#### **Just a Minute (JAM)**

**25<sup>th</sup> February 2019**

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a competition on Just A Minute under Intellectual Association of Civil Engineers (IACE) on 25<sup>th</sup> February 2019. The objective of the program is to make the students able to think and speak on the spot.

A total of 16 students from II. And III. B.Tech. Civil Engineering II Semester has participated in the event. Various topics such as 'Share the best words of wisdom which you have experienced in your life and share how it helped to change your life story', 'What is that one thing you want to rewind and change your life?', 'How an individual can change the society?', 'Role of youth in Environmental Problems', 'Wisdom lies in applying knowledge' were chosen for the competition which focuses on enabling the students to understand their role in society and few of the topics given were motivational. Students has to pick from the lot and were given one minute to think about the topic and structure their oral presentation. After one-minute students have to speak on the topic selected. Mr. M. Gokulnath, Coordinator-IACE, Assistant Professor, Department of Civil Engineering judged the students on their structure of speck, relevance of the content to the topic, communication skills and out of box thinking

On the whole, the event has proved successful and the prize winners were decided purely based on judgment. The event has enabled students to think on the spot, relate their knowledge and experience to the topic provided, structure them and express it.
