DEPARTMENT OF CIVIL ENGINEERING

A Six Day Workshop on “Total Station Survey” 20th – 25th January 2020.

The Department of **Civil Engineering** and Department of **Placement and Training** of Sree Vidyanikethan Engineering College has organized a six day workshop for II B.Tech. II Semester, A Section Civil Engineering Students of SVEC during **20th – 25th January 2020** in association with **Lawrence and Mayo (India) Private Ltd, Hyderabad**. The objective of the workshop is to bring eminent industry experts to the campus to share their knowledge, experiences and train the students in the field of Total Station Survey and also to give an exposé of various opportunities available for their career after graduating successfully in Civil Engineering. The resource persons were engineering experts from the industry of Lawrence and Mayo Private Ltd. Hyderabad. **Mr.T. Vamsidhar**, Service Engineer and **Mr. R. Apparao**, Service Engineer, **Lawrence and Mayo Private Ltd, Hyderabad**.

A total of **68 Students** from II B.Tech II Semester A-Section Civil Engineering and **2 faculty** members from the host institution participated in six day workshop on “**Total Station Survey**”. **Prof. O. Eswara Reddy**, Head and BOS Chairman, Department of Civil Engineering, **Mr. M. P. Charan Sai**, Assistant Professor and Coordinator of the event graced the workshop. During the workshop sessions, experts shared their rich knowledge in concern of Total Station Survey with all the participants emphasizing on various topics related to total stations. In addition, students are given numbers of practice sessions for effective practical learning experience.

On the whole, the event has proved successful. Workshop is a way of enriching our students with the latest developments in civil engineering by eminent industry experts within and beyond curriculum. The students will be enriched with knowledge on latest research developments in the field of civil engineering.
