

Department of Electronics and Communication Engineering

1.3.4 List of Students undertaken Field Projects/Internships/Student Projects and Supporting Evidences (During 2020-21)

Program: B.Tech – Electronics and Communication Engineering

S. No.	Name of the Student	Roll number	Class and Semester	Field Project / Internship / Student project	Start and end dates	Name of the organization, and place
1.	GOOPURAPPAGARI MANJUNATHA	18125A0422	IV B.Tech II Semester	Internship, Student Project	01.03.21 to 15.06.21	IIIT D&M Kancheepuram
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
2.	KOMMU PRASAD	18125A0427	IV B.Tech II Semester	Internship, Student Project	01.03.21 to 15.06.21	IIIT D&M Kancheepuram
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
3.	YERRANAGULA PAVAN KUMAR	18125A0447	IV B.Tech II Semester	Internship, Student Project	01.03.21 to 15.06.21	IIIT D&M Kancheepuram
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
4.	SUBAHAN PANYAM	19121A04H0	II B.Tech II Semester	Internship	03.05.21 to 13.06.21	InternShala Trainings
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
5.	SAIF ALLI SHAIK	19121A04L3	II B.Tech II Semester	Internship	10.05.21 to 20.06.21	InternShala Trainings
6.	JUNJU PRANAVI	17121A04A2	IV B.Tech II Semester	Internship, Student Project	10.03.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					05.10.20 to 31.07.21	Keka Company, Hyderabad
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
7.	MIRIYALA JAYASREE	17121A04E4	IV B.Tech II Semester	Internship, Student Project	09.03.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					05.10.20 to 31.07.21	Keka Company, Hyderabad
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
8.	AMBATI SAI VARDHAN	17121A0405	IV B.Tech II Semester	Internship, Student Project	25.02.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
9.	BODAGALA VENKATA MADHU	17121A0430	IV B.Tech II Semester	Internship, Student Project	25.02.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
10.	BANDI SAI KUMAR REDDY	17121A0421	IV B.Tech II Semester	Internship, Student Project	25.02.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
11.	BALU SAI MANOJ KUMAR	17121A0416	IV B.Tech II Semester	Internship, Student Project	25.02.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
12.	Y P RAGHU	17121A04N3	IV B.Tech II Semester	Internship, Student Project	25.02.21 to 01.07.21	Cognizant Technology Solutions, Chennai
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College
13.	JAKKARAJU DEEPIKA	17121A0497	IV B.Tech II Semester	Internship, Student Project	15.02.21 to 01.07.21	Wiley mthree Internship Recruitment Program, Chennai
					08.03.21 to 01.07.21	Sree Vidyanikethan Engineering College

Junju Pranavi

B.Tech/B.E. Electronics and Communication Engineering
Sree Vidyanikethan Engineering College, Tirupati

Dear Junju,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

Cognizant

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.

We wish you good luck.

Yours sincerely,

For **Cognizant Technology Solutions India Pvt. Ltd.**,

Suresh Bethavandu

Global Head-Talent Acquisition

I accept the terms and conditions of the offer as mentioned above.

INTERNSHIP AND NON - DISCLOSURE AGREEMENT

Internship Terms and Conditions

1. Effective Date

This agreement shall be deemed effective from **October 05, 2020**.

2. Internship Duration

Your internship duration would start from **October 05, 2020** and will end by **July 31, 2021**.

3. Salary and Payments

During the internship period you will receive a stipend of **INR 15,000** per month. After successful completion of your Internship period you will be on-boarded as full-time employee and the CTC would be revised based on the Salary package mentioned in the Letter of Intent.

4. Leaves

As per the Internship leave policies, you will be eligible for sick/casual leave and special leaves (Allotted for attending Midterm or university Examinations). In case you avail additional leaves than the actual allotted, we might extend the internship duration by the numbers of excess days availed.

The first month would be considered as a probation period. If you are unable to adapt the remote work culture or unable to meet the expectations during the training period, we might discontinue the internship.

5. Work Schedule

During training & probation, you will be having a 6-day work week with typical work hours of 9:30 AM to 6:30 PM. You are expected to spend a minimum of 9 hours per day at work with at least 8 effective work hours per day.

