Like previous academic years, this year also ACME events were conducted in three phases helped to inculcate Communications skills and Team Leadership Skills among the students. In turn it helped organizers in improving their organizing skills. These events are conducted every year as a regular practice.

ACME helps students to strengthen their mental as well as physical capabilities. Keeping this motto in View, ACME Cricket cup was conducted. This event gained good response from students.

On the occasion of the traditional festival Sankranthi, The event sankranthi Sambaralu was conducted for the boys and girls of ECE Department. Nearly 42 teams were actively participated in this event and turned the department premises into a colorful corridor.
