IACE ACTIVITIES

Dumb Charades

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a competition on "Dumb Charades" under Intellectual Association of Civil Engineers (IACE) on 30th August 2019 at Room No. 2302 of Civil Engineering Block.

A total of 55 students from II and III B.Tech. Civil Engineering have participated in the event. The competition was conducted in two rounds. The preliminary round was extremely entertaining with the team consisting of two members where one has to express or enact the movie name without the use of words. The time taken by each team to guess and find the actual movie name was noted and six teams were selected for second round. The same process was repeated in finals and the teams which found the correct movie name in short time were awarded winners.

The photographs of the event are as follows.

Members of IACE monitoring the Competition and noting the Time