You are eligible for holidays as per Keka holiday calendar.

6. Employment Service Agreement

After successful completion of internship duration, you will be converted as full time employee. During full-time employment, you need to sign an Employment service agreement of 1 year.

7. Asset

During the internship period you need to utilize your personal laptop or desktop. After the employment confirmation, you will be assigned with a company's Laptop or a Desktop.

Termination of Internship Agreement

The Company (Company or you) can initiate termination by giving a written notice in email with a notice period of 15 days. Either party can accelerate/reduce the notice period by compensating the other party with the pay in lieu of notice on a pro-rata basis.

The probation period is liable to be extended to a maximum of three months by the management in case your performance is not satisfactory.

Confidentiality and Non-Disclosure

9. Confidentiality and Non-Disclosure

- a) "Confidential Information" means, with respect to information disclosed by the Company to you under the terms hereof,
- i. Information received by either Party from third parties under terms of confidentiality that are no more restrictive than the terms elsewhere expressed herein, and
 - ii. Any confidential or proprietary information of the Company, whether or not marked or otherwise designated as confidential including, without limitation, information that is not generally known or readily ascertainable outside the Company regarding new products, commercial plans, finances, data, processes, designs, sketches, photographs, plans, findings, inventions, ideas, marketing, vendors, services, technology, research testing, and know-how
- b) You acknowledge and agree that:
- i. You shall hold the Confidential Information in confidence and shall not disclose such Confidential Information to any third parties.
 - ii. Upon request, you shall return all Confidential Information and all copies (whether paper or electronic or otherwise) of the Confidential Information to the Company and
 - iii. In the event if you are required to disclose any portion of the Confidential Information pursuant to a court order or other proper legal process, shall promptly notify Company in writing so that Company may take steps to protect the Confidential Information.
 - iv. Any breach of Confidentiality and Non-Disclosure terms shall be deemed to be a Material Breach.
- c) This Agreement is effective from the Effective Date and shall be in force throughout the term of the Employment and shall survive post termination of the Agreement for a term of two (2) years after such date.

10. Restraints

Passwords:

You need to access to our network or development environment using your individual passwords. For security reasons it is essential to maintain confidentiality of not sharing the passwords with others.

11. Code of Conduct

Standards are set not to restrict the rights of any individual but to protect the privileges enjoyed by many employees of the Company. Generally, the following actions are not permitted at remote workplace.

- a) Violation to show integrity and professionalism towards team.
- b) unavailability on email/call/Microsoft Teams for business all through the working hours.
- c) Setting "out of office" emails on a regular workday.
- d) Unavailability for all the regular meetings and trainings as planned.
- e) Not communicating expectations with anyone who will be home with you.
- f) Gambling while at work.
- g) Hindering or limiting normal operations or interfering with another employee's work.
- h) Neglect of duty, or unsatisfactory performance of the assigned job duties.
- i) Failure or refusal to comply with a supervisor's or responsible mentor's instructions.
- j) Discourtesy toward others (i.e., failure to work harmoniously with coworkers or serve the associates with courtesy).
- k) Consuming or not staying sober while at work.

Material Breach

Violation of any terms in this Agreement by either Party shall be deemed to be a Material Breach. Party shall inform the Party in breach of the same in writing. In case the party in breach does not rectify or cannot rectify the same, the other party shall be entitled to terminate the Agreement without any consequences.

ACKNOWLEDGEMENT

This is to certify that I have gone through and understood all the terms and conditions, all the Annexures mentioned in the Internship and Non-Disclosure Agreement. I hereby accept and agree to abide by them.

INTERNSHIP AND NON - DISCLOSURE AGREEMENT

Internship Terms and Conditions

1. Effective Date

This agreement shall be deemed effective from **October 05, 2020**.

2. Internship Duration

Your internship duration would start from **October 05, 2020** and will end by **July 31, 2021**.

3. Salary and Payments

During the internship period you will receive a stipend of **INR 15,000** per month. After successful completion of your Internship period you will be on-boarded as full-time employee and the CTC would be revised based on the Salary package mentioned in the Letter of Intent.

