DEPARTMENT OF COMPUTER SCIENCE AND SYSTEMS ENGINEERING

A Workshop
On
"Foundations of Networking with Switches"

The Department of Computer Science and Systems Engineering organized a workshop on "**Foundations of Networking with Switches**", 21-23, March 2018.
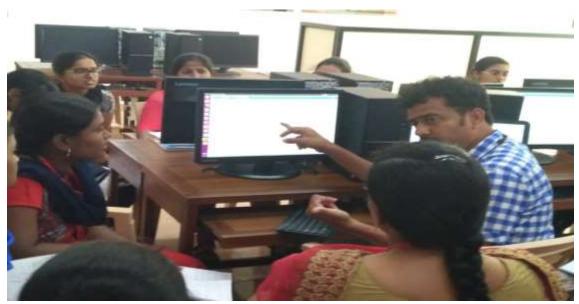

The target group for this workshop is II and III B.Tech CSSE students.

Mr. Shankar, detailing about the foundations of Networking

Hands on Session

Mr. Shankar, explaining the concept to students

      Mr. Shankar, CCNA Certified Engineer taught the students about the basics of networking concepts. He has explained about the various networking devices (Hub, Repeater, Bridge, Switch, Router, Gateways and Brouter). Through this workshop, the students gained knowledge on python and its programming which are useful for them.
