

Department: CIVIL ENGINEERING | Date: 11<sup>th</sup> December 2018

### Expert Lecture on “Geosynthetics in Pavement Design”

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Expert Lecture on “**Geosynthetics in Pavement Design**” on 11<sup>th</sup> December 2018 from 11:00 A.M to 01:00 P.M. for the benefit all Civil Engineering students.

The Speaker is an eminent person from the Industry: **Mr. K. Dheeraj Kumar Reddy**, Senior Manager, Techfab India Industries Ltd., Hyderabad.

A total of 350 students and 18 faculty members from Department of Civil Engineering participated in the event. Dr. O. Eswara Reddy, Professor, HoD and BOS Chairman, Department of Civil Engineering, SVEC graced the occasion. On the whole, the event was proved successful.

Mr. K. Dheeraj Kumar Reddy explained the importance, principles and applications of Geosynthetics in Pavement Design in practical aspects and the design challenges in a project. In addition, a good interaction took place between the speaker and participants. He visited different labs of Civil Engineering and appreciated. Further, the Civil Engineering Department had an opportunity to explore the possibilities of Signing Memorandum of Understanding (MoU) with the Techfab India Industries Ltd., Hyderabad.

The photographs of the program are as follows.

***Felicitation to Mr. K Dheeraj Kumar Reddy, Senior Manager,  
Techfab India Industries Ltd., Hyderabad.***
