

Mohana Mantra - 2019

Sree Vidyanikethan Engineering College organizes Mohana Mantra, a National Level Techno-cultural Fest once in a year. The Mohana Mantra has been a students' soft spot since 2013.

This year Mohana Mantra was organized on 27th, 28th & 29th September 2019. Mr. Vishnu Manchu, CEO, Sree Vidyanikethan Educational Trust, was pleased to inaugurate the fest on 27th September 2019. The Reverred CEO, in his inaugural address advised the student participants, to stay friendly, learn more, and enjoy the fest for three days.

The Mohana Mantra's objective was to explore several technical and cultural events. Artificial Intelligence, Internet of Things, Sixth-sense Robotics, Blockchain and Crypto Currency, Ethical Hacking, Architecture with Virtual Reality, were a few among technical events. Music, Dance, Theatre Arts, Life-style were some of the events prominent among cultural events.

Besides, several technical and cultural events, there were two pro-shows which the participants enjoyed the most. The first one was an amazing performance by one of the India's top music bands, *Threeory Band* from Hyderabad on 27th September 2019. The second one was DJ by *Robert Falcon* from Belgium performed a side-splitting show on 28th September 2019.

Around 30,000 engineering students from various parts of India participated in Mohana Mantra 2019. According to Dr. K. A. Ajmath, Convenor, Mohana Mantra 2019, 1500 student volunteers organized the fest successfully.
