### Seminar Presentation Competition on

### "Solid Waste Management"

**July 31, 2018**

The ASCE SVEC Student Chapter, Department of Civil Engineering, Sree Vidyanikethan Engineering College (SVEC) has organized a **Seminar Presentation Competition** on **"Solid Waste Management"** on July 31, 2018. The objective of the program is to motivate and nurture the seminar presentation skills and impart knowledge on different methods of Solid Waste Management and Government Policies and Regulations.

Civil Engineering II, III and IV B.Tech I Semester students totally 25 (11 individuals and 7 teams of each 2) had participated in the event. The whole event was conducted with great zeal and enthusiasm. The competition was conducted at Civil Engineering Seminar Hall from 11:00 am to 4:30 pm due to a greater number of students enrolment and presentation though it was planned from 2.30 to 4.30pm.

Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, SVEC, and Faculty Advisor-ASCE SVEC Student Chapter; Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engg.; Dr. Hemadri Prasad Raju, Associate Professor and Coordinator of this seminar presentation under ASCE - SVEC student chapter were together judged the teams on different criteria such as knowledge, presentation, demonstration, creativity and content. Mr.

B. Sudhakar and Mr. K. Sandeep Kumar have chaired the sessions and Office barriers of ASCE SVEC Student Chapter were the organizers of this programme.

On the whole, the event was conducted successfully. The prize winners were decided purely based on performance in their presentations. The first prize to Ms. K. Pranaya and Ms. M. Pushpanjali of IV-A, B. Tech. and second prize to D. Pragathi of III-A, B.Tech were awarded. Participation certificates were distributed to all the participants. Some other students of II, III and IVB.Tech were the audience of the seminar. The students were enriched with knowledge on latest technologies used in the solid waste management and also different latest technologies adopted for the same. Further, it is believed that this event has ignited the young minds to learn and participate in the various competitions such as quizzes, poster and oral presentations.
