Department of Computer Science and Engineering

'AWS Awareness and Accounts Creation'

Cloud Computing with AWS

An awareness programme on Amazon Web Services (AWS) was conducted to edify the II and IV B. Tech CSE students on 27 July 2019. A team from APSSDC was glad to give their inputs and lead the programme Mr. Gopi Krishna; a member of the team, in his keynote address explained the importance and opportunities available to the students in the field of cloud computing with AWS.

Mr. Gopi Krishna addressing the students

The expert assisting the students

Mr. Sarath guiding the students in account creation process

Outcomes:

The students were able to

- Acquire practical exposure on AWS
- Gain mastery on AWS console and create an accessing account.
