

DEPARTMENT OF CIVIL ENGINEERING

A Guest Lecture on

“Sustainability in Civil Engineering”

By Mr. A. T. Samuel, Director, STUP Consultants Pvt. Ltd, Bangalore

17th March 2018

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Guest Lecture for Students under ASCE SREE VIDYANAKETHAN ENGINEERING COLLEGE STUDENT CHAPTER ACTIVITIES on 17th, March 2018. The objective of the program is to bring practicing engineers on to the campus to share their ideas and experiences with the students in the field of civil engineering. This program is helpful for the students to understand the technicalities of structural engineering field and making them aware of the advancements therein.

The resource person was eminent personality from the Industry Mr. A. T. Samuel, Director, STUP Consultants Pvt. Ltd, Bangalore.

A total of 430 students from II, III and IV B.Tech. Civil Engineering II Semester and 20 faculty members from the host institution were participated in the Guest Lecture on “Sustainability in Civil Engineering”. Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, SVEC, and Faculty Advisor-ASCE SVEC Student Chapter, Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engineering., Mr. D. V. Purushotham, Assistant Professor and Coordinator-ASCE SVEC graced the occasion. Office bearers of ASCE SVEC Student Chapter were the organizers of this programme. During the programme session, guest has shared his rich practical knowledge of Structural engineering along with case studies with all the participants.

Overall, the event has proved successful. Guest Lecture is a way of enriching our students with the latest developments in civil engineering industry by an eminent practicing engineer, beyond curriculum. The students will be enriched with knowledge on latest technologies used in the industry, industry needs, job avenues etc. Further, students will get inspiration from the speaker, provides a chance to students to meet an eminent practicing engineer and better interaction between the speaker and the department on various issues like industry internships, placements, MoUs etc.

In addition, A. T. Samuel interacted with the faculty of civil engineering and gave suggestions on teaching and research frontiers. He has visited the laboratories, department library, seminar hall and other facilities in the department of civil engineering and appreciated the efforts of management, faculty and staff.
