Geotechnical Engineering Research Centre

Laboratory Photos

Engineering Workshop

Building Materials and Construction Technology Lab

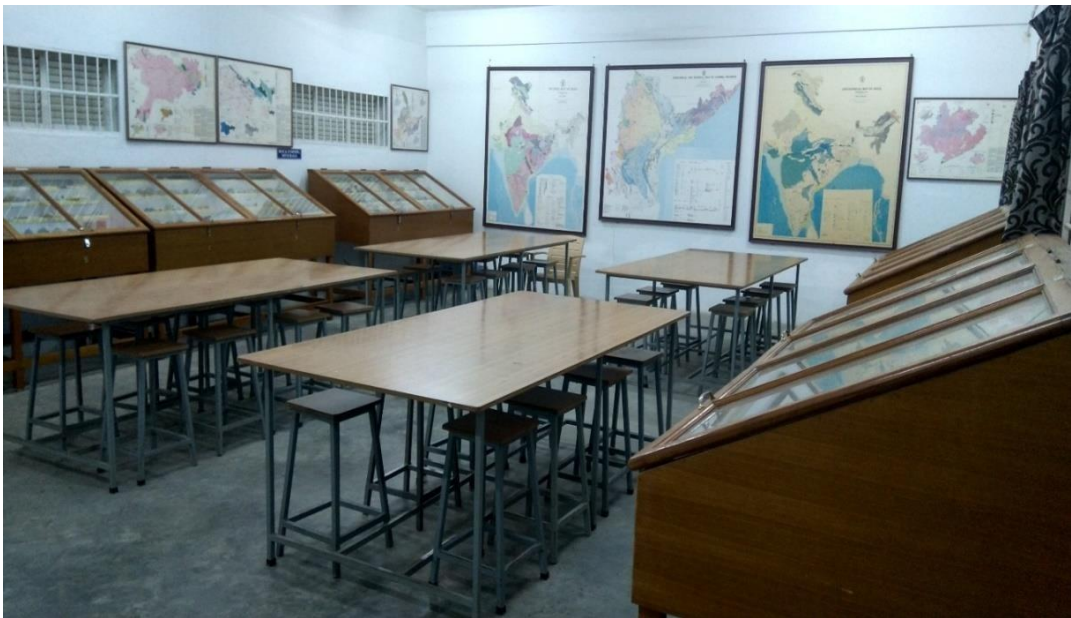

Surveying Lab

Strength of Materials Lab

Fluid Mechanics and Hydraulic Machinery Lab

Engineering Geology Lab

Geotechnical Engineering Lab

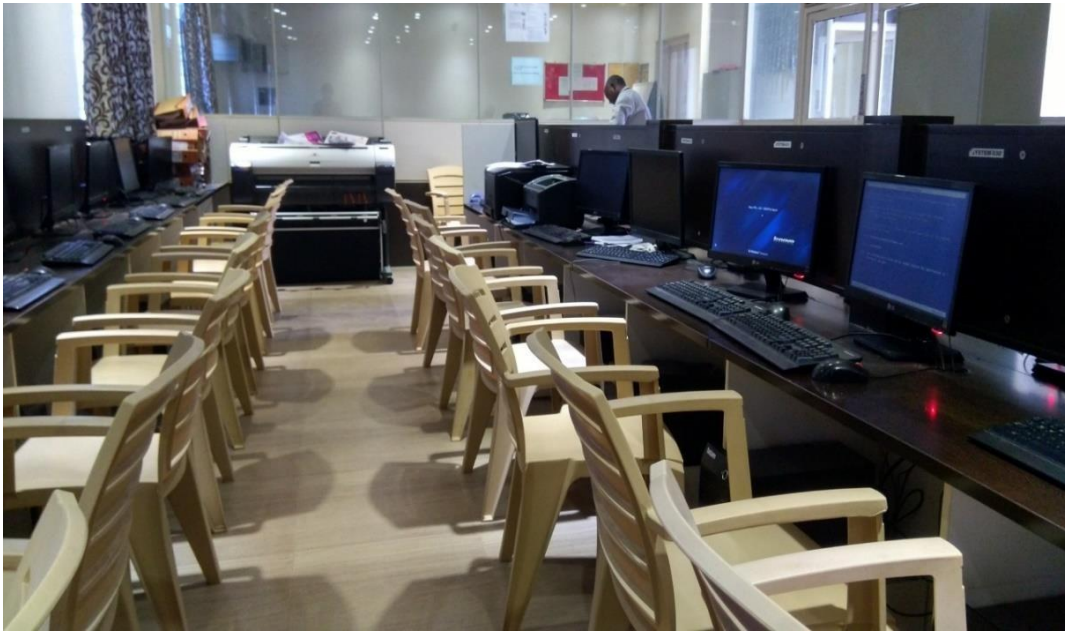

Concrete Lab

Highway Engineering Lab

Environmental Engineering Lab

CAD Lab

GIS Lab

Community Activity

*Outreach Program on
"SAVE THE MOTHER EARTH BY AVOIDING SOIL POLLUTION"*

A Group Photo of Faculty Advisor, Coordinator and Office Bearers of ASCE SVEC Student Chapter at the Social Gathering at Divyaramam Park, Tirupati

Outreach Activity – An Awareness Program on "Rainwater Harvesting"

