- Data Analytics for Societal benefit.
- Data Science.
- Social Networking.

2. Center for Intelligent Computing:

- Biomedical Image Processing
- Business Intelligence
- Natural Language Processing
- Voice Analytics

3. Center for Computer Networks & Security:

- Network Monitoring and Forensics
- Vulnerability Remediation & Assurance
- SDN & Cognitive Networks
- IoT & CPS Security

About the Conference

This Conference provides an exceptional platform for Academicians, Researchers, Industry participants, Practitioners and budding Engineers to deliberate on the most recent innovations, trends, and concerns along with the present-day challenges and the solving approaches for implementation in the domains of Data Science, Intelligent Computing and Computer Networks & Security.

Scope: Original papers are invited in the below areas, but not limited to....

Data Science

- Knowledge Data Engineering
- Database Systems
- Information Retrieval Systems
- Business Analytics
- Data Analytics
- Data Warehousing & Data Mining
- Big Data Visualization
- Semantic Web
- Social Informatics
- Simulation and Modeling
- Information Theory and Coding
- E-Commerce

Intelligent Computing

- Artificial Intelligence
- Expert Systems
- Intelligent Agents & Systems
- Computational Intelligence
- Machine Learning
- Deep Learning
- Soft Computing
- Green Computing
- Cognitive Computing
- High Performance Computing
- Reconfigurable Computing Systems
- Bioinformatics and Scientific Computing
- Information Systems
- Image Processing
- Natural Language Processing
- Heuristics and Metaheuristics

Cyber Security

- Computer Networks and Data Communication
- Network Security & Cryptography
- Geographical Information Systems
- Internet and Web Applications
- Wireless Sensor Networks
- Wireless Communication and Mobile Computing
- System Security
- Computer Forensics

Allied Areas

- Cyber Physical Systems
- Internet of Things
- Multimedia Applications
- Parallel and Distributed Computing
- Cloud Computing
- Ubiquitous Computing
- Augmented Reality & Virtual Reality

Guidelines for Authors: Papers shall strictly adhere to the guidelines as mentioned during the submission process. General Instructions to be mandatorily followed.
