

**DEPARTMENT OF COMPUTER SCIENCE AND SYSTEMS ENGINEERING**

**An Expert Lecture on**

**“Orientation for Competitive Programming”**

The Department of Computer Science and Systems Engineering organized an Expert Lecture on **“Necessity of Promoting the Competitive Programming Culture in Indian Colleges and its Significance”** under TEQIP-II on 22<sup>nd</sup> January, 2015. The resource person was Mr. Anup Kalbalia, Tech Lead, Directi, Mumbai. The programme is conducted for II B.Tech CSE, IT & CSSE students.

Mr. Anup Kalbalia discussed on the current competitive programming contests around the world and how students must be prepared for those contests and motivated the students to participate in them. He also elicited the importance of Scripting Languages like JavaScript, PHP, bash and Python. In the second session, he conducted a hands-on workshop and made them work on few problems in codechef.com.

Around 100 students benefited in this SDP and gained knowledge on Competitive Programming and working environments like hackerearth, hackerrank and codechef.

*Mr. Anup Kalbalia* facilitating the students on necessity of the competitive programming culture

*Students keenly listening to his lecture*
