The resource persons are experienced trainers from APSSDC, Govt. of Andhra Pradesh. The feedback on participants understanding and learning, resource person's knowledge, teaching and organization of the workshop is extraordinary and encouraging to organize many workshops of this kind.

Outcomes of the one week Skill Development Programme on Amazon Alexa:

- Students acquired knowledge to create instances using EC2, to store and access the data through Amazon S3 Cloud, to create static website using AWS-S3 and to create voice experiences with Alexa Skills Kit.
- Students gained practical knowledge on Alexa Skill Kit which helps to create applications in the field of voice design.
