Group Discussion on the eve of "International Women's Day"

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Group Discussion on the eve of "International Women's Day" under Intellectual Association of Civil Engineers (IACE) on 11th March 2019 for the benefit of all Civil Engineering Girl students. This program will be helpful for students to develop the oratory skills, interpersonal skills and leadership skills.

A total 32 students from II and III B.Tech. II Semester CE has participated in the event. The students participated in the event are with zeal and enthusiasm throughout the event. Group Discussion went on the topic "Women Empowerment". Dr. O. Eswara Reddy, Convener & Mr. M. Gokulnath, Coordinator together judged the teams on different criteria such as knowledge on the given topic, communication skills, attitude, interpersonal skills and body language.

The photographs of the program are as follows.
