

## ***Parents' Meet - 2019***

Sree Vidyanikethan Engineering College organized Parents' Meet on 1<sup>st</sup> October 2019 for the parents whose wards were admitted in the academic year 2019-20.

The Hon'ble Chairman Dr. M. Mohan Babu while addressing the parents of first year B.Tech, M.Tech, MCA and Diploma students highlighted that the top-notch infrastructure and facilities available for the students on campus are amongst the very best. He asserted that all the students would always be under vigilance and even the wardens of hostels in and around the campus were instructed to monitor the students of Sree Vidyanikethan. Cameras were installed everywhere on the campus to examine students' behaviour and to make the institution ragging-free. He was delighted to announce that Sree Vidyanikethan Engineering College tops the list of highest intake in Rayalaseema region. He was proud to share the placement record of 1200 students who got selected for reputed companies.

The Chairman advised parents that it is also their responsibility to monitor their wards' behaviour, know their attendance through the messages received from the college, and their progress in the academics. 'Discipline and Commitment are the key factors for success in life,' he added. Further, he suggested parents to spend their time with their wards and motivate them towards building their career successfully and serve the nation. Finally, the Chairman concluded his speech assuring parents wholeheartedly that SVEC impart quality education to their wards.

***The Hon'ble Chairman **Dr. M. Mohan Babu** addressing the parents***

Dr. L. Venugopala Reddy, Advisor cum Director, SVET stated the reason behind organizing parents' meet was to bring awareness among the parents about the quality services offered by the institution and other statutory requirements to be followed by the students. He emphasized the three 'D's ; Discipline, Decency and Decorum are sine quo non for every student to accomplish their tasks and achieve their goal.