Outreach Activity - An Awareness Program on "Role of Civil Engineering in Societal Development" at Govt. Junior college (Girls), Chandragiri

Co-Curricular & Extra-Curricular Activities

A Field Visit to the Construction Site of College Hostel Building at Sree Vidyanikethan Engineering College Campus

IACE Activity- Just aMinute

IACE Activity- Poster Presentation

IACE Activity - Rangoli

IACE Activity- Techno Marketing

*A Field Visit to Construction Sites of Indoor Stadium and Hostel Building
at Sree Vidyanikethan Engineering College Campus*

A Field Visit to Kalyani Dam at A. Rangampet

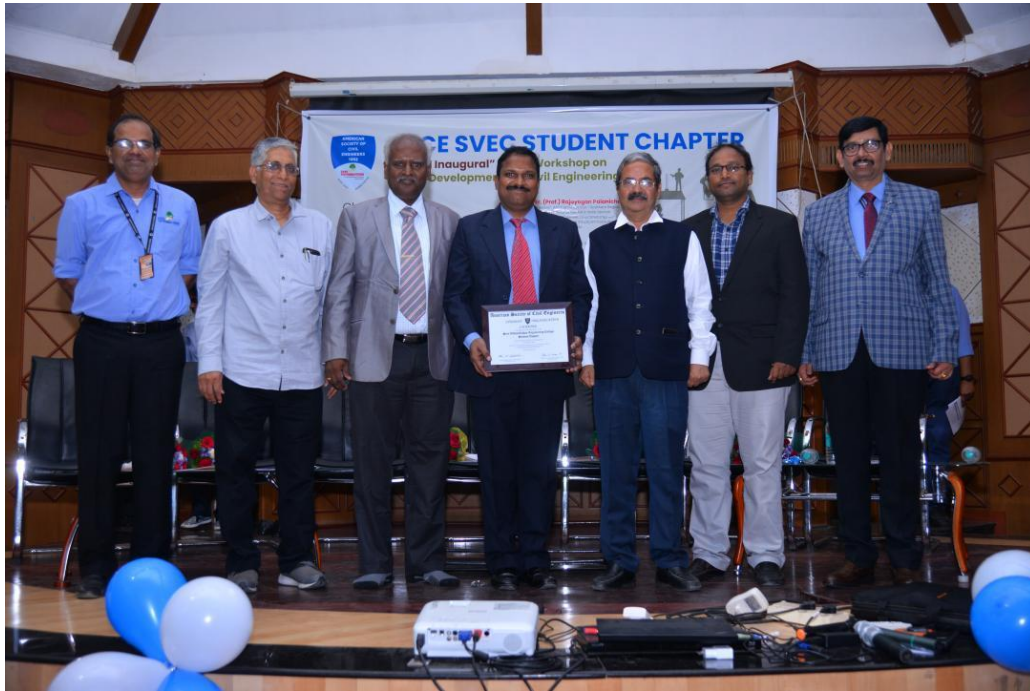

*A Field Visit to the Construction Site of
New Academic Block G+8 Floors, SVEC Campus*

