

## **Department of Electronics & Communication Engineering**

### **'ACME'**

#### **Annual Report for the academic year 2018-19**

The student technical association of Department of ECE, ACME (Association of Communication Majors and Enthusiasts) holds the responsibility in inculcating values and skills among the students by conducting various technical and non-technical events.

This year, an overall of 19 Events were conducted in three phases. A total of 1670 students were participated and 132 students bagged prizes.

All the three phases helped to inculcate Communications skills and Team Leadership Skills among the students. In turn it helped organizers in improving their organizing skills. These events are conducted every year as a regular practice.
