

## Greenery

The institute maintains its campus with clean air, water and greenery by following green and sustainable practices.

- The entire campus is well maintained with a rich collection of trees and plants that make the environment carbon dioxide free and to maintain inmate's good health.
- The campus is enriched with greenery of 40% of total area which includes landscapes with grass, bushes, trees and ornamental trees by maintaining biodiversity.
- The landscaping is made brilliantly to bring aesthetic sense and ambience to the campus.
- Weather monitoring station is installed to remotely measure and monitor wide range of weather data viz. temperature, rainfall, wind speed, wind direction, relative humidity and atmospheric pressure.
- Campus has Sprinkler Irrigation system for better water infiltration in soil and also to avoid water losses.
- Education on Environment and Sustainability is part of the contemporary curriculum to create awareness among students on environment and sustainability.
- Institute has participated in AICTE Clean Campus Awards 2017, AP Green Awards 2017 and participating in Swachh Campus Rankings of Higher Educational Institutions 2018.
- Institute conducts green audit annually to enhance green practices.
- Institute conducts energy audit annually to improve energy conservation.
