Letter Of Intent (LOI)

Ref No: SoCT/LOI/ET

Date: 16-12-2017

Name: VISHNU VARDHAN REDDY POREDDY

College: Sree Vidyaniketan College of Engineering

Dear VISHNU VARDHAN REDDY POREDDY,

Sub: Selection as Engineer Trainee - Regarding

Based on your performance in the written test and subsequent interview conducted by VEDA IIT, a Unit of The VEDA Educational Society (hereinafter referred to as "VEDA IIT" and shall include its successors and permitted assigns), we are pleased to inform you that you have been provisionally selected by SoCtronics Technologies Pvt. Ltd., (the "Company" and includes its successors and permitted assigns) for undergoing a **Six-month Sponsored Training at VEDA IIT in Digital Engineering (Logic Design/Physical Design/Std Cell Design)**. After the successful completion of the said Sponsored Training Program with VEDA IIT, you will be offered employment as Engineer Trainee in the Company. Depending on the business requirements of the Company, the actual domain of work may change subsequently.

VEDA IIT is expected to schedule the Sponsored Training Program in **Jan/May/Jul 2018** and you may indicate your preference regarding which of these batches you wish to join on the last page of this document. Schedules given are tentative and are subject to change at the discretion of the Company and VEDA IIT.

After successful completion of the Sponsored Training Program as per the assessment criteria laid out by VEDA IIT, you will be absorbed on the rolls of the Company and during the first year of employment you will be designated as Engineer Trainee and will undergo on-the-job training. During your Employment as Engineer Trainee and thereafter, you are required to discharge your duties, conform to and comply with all the rules and regulations of the Company and shall not do or cause to be done anything against or contrary to the interests of the Company. The salary offered at any stage is to be treated as Cost to Company (CTC) implying that it includes all direct and indirect benefits applicable from time to time.

I. Joining Formalities to be completed are as follows:

- Within **3 days** of receiving the LOI, provide a confirmation of your joining the Sponsored Training in **Jan/May/Jul 2018** on a date scheduled by VEDA IIT which shall be intimated in advance and submit your consent by duly signing on all pages of this LOI in the footer column and send the same to the Company.
- Within **1 week**, provide self-attested photocopies of all your marks sheets starting from Class 10 onwards.

II. Formalities to be completed **1 Week** prior to joining the Sponsored Training program are as follows:

As stated above, the Company has selected you for the position of Engineer Trainee, which would initially involve an extensive Sponsored Training Program with VEDA IIT in **Digital Engineering (Logic Design/Physical Design/Std Cell Design)** for imparting certain basic concepts and the required level of skills, for effectively carrying out the responsibilities assigned to you. Further, the Company seeks to provide various opportunities towards skill development, training in technical know-how and other professional exposures by imparting valuable on-the-job training through qualified and experienced personnel in addition to offering excellent infrastructure and facilities, that all add to the costs incurred by the Company including its impact on the goodwill and reputation of the Company. Accordingly, in consideration of the above, by signing this LOI and other agreements, as may be required, you hereby agree to serve the Company for a minimum period of **3 years** from the date of employment as Engineer Trainee ("**Bond Period**").

In order to provide an assurance of employment during the Bond Period, you are hereby required to secure the Company by choosing one of the options below at the time of acceptance of the LOI.

You will be issued an appointment letter with a start date of your employment on the successful completion of your Sponsored Training.

The Company offers a stimulating work environment and many challenging responsibilities. We congratulate you on your success in passing through a technical selection process showing your aptitude to work in a highly technical and challenging environment in core domain. We hope you, as our prospective team member, would put the best efforts for the growth of the Company and we assure you that you would get enough opportunities to work with a technically talented and focused team that is involved in some of the cutting-edge technologies and designs serving the global customers.

You are required to return the true photocopy of this letter duly signed indicating your acceptance of the terms and conditions stated above. Acceptance of this LOI will be construed as a confirmation that you do not have any obligations arising from contract or otherwise in favor of another employer or third party, which would impose restrictions on your ability to accept employment with and carry out your company related functions and duties upon employment.

The Company reserves the rights to revise the proposed salary and benefits as per prevailing levels of pay at the time of your employment and thereafter. The amounts stated herein are only indicative and in no way a binding commitment on the Company's part.

As stated above, you are requested to consent your acceptance to this LOI within **3 Days** to the undersigned, failing which this offer of Sponsored Training program and subsequent employment as Engineer Trainee with our Company stands cancelled. On your acceptance of LOI, you are required to submit the bank guarantee, **1 Week** prior to the commencement of the Sponsored Training Program failing which you will not be considered eligible to join the best-in-class industry oriented Sponsored Training Program and subsequent employment.

During the period of her internship programme with us, she was found punctual, hardworking and inquisitive.

Harsha covered all basics in android. She has worked on a project titled "**Helping Hands**".

This project was an Android App for helping women in danger by sending danger notifications to nominated contacts.

The solutions that we intend to provide are:

- When the mobile is shaken and the acceleration of the device is greater than the threshold value , an email notification is sent to pre - nominated contacts along with her location details.
- An sms notification is sent to pre nominated contacts along with her location details seeking for help.
- The user would be able to set a secret PIN to prevent the stopping of sending notifications if the criminal snatches away the phone.

We Wish here every success in life.