4. Leaves

As per the Internship leave policies, you will be eligible for sick/casual leave and special leaves (Allotted for attending Midterm or university Examinations). In case you avail additional leaves than the actual allotted, we might extend the internship duration by the numbers of excess days availed.

The first month would be considered as a probation period. If you are unable to adapt the remote work culture or unable to meet the expectations during the training period, we might discontinue the internship.

5. Work Schedule

During training & probation, you will be having a 6-day work week with typical work hours of 9:30 AM to 6:30 PM. You are expected to spend a minimum of 9 hours per day at work with at least 8 effective work hours per day.

You are eligible for holidays as per Keka holiday calendar.

6. Employment Service Agreement

After successful completion of internship duration, you will be converted as full time employee. During full-time employment, you need to sign an Employment service agreement of 1 year.

7. Asset

During the internship period you need to utilize your personal laptop or desktop. After the employment confirmation, you will be assigned with a company's Laptop or a Desktop.

Termination of Internship Agreement

The Company (Company or you) can initiate termination by giving a written notice in email with a notice period of 15 days. Either party can accelerate/reduce the notice period by compensating the other party with the pay in lieu of notice on a pro-rata basis.

The probation period is liable to be extended to a maximum of three months by the management in case your performance is not satisfactory.

Confidentiality and Non-Disclosure

9. Confidentiality and Non-Disclosure

- a) "Confidential Information" means, with respect to information disclosed by the Company to you under the terms hereof,
- Information received by either Party from third parties under terms of confidentiality that are no more restrictive than the terms elsewhere expressed herein, and
 - Any confidential or proprietary information of the Company, whether or not marked or otherwise designated as confidential including, without limitation, information that is not generally known or readily ascertainable outside the Company regarding new products, commercial plans, finances, data, processes, designs, sketches, photographs, plans, findings, inventions, ideas, marketing, vendors, services, technology, research testing, and know-how
- b) You acknowledge and agree that:
- You shall hold the Confidential Information in confidence and shall not disclose such Confidential Information to any third parties.
 - Upon request, you shall return all Confidential Information and all copies (whether paper or electronic or otherwise) of the Confidential Information to the Company and
 - In the event if you are required to disclose any portion of the Confidential Information pursuant to a court order or other proper legal process, shall promptly notify Company in writing so that Company may take steps to protect the Confidential Information.
 - Any breach of Confidentiality and Non-Disclosure terms shall be deemed to be a Material Breach.
- c) This Agreement is effective from the Effective Date and shall be in force throughout the term of the Employment and shall survive post termination of the Agreement for a term of two (2) years after such date.

10. Restraints

Passwords:

You need to access to our network or development environment using your individual passwords. For security reasons it is essential to maintain confidentiality of not sharing the passwords with others.

11. Code of Conduct

Standards are set not to restrict the rights of any individual but to protect the privileges enjoyed by many employees of the Company. Generally, the following actions are not permitted at remote workplace.

- Violation to show integrity and professionalism towards team.
- unavailability on email/call/Microsoft Teams for business all through the working hours.
- Setting "out of office" emails on a regular workday.
- Unavailability for all the regular meetings and trainings as planned.
- Not communicating expectations with anyone who will be home with you.
- Gambling while at work.
- Hindering or limiting normal operations or interfering with another employee's work.
- Neglect of duty, or unsatisfactory performance of the assigned job duties.
- Failure or refusal to comply with a supervisor's or responsible mentor's instructions.
- Discourtesy toward others (i.e., failure to work harmoniously with coworkers or serve the associates with courtesy).
- Consuming or not staying sober while at work.

Material Breach

Violation of any terms in this Agreement by either Party shall be deemed to be a Material Breach. Party shall inform the Party in breach of the same in writing. In case the party in breach does not rectify or cannot rectify the same, the other party shall be entitled to terminate the Agreement without any consequences.

ACKNOWLEDGEMENT

This is to certify that I have gone through and understood all the terms and conditions, all the Annexures mentioned in the Internship and Non-Disclosure Agreement. I hereby accept and agree to abide by them.

