

Department: CIVIL ENGINEERING | Date: 26th Februaury 2020

Collaboration with Other Student Organizations:

"ASCE Leadership Training Programme"

in association with American Society of Civil Engineers Indian Section Southern Region under ASCE SRM Institute of Science & Technology Student Chapter at SRM University, Chennai.

26st Februaury 2020

The American Society of Civil Engineers represents more than 150,000 members of the civil engineering profession in 177 countries. ASCE Student Chapters are the organizers of 18 prestigious conferences that are held in different regions every year in USA. It is for the very first time that India has been privileged to be a part of thus extravagant event to hold this **"ASCE Leadership Training Programme"** at SRM University, Chennai by ASCE-India Section Southern Region.

The programme was organized for the enrichment of the members of ASCE. The program is highlighted by the presence of the International President, ASCE, USA & other officials of ASCE, USA. **Dr. Kancheepuram N. Gunalan**, International President – ASCE, USA was the Chief Guest; The key note speakers are **Mr. Tom Smith**, Executive Director, ASCE, USA; **Dr. Elias Boutros Sayah**, Society Director, ASCE, USA.

ASCE Leadership Training Programme will facilitate the development and integration of technology into civil engineering that will improve the standard of service for the benefit of the industry and uphold the education, competence, practice and to become a successful leader in an engineering organization.

From Department of Civil Engineering of Sree Vidyanikethan Engineering College, **04 No. of Student Members** from **III B.Tech. II Semester CE** and **Faculty Advisor of ASCE SVEC Student Chapter** have participated in ASCE Leadership Training Programme on 26-02-2020 in association with American Society of Civil Engineers, Indian Section Southern Region under ASCE SRM Institute of Science & Technology Student Chapter at SRM University, Chennai.

The students and faculty have learned the latest developments in civil engineering and leadership strategies by eminent academicians and industry experts by attending this training programme.
