

SREE VIDYANIKETHAN ENGINEERING COLLEGE

(Autonomous)

Sree Sainath Nagar, Tirupati – 517 102

**ELECTRICAL SYSTEMS DESIGN AND GREEN POWER -
TRAINING CENTRE**

(An Industry Recognized Training Centre)

BRIDGE COURSE- PACK I

**TRAINING AND PRACTICE ON
SOLAR PV POWER INFRASTRUCTURE AND SOLUTIONS**

MODULE -I	10 hrs
RESOURCE ASSESSMENT AND DESIGN OF SPVPGS USING PVSYST	
MODULE -II	10 hrs
PROJECT DEVELOPMENT	
TOTAL	20 hrs

COURSE OUTCOME(S):

After successful completion of the course, the participants will be able to perform resource assessment and design various elements of Solar PV Power Infrastructure using PV Syst Simulation software. Also understand the methodology in developing the project report that helps in setting up commercial power projects.

FEE DETAILS

<i>For Students</i>	<i>Rs. 1000/-</i>
<i>For Corporate Members</i>	<i>Rs. 2000/-</i>
