A Field Visit to Construction Sites of Indoor Stadium and Hostel Building at Sree Vidyanikethan Engineering College Campus

03rd January 2018

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a "Field Visit to Construction Sites of Indoor Stadium and Hostel Building" within the SVEC Campus for the benefit of III B.Tech. II Semester Civil Engineering students on 03th January 2018. The objective of the program is to impart the practical knowledge on the construction of isolated footings and pile foundations. This program has helped the students to understand the technicalities of foundation engineering practice and making them aware of the advancements in fast track construction therein.

150 students from III B.Tech. II Semester Civil Engineering, Department of Civil Engineering, Sree Vidyanikethan Engineering College have participated in the field visit along with 06 faculty members. Dr. O. Eswara Reddy, Professor and BOS Chairman, Faculty Advisor - ASCE SVEC Student Chapter; Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engineering; Dr. P. Ramesh, Dr. P. Indiramma, Dr. D. Sita Ramireddy and Mr. D. V. Purushotham, Assistant Professor, Coordinator- ASCE SVEC Student Chapter, were part of the visit.

Dr. O. Eswara Reddy explained the necessity, classification, methods of pile foundations, and pile load test through field demonstration. He interacted with the students to know about their understanding and awareness they had acquired during the field visit.

The purpose of the field visit is fulfilled and all the participated students were benefited.

Dr. O. Eswara Reddy explains the Construction Procedure of RCC Isolated Footings at the Construction Site of Indoor Stadium in SVEC Campus.

Dr. O. Eswara Reddy explains the Construction Procedure of RCC Isolated Footings at the Construction Site of Indoor Stadium in SVEC Campus.

Dr. M. V. Subba Reddy and Mr. D. V. Purushotham explaining the Drawing Details to Students at the Construction Site of Indoor Stadium in SVEC Campus.

Dr. P. Ramesh explains the Construction Procedure of RCC Isolated Footings at the Construction Site of Indoor Stadium in SVEC Campus

Dr. O. Eswara Reddy explains the Construction Procedure of Pile Foundations at the Construction Site of Hostel Building in SVEC Campus.

Dr. O. Eswara Reddy explains about the Pile Grouping Procedure at the Construction Site of Hostel Building in SVEC Campus.