RE: INTERNSHIP WITH VAIZVA TECH PRIVATE LIMITED

Dear Kavya :

It gives me great pleasure to offer you a Internship position at Vaizva Tech Private Limited (the "Company"). In addition to confirming the offer, this letter will describe the terms and conditions of your Internship.

Title: Your title will be College Intern and you will report to Mr. Madan Kannan or as otherwise directed by the Company CEO.

Duties: You will assist with software development at Vaizva for managing and developing our software applications with cutting edge technologies like SAP HANA, Big Data, Cloud Computing, IoT, Block Chain and may more!. For this position, your main objectives will be design, develop, test, and deliver highly optimized code using SAP UI5 (HTML, Java Script, CSS3, JSON, jQuery) along with Data analytics, Python, C / C++.

Effective Date: Your Internship will begin on 22-01-2018 and end on 30-07-2018.

Compensation/Part Time Employee: As you will be receiving academic credit for this position, you will not be paid. Additionally, students do not receive benefits as part of their internship program and you will not be eligible for any of the employee benefits that company employees are entitled to. Based on the proven performance you may be entitled get the stipend.

Internship Verification: Pursuant to legal aspects, this offer of Internship is conditioned on your ability to provide satisfactory proof of eligible documents from your Institute.

Confidentiality: During your Internship and (if your Internship is discontinued for any reason whatsoever) thereafter, you agree to keep strictly confidential all trade secrets and information that the Company holds proprietary or confidential. You also agree that as a condition of your Internship, you will sign, and comply with, a company-standard Employee Proprietary Information and Inventions and Non-Competition Agreement, including the related arbitration agreement. You further agree to follow the Company's strict policy that employees must not disclose, either directly or indirectly, any information, including any of the terms of this letter, regarding compensation to any person, including other employees of the Company; provided, however, that you may discuss the terms of this letter with members of your immediate family and any legal, tax or accounting specialists who provide you with individual legal, tax or accounting advice.

You understand and agree that any breach by you of the provisions in this section could cause the Company to suffer irreparable harm and no adequate remedy at law would be available in respect thereof. Accordingly, you agree that upon any such breach, the Company shall be entitled to seek equitable relief, as well as such further relief as may be granted by a court of competent jurisdiction.

Dear Ma'am,

Greeting from McGraw Hill Education!

At the outset I would like to introduce myself. I am Navneet Kumar, looking after electrical and electronics engineering segment for McGraw Hill Education (India) Pvt. Ltd.

It was nice talking to you today regarding the review of our new proposed book on "Electronic Devices & Circuits".

As discussed, I am sharing the attached review questionnaire along with the table of content and two chapters. Request you to share your feedback/suggestion in the attached format. In case this format is not capturing some of your views, please mention them at the end of the form.

I would like to thank you in advance for accepting my request to review this proposed book for us.

Please see if you can share your views at the earliest, preferably by May 25th.

In case you need any further information, please let me know.

Regards,

Navneet

I am happy to inform that Sree Vidyanikethan Engineering College was established in the year 1996 by Dr.M.Mohan Babu a renewed movie artiste and former Member of Parliament with the noble objective of promoting quality technical education. The college has been conferred Autonomy by the University Grants Commission (UGC) and accredited by National Board of Accreditation (NBA). It is one of the leading Engineering Colleges in Andhra Pradesh, India. The Department of Mechanical Engineering at Sree Vidyanikethan was started in the year 2011 with an intake of 60 students and this year with 180 students.

Students of II B.Tech (Mechanical Engineering) are interested to visit your esteemed organization to acquire sufficient knowledge on Casting process and industrial operations.

In this regard, we request you to permit our 67 students and 3 faculty members on your convenient date (**Preferably on 9th February, 2018**). I shall be highly obliged to you if you can kindly accept our request. A word of confirmation in this regard is earnestly solicited.

Dear Baseer Kamalapuram,

Recognition for your peer reviews - past and present.

IET Software wants to give you official recognition for the two peer reviews you performed for our journal in the past. Your reviews are valuable contributions to research and we have partnered with Publons to help prove that.

**Join Publons for recognition**

Publons is a free service that provides official (and automatic) recognition for your peer reviews. By joining their community of researchers you can:

- effortlessly track and showcase your peer review and editorial contributions;
- keep a record of your publications, citations, editorial memberships, and awards;
- get a downloadable record summarizing your verified contributions at a glance;
- strengthen your job and funding applications for career advancement or even tenure.

Join Publons in the next **30 days** and we'll automatically add your two peer reviews to your account, plus any others you contribute in the future. Join after 30 days and we can still add any current and future reviews you perform.

Share this tweet if you like this feature and want to encourage other journals to use it.

Thank you again for your valuable efforts and expertise in peer review.

IET Software

This is a one-time email sent on behalf of Institution of Engineering and Technology. You are receiving this email because Institution of Engineering and Technology has partnered with Publons to give you recognition for your past, present, and future efforts in peer review.

Dear Sir/Madam,

Greetings from SIETK

Our Siddharth Group of Engineering Institutions will be conducting a National Level Symposium on **17th Feb, 2018**. It would be an honor and privilege to have your presence to share your experiences and provide guidelines to the students from various institutions during the course of proceedings.

Siddharth Institute of Engineering & Technology, an emerging center of excellence established in the year 2001, is an autonomous institution affiliated with JNT university, Anantapuramu and accredited by NBA and NAAC.

We are very glad to invite you to be the Judge for the technical paper presentations and other technical events.

Your presence will therefore be very valuable to us.

Thanking you

With Regards
