As part of this, a 35-member Special Weapons and Tactics (SWAT) team and Octopus commandos carried out a mock drill on room intervention, unarmed combat and hostage rescue

Participation of Sree Vidyanikethan Engineering College:

As a part of this event, Sree Vidyanikethan Engineering College students have been asked to participate and our college NSS students and NCC students along with their coordinators have participated, visited all the stalls which have made to create awareness over the entire meet and attended to the events inaugurated for the students.

Our college students have participated actively in Knowledge orientation programmes i.e., Cyber Crime Awareness and Woman safety sessions. Mr. Palaraj, IPS, DIG, TS has delivered key note address in Women safety session on AP Police technological outreach in controlling crime against women. An excellent content with realistic view of the present scenario against women and cyber crime has delivered with some motivational traits to the students.

In continuation to this session, an expert speaker Smt. Deepika, IAS, Special officer DISHA has conducted mock Quiz on the topics 'women safety and cyber crime'. Sree Vidyanikethan Engineering College students have participated in quiz and answered most of the questions. As a result of this, our students got appreciation on the dais and bagged many gift hampers for their correct answers.

AP police department has given a grand valediction to all the participants in police meet and served them with sweet boxes. Overall, it's an excellent program, which is a very useful one for the current condition of living to all the human being irrespective of gender.
