

Indian Institution of Production Engineers (IIPE)

MEMBERSHIP CATEGORIES

Indian Institution of Production Engineers (IIPE) offers five types of membership apart from Life Membership. The basic requirements for IIPE membership are as follows:

FELLOW:

- Should be not under thirty-five years of age
- Must have been engaged for a sufficient period in an important position of responsibility in production engineering or teaching in production engineering subjects as a senior member of an Engineering College or Institute of degree or post graduate level
- Must have passed the Membership examination of the Institution as prescribed by the Governing Body or possess any other qualifications exempting from the above examinations as may be approved by the Governing Body as satisfying the requirement of the examination regulation.

MEMBER:

- Should be persons not under twenty-five years of age.
- Must have, for not less than four years, engaged in the practice of Engineering and have for a sufficient period, held a position of responsibility in Production Engineering or engaged in the teaching of engineering upto standards recognised by the Governing Body.
- Must have passed examinations as may from time to time be approved by the Governing Body.

Note: Members may, on attaining the necessary age, qualification and experience, make application to be transferred to the grade of Fellow.

ASSOCIATE MEMBER:

- Should be persons not under twenty-one years of age.
- Have received adequate practical training and are engaged in production engineering.
- And have passed such examinations as may be prescribed by the Governing Body's examination regulation for the time being.

Note: Associate Member on attaining the age of twenty-five years and have such other qualifications as may be prescribed by the Governing Body, may apply for transfer to higher grades of membership.

STUDENT MEMBER:

- Should be persons not under sixteen years of age.
- A pupil of an Engineering Institution leading to an educational qualification recognised by the Governing Body. OR

- Possess an educational qualification recognised by the Governing Body as exempting therefrom and are following a form of practical training and technical education in engineering.

ORGANISATIONAL MEMBER

Manufacturing industries, manufacturing services companies, engineering educational institutions, and research establishments can join IPE as **ORGANISATIONAL MEMBERS**.

Two levels of membership are available for organizations – depending on the type and size of operations; and they have to nominate their executives (annually) who will represent the organization.

LIFE FELLOW / LIFE MEMBER.

Life memberships are available for manufacturing professionals of age above 35 years and having a minimum of 5 years of experience on payment of one-time fees. The actual fees will depend upon the age and experience of the prospective member, subject to scrutiny by the membership committee. For specific details mail us at info@iipeonline.org with all particulars about you filled in the application form.

How Can You Join?

To join we need a completed application and membership dues for the first year. Please contact us for more information and a copy of the application.

You may also click on "Application Form" link below this information. Take a print-out of the relevant form, and send us the completed form with a DD favouring "Indian Institution of Production Engineers" payable at Bangalore.
