Paper Presentation on “Civil Engineering Solutions for Environmental and Societal Problems”

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Paper Presentation Competition on “Civil Engineering Solutions for Environmental and Societal Problems” under Intellectual Association of Civil Engineers (IACE) on 2nd March 2019. The objective of the program is to motivate and nurture the paper presentation skills and impart sense of sustainability in civil engineering construction.

A total 20 students from II & III B.Tech. Civil Engineering II Semester has participated in the event. The students participated in the event were in zeal and enthusiasm throughout the event. The competition was conducted at Civil Engineering Seminar Hall from 2.30 pm to 4.45 pm. Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, SVEC; Dr. D. Sreenivasulu, Head of the Department and Convener-IACE; Dr. P. Ramesh, Associate Professor; Dr. Hemadri Prasad Raju, Associate Professor; Dr. M.V. Subba Reddy, Assistant Professor; Mr. M. Gokulnath, Assistant Professor and Coordinator-IACE were together and judged the teams on different criteria such as knowledge, presentation and content.

On the whole, the event has proved successful. The prize winners were decided purely based on judgement. All other students of II & III B.Tech were allowed to visit all paper presentations. Further, it is believed that this event has ignited the young minds to learn and participate and to participate and learn.

The photographs of the program are as follows.
