

12th April 2018

Intellectual Association of Civil Engineers (IACE)
Annual Report: 2017-18

Intellectual Association of Civil Engineers (IACE) was started in the year 2011, a platform where the students are given opportunities to test their knowledge, skills and creativity through various co-curricular and extra-curricular activities. IACE aims at improving the interpersonal skills of students such as the ability to present themselves, their ideas, creativity, leadership, ability to work in a group with sportsmanship and being assertive.

The list of activities conducted under IACE and the number of students participated are as follows:

Sl. No.	Name of the Event	Date of Event	No. of Participants
1	Technical Quiz	22.09.2017	66
2	Just a Minute	06.10.2017	25
3	Building Plan on the Spot	06.10.2017	19
4	Essay Writing	13.10.2017	22
5	Thematic Apperception	13.10.2017	26
6	Concept Building	17.02.2018	67
7	Logo Quiz	17.02.2018	52
8	Group Discussion	29.03.2018	52
9	AutoCAD	29.03.2018	12

In the events like Technical Quiz and Essay Writing, the knowledge of the students was tested. Just a minute helped in improving the students' communication skills, their ability to think off the feat, idea generation, prioritization, sequencing of ideas and their capacity to connect with the panel. Thematic apperception tested how the students perceive the pictures based on the ideas they already possess. Building Plan on the spot helped in developing creativity and spatial intelligence. Students actively took part in Group Discussion and displayed their ability to develop better perspective on the current issues by bringing out diverse viewpoints. The participants learned the necessity to understand the ideas and thoughts of other participants and to give conclusion based on group's goal and objective making them as good team members and team leaders. Overall, IACE helped in making the students to expand their comfort zone and explore the connecting dots of excellence to become professionally ready for the outside world.

The photographs of the sessions during valedictory function of IACE are as follows:

Dr. D.V.S Bhagavanulu, Director, Sree Vidyanikethan Engineering College, lighting the Lamp.
