Literacy and Hygiene - Medical Camp by *Army Green*

Sree Vidyanikethan Educational Trust under *Dr.Mohan Babu Rural Health Scheme* in association with 'Army Green' organised a Medical Camp on 5th December 2014 under the stewardship of Mr. Vishnu Manchu, Chief Executive Officer, SVET with the aim to promote health care, sanitation and education to the poor and deserving people of villages in Chandragiri Mandal.

A set of doctors examined and treated nearly 650 people of villages such as Ramireddy Palli, Kuchivari Palli, Nagaiahgari Palli and a few more villages nearby. Free medicines were supplied to the people suffering from Anemia, Arthritis, Diabetes, Eye infections, Hyper Tension, Malaria, and skin diseases.

Mr. Vishnu Manchu, CEO, SVET explaining the objectives of Army Green

On this occasion, Mr. Vishnu Manchu interacted with the school teachers of the villages and explained the objectives of the service cell *Army Green*. He also planted a sapling to raise awareness of clean and green among the people. The students of Sree Vidyanikethan and National Service Scheme Volunteers participated in the event and made it successful.
