About the IGS SVEC Student Chapter

The Indian Geotechnical Society Sree Vidyanikethan Engineering College (IGS SVEC) Student Chapter has started in the Department of Civil Engineering on 22nd December, 2018 to enhance the knowledge of Civil Engineers in the field of geotechnical engineering. IGS Sree Vidyanikethan Engineering College (IGS SVEC) is a student-run organization that enriches the lives of civil engineering students through various skill and knowledge development activities. Also, it provides a chance to keep oneself update with the recent engineering knowledge and trends in civil engineering in general and geotechnical engineering in specific.

Vision

To inspire student members to become future leaders in the field of Geotechnical Engineering to serve the society.

Mission

- ✓ Nurture the student members with fundamental engineering knowledge, a broad set of skills, and an inquisitive attitude for creating innovative geotechnical solutions to serve industry and community through guest lectures, quiz programs, seminars, workshops and conferences.
- ✓ Imbibe excellent oral and written communication skills in student members through lectures, group discussions, debates, newsletter preparation and technical report writing.
- ✓ Develop leadership skills and interpersonal skills of student members by organizing various events such as social gatherings and outreach activities.
- ✓ Expose student members to real time problems by conducting field/industrial visits
- ✓ Encourage student members to organize/participate in annual programs along with student chapters of other colleges
- ✓ Encourage student members to make use of online materials from ISSMGE/IGS and other related sources for enhancing their geotechnical knowledge.

Objectives

- ✓ Promoting cooperation among the Practicing Engineers and Students for the advancement and dissemination of knowledge in the field of Geotechnical Engineering
- ✓ Creating suitable environment for learning current trends and knowing about exciting professional/teaching/research opportunities in geotechnical engineering.
- ✓ Enhancing their ideology and ability in solving critical/typical geotechnical engineering problems
- ✓ Develop leadership skills and public relationship skills among the students
- ✓ Imbibe excellent oral and written communication skills in student members
- ✓ Exploring the possibilities of industry internships and placements for students
- ✓ Inspiring students to pursue higher education in geotechnical engineering
- ✓ Creating motivation and passion in engineering professional work

About the Geotechnical Fiesta

The IGS SVEC Student Chapter is happy to organize the first Geotechnical Engineering fest called “Geotechnical Fiesta” for two days i.e., 14-10-2019 & 15-10-2019 at the Civil Engineering Department. The fest gives opportunity to students to participate in technical, sports and cultural events. Certificates will be issued to all the participants and winners of the events.