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a period of 3 to 6 months, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

Cognizant

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.
We wish you good luck.

Yours sincerely,

For **Cognizant Technology Solutions India Pvt. Ltd.**,

Dear Shaik,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

1. Probation:

- a. You shall be on probation for a period of Six (6) months as Trainee Support Analyst from the date of joining. The Company may, at its sole discretion, extend the period of probation for a further period.
- b. During probation, if your performance is not up to the satisfaction of the Company, the company can terminate your services with immediate effect without giving notice or can adjust the salary according to your performance.

2. Holidays and Leave:

Company observes 10 holidays in a year. In addition, employees are entitled to 18 work days of leave of absence on a full pay per year. Other terms and conditions will be applicable to you as per the prevailing Leave Policy. However, leave has to be earned first on a monthly basis before it is availed. Holidays are converted to equivalent number of leaves to Support Analyst and need to be availed as per the leave policy prevailing.

3. Business Code of Conduct:

All employees are expected to maintain the highest level of ethical conduct and are required to sign our Employment, Confidentiality, and Intellectual Property Agreement at the time of joining the company. You are bound by the non-compete clause and Intellectual Property Rights clause as per the Employment agreement. Because of the importance of this requirement, the matter is further elaborated in the subsequent paragraphs.

4. Information Security, Confidentiality and Non-disclosure

- a. Due to the proprietary nature of our products, all employees are expected to maintain the highest level of integrity and confidentiality of information, and they are required to sign the Employee Agreement (referred above) before joining and providing any services. You are required not to indulge, communicate or pass on any information related to a task assigned to you or information on any aspect of the Company to any one internal or external in any form.
- b. Employees are expected to maintain confidentiality of all the information including but not limited to information residing in mobile computing devices such as portable laptops, notebooks, other transportable computers and storage media
- c. You are required to strictly maintain the secrecy of any information regarding your remuneration and not discuss the same with employees internally
- d. All employees are responsible for maintaining information security outside the premises of organization and outside the normal working hours. Breach of confidentiality may lead to irreparable damage to the Company and the company may terminate your services immediately without notice

5. Separation Process:

- a. You may at any time terminate this agreement by giving the Company two (2) months notice in writing. Such resignation will be accepted subject to the confirmation sent by your superior/manager. You agree that in the event you want to leave the company under any

DispatchTrack

unforeseen circumstances without serving the notice period, the company may realize an amount equivalent to two month's salary in lieu of such notice period subject to Management's discretion.

- b. Company may propose to terminate your services by giving you one (1) month notice in writing or by paying salary in lieu of one-month notice period. During the notice period, you are expected to work productively.
- c. The Company shall have full right to terminate your employment immediately without notice or payment in lieu of notice if deemed necessary under disciplinary grounds or breach of code of conduct based on terms & conditions per the employee agreement.

6. Intellectual Property:

You agree that all work product you create, and any associated proprietary rights whatsoever, including but not limited to, patents, copyright and design rights as a result of the development of and/or the application of all work produced by you during or as a consequence of your employment, whether alone or in conjunction with others and whether during normal working hours or not, including but not limited to any invention, design, discovery or improvement, computer program, documentation, confidential information, copyright work or other material which you conceive, discover or create during or in consequence of this employment with the Company shall belong to the Company absolutely and you hereby assign same to the Company. Chilamakuri Santhosh Kumar Naidu
B.Tech/B.E. Electronics and Communication Engineering
Sree Vidyanikethan Engineering College, Tirupati

Dear Chilamakuri Santhosh,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion. Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.

We wish you good luck.

Yours sincerely,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

Cognizant

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.

We wish you good luck.

Yours sincerely,

For **Cognizant Technology Solutions India Pvt. Ltd.**,

Sree Vidyanikethan Engineering College, Tirupati

Dear Shaik Tanaaz,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

Cognizant

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.
We wish you good luck.

Yours sincerely,

For **Cognizant Technology Solutions India Pvt. Ltd.**,

Suresh Bethavandu
Global Head-Talent Acquisition

I accept the terms and conditions of the offer as mentioned above.