ASCE Activity- Technical Quiz

ASCE Activity- Poster Presentation

*Group Photo with Governor, Region 10 – ASCE;
President, ASCE India Section – Southern Region; and
Practitioner Advisors of ASCE SVEC Student Chapter*

*A group photo of Office Bearers and Faculty Advisor, ASCE SVEC Student with
Dr. Kancheepuram N. Gunalan, International President – ASCE, USA*

A Group Photo of All Participants with Chief Guest and other Dignitaries in ASCE Leadership Training Programme

A Group Photo at ASCE Indian Region Student Conference 2020 with Er. Rajayogan Palanichamy, President, ASCE India Section – Southern Region

*A Group Photo of Surveying Competition – Runners
at ASCE Indian Region Student Conference 2020*

*A Group Photo with Dr. M. Mohan Babu, Chairman, SVET
For Surveying Competition – Runners at ASCE Indian Region Student Conference 2020*

Field Visit to Narasingapuram Railway Over Bridge (RoB) Construction Site conducted by IGS SVEC Student Chapter

Experts Interaction / Knowledge Transfer Sessions

Dr. Manmohan R. Kalgai, Technical Advisor, Ultratech Cement Limited, Bangalore observing the Constitution of India at Central Library, SVEC

Dr. Manmohan R. Kalgai, Technical Advisor, Ultratech Cement Limited, Bangalore experiencing the Art Gallery at Central Library, SVEC

Dr. C.V.R. Murthy, Director, IIT Jodhpur, interacting with the Faculty, Department of Civil Engineering

Dr. C.V.R. Murthy, Director, IIT Jodhpur, delivering a Lecture on Earthquake Resistant Buildings

Dr. BijiliBalakrishnan, Assistant Professor, IIT Tirupathi, delivering a Lecture on Tree to Reinforced Concrete Houses

Mr. A.T. Samuel, Director, STUP Consultants, delivering a Lecture on "History and Development of Concrete"

Dr. Manmohan R. Kalgai, Technical Advisor, Ultratech Cement Limited, Bangalore observing the Triaxial Equipment at Geotechnical Engineering Lab

Mr. Pasupula Suresh K Gupta, delivering a Guest Lecture on "Geo-technical Engineering – Case Studies"

Dr. K. Rama Raju, Chief Scientist and Head, Vibration Control Group, Structural Engineering Research Centre, Chennai delivering a Guest lecture on "Seismic Rehabilitation structures"

Dr. Hemadri Prasad Raju interacting to Students in the Lecture on "Pre-Requirement for Acceptance of Valuation Assignment"

Dr. Krishna R. Reddy, Director, Geotechnical & Geoenvironmental Engineering Laboratory, Department of Civil & Materials Engineering, University of Illinois, Chicago, USA visiting Central Library

Dr. Krishna R. Reddy interacting with the Faculty Members at Dasari Auditorium

Dr. Krishna R. Reddy delivering the Distinguished Lecture on "Sustainable Engineering - Challenges and Applications" with a Prelude on "Tomorrow's Professor - A Talent Mix of Teaching, Innovation and Networking"

Dr. G. L. Siva Kumar Babu, Professor, Geotechnical Engineering Division, Department of Civil Engineering, Indian Institute of Science, Bangalore; Governor, Region 10 – ASCE; and President, Indian Geotechnical Society, New Delhi delivering an Expert Lecture on "Best Practices in Civil Engineering"
