Outreach Activity

An Awareness Program on

"Role of Civil Engineering in Societal Development" at Govt. Junior college (Girls), Chandragiri

The Department of Civil Engineering has organized an **Outreach Activity i.e., An Awareness Program on "Role of Civil Engineering in Societal Development"** at **Govt. Junior College (Girls), Chandragiri, Chittoor District, Andhra Pradesh, India** under **ASCE SVEC Student Chapter** on **31st December 2019 i.e. 11.30 A.M to 12.30 P.M.** The objective of the program is to motivate, create awareness and impart knowledge among the Intermediate (M.P.C.) second year students.

Dr. O. Eswara Reddy, Professor, HoD and BOS Chairman, Department of Civil Engineering, SVEC and **Faculty Advisor-ASCE SVEC Student Chapter** and Convener of the Program; Mr. D. V. Purushotham, Assistant Professor and Coordinator-ASCE SVEC Student Chapter and Coordinator of the Program graced the occasion. Office bearers of ASCE SVEC Student Chapter were the organizers of this programme.

23 No. of Intermediate students, 02 No. of Faculty Members and **30 No. of Students** including ASCE SVEC Student Chapter Office Bearers of Civil Engineering Department were actively participated in the program. Faculty and Students explained about the importance of Role of Civil Engineering in Societal Development to the Intermediate (M.P.C.) second year students through Power Point Presentations and Videos. At the end of the program, Intermediate students gained the knowledge on Role of Civil Engineering in Societal Development and its benefits to the society.

On the whole, the event proved successful. Community service is to work for free to help/benefit the public/community. Community service can have a lot of positive effects on students, such as helping them to develop skills, making contacts, and allowing them to improve the quality of life of others. The students can develop an attitude of giving something to society. Also, it creates realization in the budding engineers to innovate and work for society.
