A Guest Lecture on
"Technical Paper Writing For Students"
on 24-12-2019

The Department of Information Technology, Sree Vidyanikethan Engineering College organized a Guest Lecture on "**Technical Paper Writing for Students**". The core idea of the program is to promote research culture among the students. The Guest speaker **Ms.Obulapuramu Girisha** is the Senior Research Fellow in the Dept of CSE, Sastra University, Thangavur, Tamilnadu.

She explained to the students about how to read a research article, IEEEExplore and science direct sources. She also demonstrated how to search the interested areas of articles.

Further, she showed to the students how to find the list of conferences across the world and special issues in the journals through guide2research.com.

centric, effective teaching-learning pedagogy among the participants. Around 120 members of students benefitted from the program.
