## **Minutes:**

### **1. Action Taken Report on minutes of BOS meeting on 23<sup>rd</sup> April 2016**

The Chairman BOS appraised the members the action taken on the minutes/ resolutions of BOS meeting held on 23<sup>rd</sup> April 2016. After deliberations the members ratified the report and the same is placed at Annexure – I.

### **2. Report on implementation of Autonomy**

The Chairman BOS presented a report on implementation of autonomy pertaining to SVEC14 regulations for II years and SVEC16 regulations and course structure & syllabi for I years to the members. The report is accepted after discussions and the same is placed at Annexure-II.

### **3. Academic Calendars**

The Chairman BOS presented the members the academic calendars for II M. Tech. classes for the academic year 2017-'18. After deliberations and discussions the calendars are approved and the same are placed at Annexure-III. As the admission dates are not finalized for I M. Tech. classes during the academic year 2017-'18, it is resolved to authorize the Chairman BOS to prepare academic calendar for I M. Tech. and to submit to the Chairman (Academic Council) for approval.

### **4. Vision & Mission of the Dept., PEOs, POs & PSOs**

The Chairman BOS has appraised the members the Vision & Mission of the dept. and PEOs, POs & PSOs which were already approved in the last BoS meeting, for continuity.

### **5. Teaching, Learning and Evaluation**

The Chairman BOS presented the teaching, learning and evaluation practices followed in the department. The members of BOS have appreciated the good practices followed by the department in the conduct of diagnostic and formative tests and remedial classes and suggested to continue the same. They suggested that the faculty members to prepare well in advance, spend half-an-hour more on the topic(s) to be taught before going to the class, explain applications first, make classroom teaching more interactive with practical examples and illustrations. Faculty members should do all experiments in a lab course with measurements before starting of the semester so that they can properly guide the students and verify their results. They also suggested to give couple of open-ended questions to the students at the end of each class and to verify the answers in the next class. They further suggested to prepare scheme of evaluation at the time of setting question paper itself so that the faculty members will have full clarity on question paper and proper valuation of the answer script is ensured. The Chairman BoS assured the members that the efforts in this direction will be intensified.

### **6. Research Activities**

The Chairman BOS has briefed the members about the research initiatives, such as thrust areas of research, research clusters and technical talks and research project sanctioned and submitted. The Chairman BoS highlighted increase in number of projects sanctioned and applied during the present academic year. The chairman also appraised the members that the renowned researchers namely Dr. Prahlada, Dr. Lazar Mathew and Dr. Madhusudan V Atre keep visiting the campus for guiding the faculty members in

research activities. The members have appreciated the efforts of the college in providing such expert guidance. They suggested that the faculty members should keep submitting the research proposals till they are sanctioned, even if it takes long time.

#### **7. Faculty Development Activities**

The Chairman BOS has presented the members information on the research publications/ presentations by the faculty, books published, faculty incentives, qualification up-gradation, FDPs attended, FDPs organized, and student feedback on faculty. The members have appreciated the efforts of the department and suggested to continue the same. They suggested to give pedagogical training to the junior faculty members at least. The Chairman BoS assured the members that the efforts in this direction will be intensified.

#### **8. Staff Development Activities**

The Chairman BOS has presented the members the staff development programs organized and attended. The members have appreciated the efforts of the department and suggested to continue the same.

#### **9. Students Development Activities**

The members perused and noted the information provided on Gold medals, Guest and Expert Lectures organized, Add-on courses conducted, Student paper publications, Prizes won in Co-curricular and extra-curricular activities. The members have appreciated the student centric activities of the department and suggested to continue the same. They suggested to develop the students in a way that they take failures as stepping stones for success. The Chairman BoS assured the members that the efforts in this direction will be intensified.

#### **10. Student Support Systems**

The members noted the information on good practices such as Counseling Mechanism, CPRS, Training Activities by the Companies, Campus Selections, Companies visited for placement, Entrepreneurship Activities, and IIIC activities followed for all round growth and development of students. The BOS members have appreciated the proactive approach of the college in organizing the above activities for increasing the employability of the students and suggested to continue the same. They suggested wide-based counseling covering academic and personal aspects. The Chairman BoS assured the members that the efforts in this direction will be intensified.

#### **11. Extension Activities**

The members have perused, noted and appreciated the efforts of department/ college in organizing professional, technical and community development activities. The BOS members have suggested to continue the same. They suggested to encourage students to participate in more number of community activities so that they get integrated with society.
