings and are intertwined with the cultural and spiritual aspects of life. Human values-based education, therefore, is complimentary to values based education. Resource person also discussed related doubts raised by the participants.

Expert Lecture on Social Cohesion and Communal Harmony

on 25-10-2012 (10.30 a.m -1.00 p.m)

The main aim of the lecture was to create awareness on social cohesion and communal harmony.

Prof. P. Umapathy Reddy, Professor, Department of Electrical and Electronics Engineering addressed the gathering. He began with India being a place wherein people belonging to various religious faiths lived in harmony and peace. The fundamental values and traditions of the country promote integration among different communities and aid the growth of a great civilization in the Indian sub-continent.

The expert was of the opinion that a cooperative integrated society is congenial for leading a healthy social life. He concluded that strategies to prevent communal violence need to be developed to strip the community off the violence.

TEACHERS' DAY CELEBRATIONS

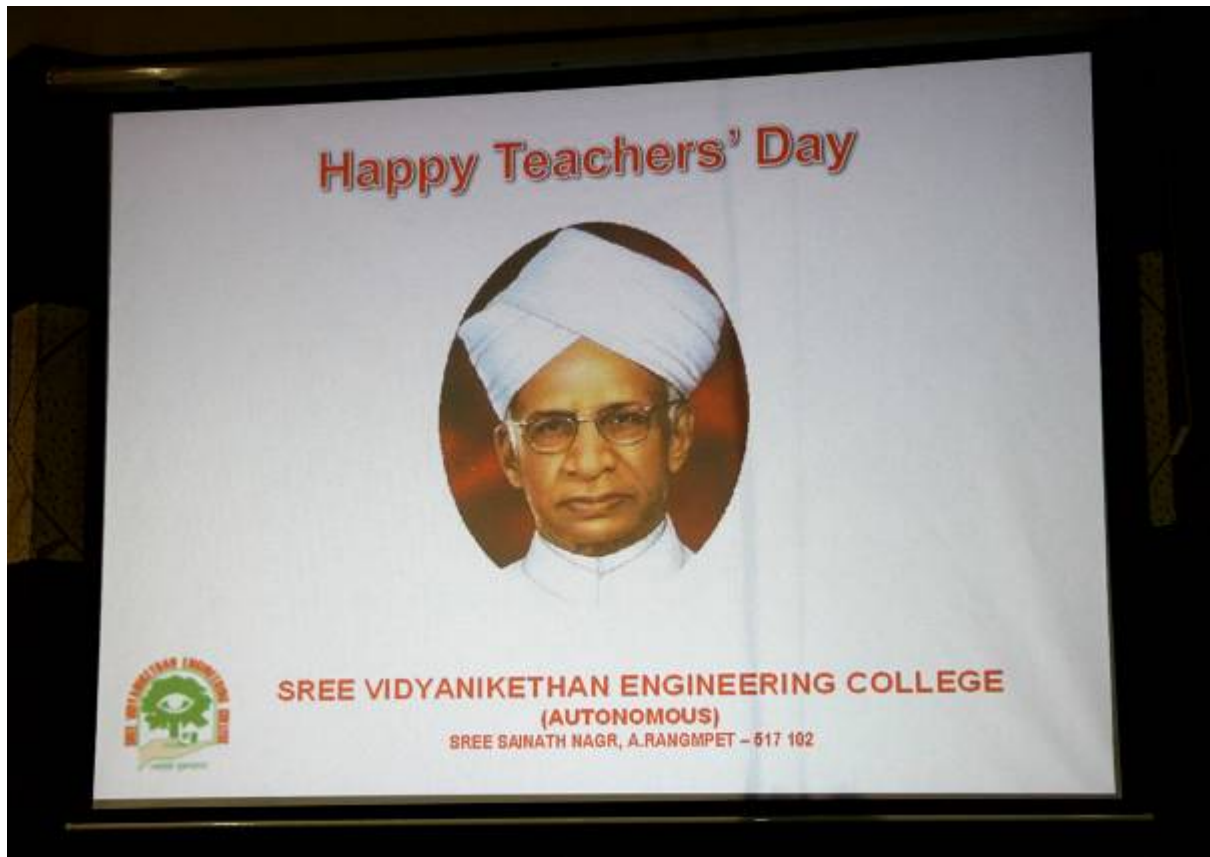

Teachers' Day was celebrated with enthusiasm in Sree Vidyanikethan Engineering College. Nonagenarian and senior teacher, Sri Manchu Narayana Swamy Naidu, father of Padma Shri Dr. M. Mohan Babu, Chairman, Sree Vidyanikethan Educational Trust participated as the Chief Guest. In his address, he paid glowing tributes to Dr. Sarvepalli Radha Krishnan for his contributions to Indian Philosophy and invaluable services to the country as the first Vice-President and President of India. He said that Dr. Radha Krishnan was the only eminent person in the recent history of India, who won the acclaim of all as an outstanding philosopher and statesman. He advised the teachers to emulate Dr. Radha Krishnan's qualities of head and heart.

Prof. T. Gopala Rao, Special Officer appealed to the teachers to understand life as it is and not what it should be. He said that philosophy is a pursuit of truth and all the teachers should be truthful to themselves while serving the cause of education.

Dr. P.C. Krishnamachary, Principal advised the teachers to improve their teaching skills and love their profession. He opined that the teachers should sacrifice their time and effort in shaping the future of the students.

Sri G. Reddy Sekhar Reddy and Smt. J. Sunitha, Department of GEBH coordinated the proceedings of the celebrations.

Members of Faculty of all SVET institutions participated in full strength and added value to the celebrations.

Motivate Yourself

A Talk on “Motivate Yourself” by C Madhusudhan Rao, Professor & HOD, CSSE, SVEC was organized for III B.Tech CSSE on 10-08-2012.

C Madhusudhan Rao discussed on the values of life and ethics. The main objective was if one wants to excel in life, self motivation is essential. To motivate self is the greatest help one can do to self. He said “you must be able to keep your spirit high no matter how discouraging a situation is”. That is that only way to get the power one needs to overcome difficulties. He emphasized that those who are discouraged in difficult times are certain to lose even before the battle had begun. He concluded that the only competitor one has is self. Therefore the only one to defeat is self.
