Report on

National Level 3-Day workshop on "Robotics"

31/07/2020 to 02/08/2020

The department of Mechanical Engineering of SreeVidyanikethan Engineering College, A Rangampet & Institution of Engineers (India)(IEI) Jointly organized a National Level 3-Day workshop in collaboration with*SkilltoHire* on "Robotics" from 31/07/2020 to 2/08/2020 at 6.00 pm to 8.00 pm for Students, and Faculty from Approved colleges and Universities throughout the country. The total 107 participants participated in the workshop throughout the country.

In the first day students got familiar with the term Robot, how to identify whether a machine is a Robot or an autonomous bot, Robotics, Aspects of Robotics, philosophy of AI (Artificial Intelligence), Brief on Machine Learning and types of Robots. Informative videos from Boston Dynamics were shown to students.

In the next part a brief introduction to Arduino was given 1st Year students. They got familiar with various development boards of Arduino and learnt the development environment for Arduino. Working with Arduino I/ O pin was taught and functions of various embedded components were explained.

Last day simple application of Arduino like blinking LED and its coding was explained. In the last part of the session, more applications of Arduino were explained and showed. Applications included "S.O.S Morse code" using simple LED and Arduino coding; "Traffic Light Signaling" using LED and Arduino coding.
