

## DEPARTMENT OF ELECTRONICS AND INSTRUMENTATION ENGINEERING

### ASSOCIATION OF INSTRUMENTATION MAJORS ANNUAL REPORT (2018-19)

Association for Instrumentation Majors AIM in short, a Technical Association for overall development of students is an initiative of department of EIE. The department of EIE provides a platform to students to bring out the hidden talents through Association of Instrumentation Majors. Further a student never forgets an encouraging private word, when it is gives an opportunity to be practical and feel responsible. The department of EIE believes in Teamwork. AIM is a platform for each and every student of EIE to develop intrinsic motivation in students, move to more and more students led activities by which we can promote Team spirit.

AIM involves all our students in events like team events, quizzes and fun events. During this academic year, there were many programs conducted in various categories for all II, III & final year students.

Meeting was conducted on 01-08-2018 and the activities that are to be conducted for the academic year 2018-19 were finalized. The activities of the association Started with Inaugural Function on 08-08-2018

Statistical data regarding the number of events conducted for academic year in two phases are: `

No. of Events Conducted : 28
