

Department: CSE | Date: 08th to 09th, January 2021

A Two-Day APSSDC Workshop on "Source Code Management using Git and Github"

by APSSDC, Govt. of Andhra Pradesh

A Two-Day Workshop on "Source Code Management using Git and Github" was organized by department of CSE during January 08th and 09th, 2021. A total of 50 II-B.Tech CSE participants registered and attended for the program. Dr. M. Sakthivel, Associate Professor and Ms. K. Ghanya, Assistant Professor, Department of Computer Science and Engineering organized this workshop.

On the first day (08-01-2021) of the program Mr. Mastan Ali, APSSDC briefed about "Introduction to Source Code Management and Git Basics" in morning session. The Afternoon sessions were delivered by Mr. Sathish, APSSDC on "fundamental concepts of Remote and Markdown Syntax in Git" in first session. The Second session was Hands-On Practice where the Students Practiced on creating an account, creating a repository, adding styles, images and lists on Github.

On the second day (09-01-2021) Mr. Mastan Ali, APSSDC discussed on "How to use Git branching, creating a branch, switching and merging new branches and pull requests" in morning session. The afternoon session was Hands-On Practice where the Students practiced on Github pages such as creation of portfolio site, creating Github pages using Markdown for repositories and technical documentation.

Outcomes:

- Students gained Knowledge on basic concepts in Git and Github.

Students acquired skills to create repositories, portfolio sites, Github pages using Git and Github. Overall, the event was successful.
