

Expert Lecture on

“Opportunities in Civil and Infrastructure Engineering”

By

***Prof. K. N. Satyanarayana, Director,
IIT Tirupati***

20th December 2018

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized an Expert Lecture for Civil Engineering Students of SVEC on 20 December 2018. The objective of the programme is to bring eminent academicians on to the campus to share their knowledge and experiences with the students in the field of civil engineering and also to give an exposure of various opportunities available for their career after graduating successfully in Civil Engineering. The resource person was an eminent personality from the Academia, **Prof. K. N. Satyanarayana, Director, IIT Tirupati.**

A total of 115 Students from IV B.Tech II Semester and 24 Members of faculty of Civil Engineering Department from the host institution participated in Expert Lecture session on **“Opportunities in Civil and Infra Structure Engineering”**. Dr. O. Eswara Reddy, Professor and BoS Chairman, Department of Civil Engineering and Convener of the event; Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engineering, Mr. M. P. Charan Sai, Assistant Professor and Coordinator of the event graced the occasion. During the session, expert has shared his rich knowledge in the field of civil engineering with all the participants emphasizing the liberty of a civil engineer to enhance their career as academic researchers or entrepreneurs. He reinstated the need of working on engineering problems with interdisciplinary approach. In addition, Prof. Satyanaryana interacted with the students of civil engineering and gave suggestions on their academic and career frontiers.

On the whole, the lecture was successful and useful. The students were inspired and enriched with the latest research developments within and beyond curriculum in civil engineering by an eminent academician. Further, they were provided a chance to meet and interact with him.

The photographs of the session of the programme are as follows.
