Entrepreneurship Development Cell | Date: 28th July 2020

#### A WEBINAR ON "INNOVATION & BEYOND"

(In association with Young Indians Yuva Vertical, Chennai)

**Speaker:** Rtn. Vidya Guru- Founder, Skillsgurucool

A webinar on "Innovation & Beyond" was organized by Entrepreneurship Development Cell, in association with Young Indians Yuva Vertical, Chennai on 28.07.2020 for all II, III & IV B.Tech. students of Sree Vidyanikethan Engineering College.

Rtn. Vidya Guru - Founder, Skillsgurucool, giving a talk on "Innovation & Beyond" through
GoToMeeting online platform

**Rtn. Vidya Ragu** a versatile, vibrant behavioral trainer and successful women entrepreneur began the session by sharing her entrepreneurial experience. She explained how she overcame her struggles and became successful in her entrepreneurial journey. She gave some case studies on innovative ideas and informed that there was no age limit and education requirement for creative thinking.

**Ms. Vidya** explained the importance of innovations. She emphasized more on the impact of the crisis on entrepreneurship. She told how pandemics have advanced the health caresystems, how wars have fuelled the technological innovations, and how the global financial crisis has helped advanced tech companies. Also, she mentioned that how businesses play a key role both in helping society and in creating innovations that shape society after a crisis.
