

Department of Civil Engineering

An Expert Lecture in the Field of Geotechnical Engineering

“Landslide Hazard Assessment and Monitoring in Kalimpong, Darjeeling, Himalayas, India”

By

Dr. Neelima Satyam

Associate Professor, Department of Civil Engineering, IIT Indore, Indore.

on 17th December, 2018

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized an Expert Lecture for Civil Engineering students on 17 December 2018 from 11:00 a.m to 1:00 p.m. The objective of the programme is to bring eminent academicians on to the campus to share their knowledge and experience with the students in the field of civil engineering. This programme is helpful for the students to understand the problems related to Landslide hazard and to bring awareness on how that can be monitored using the latest technological advancements.

The resource person **Dr. Neelima Satyam Associate Professor, Geotechnical Engineering Division, Department of Civil Engineering, Indian Institute of Technology Indore, Indore** is an eminent personality from the Academia. Recently, she has been elected as an Executive Member, Indian Geotechnical Society for the term 2019-2020.

Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, SVEC; Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engineering graced the occasion. 105 students from IV B.Tech. Civil Engineering and 24 members of faculty from the host institution participated in the programme.

On the whole, the event was proved successful. Expert Lecture is a way of enriching our students with the latest developments in civil engineering by an eminent academician within and beyond curriculum. Students got inspired by the speaker and got enriched with knowledge on Landslide Hazard Assessment and Monitoring. In addition, a good interaction took place between the speaker and the participants. Further, the Civil Engineering Department had an opportunity to explore the possibilities of collaboration with the speaker with respect to internships and research projects.

Greeting the Expert: Dr. Neelima Satyam, Associate Professor, IIT Indore by Ms. K. Pranaya, IV B.Tech. CE
