ABOUT C2F (CONNECT TO FARMER) - NON PROFIT ORG.,

Connect 2 Farmer is a vision of 2 IT employees turned homemakers, currently staying in Singapore. Here are a few activities they are doing through Connect 2 Farmer

- 1) Organizing natural farming awareness programs in villages and encourage to follow indigenous farming methods.
- 2) Collaborating with the younger generation (colleges, self-employed and professionals) to shrama dhaan on their weekends in farms and help them learn our traditional natural farming techniques.
- 3) Felicitating participants with certificates once they complete a minimum of 25 hours of shrama dhaan.
- 4) Rewarding best natural farmer of a village where ever Connect 2 Farmer have organized awareness programs.
- 5) We are in the process of manufacturing lightweight instruments to ease farmer's day to day activities.

At present we are working with farmers in Chittoor District - Pandurangavari Palli, Mathyam and Govindaraju Palli ,West Godavari - Yendapalli & Telangana - Hyderabad

DAY-1

WORK PLAN

- a. Identify Needs, Problems and resources of the Village.
- b. Inauguration of 7-Day Special Camp.

Volunteers along with the C2F Co-founder, Mrs.Snigdha in planning the activities

- All volunteers assembled at the fields of the adopted village to plan for the activities that are to be carried out for the next few days.
- Firstly, visited all parts of village and identified the issues presently need to be addressed.
- C2F Co-Founder Mrs. P.Snigdha and her team of volunteers from various villages have addressed the volunteers.

- Topics such as the ZBN and accessibility of good food to people and other agricultural aspects were discussed to unfold the ideas of ones technical capabilities.

Volunteers having breakfast at farms

Volunteers along with the C2F team members and villagers

DAY-2 & DAY-3

ZERO BUDGET NATURAL FARMING

- Display of Posters over the Village about Water Conservation methods like Rainwater Harvesting, Form ponds, Ground Water conservation.
- Volunteers have made the posters about the various rain water harvesting techniques and displayed in village.
- Prof D.Sathyanarayana Retd. Prof of Agriculture University and Govt. officials connected to promote ZBNF were the guests on Day 2 and Day 3 to educate villagers and student volunteers to make them understand about contemporary practices.

Govt. Representative allotted to promote ZBNF was demonstrating the preparation of Vermicomposte from various natural raw materials.

- Preparation of Vermicompost has been demonstrated by the speakers from ZBNF promoters representing Govt. of A.P.

ZBNF –RYSS people demonstrating preparing Vermicompost and village farmers in the event

- Farmers from the village also taken part in the event and made it more interactive for fellow farmers and volunteers too.

DAY-4

HEALTH &HYGENITY

Comprehensive programs by the Girl volunteers to uneducated women in village about their social rights.

- All Girl Volunteers have been to every door to door in village for educating the people who are not keeping hygiene conditions around the home and not to dispose the sanitary pads around.
- Also, stressing on the point of the women individual right to educate and help the society.

DAY-5

AWARENESS PROGRAM FOR IMPROVING THE STATUS OF GIRL CHILD IN SOCIETY

- An awareness program has been conducted at the village junction to all the girl children and provided Carrier Guidance.
- About the individual role in societal development and importance of being safe among Girl Child in the village about their importance role and future in Society Development.

DAY-6

ENVIRONMENT ENRICHMENT AND CONSERVATION

Various practices to Prevent Soil Erosion.

- People supported us to help their neighbors to practice the habits of cleaning the surrounding where medical and sanitary disposals were cleared off.

Students with display of posters of rain water hasvesting
