A National Level Webinar
On
Deep Learning in Visual Recognition
(02nd July, 2020)

Department of Electrical and Electronics Engineering organized an expert lecture on A National webinar on "**DEEP LEARNING IN VISUAL RECOGNITION**" Under ISTE Student Chapter & IEEE Student Branch on 02-07-2020.

Dr. Jayakumar Singaram, is a founding member of Rinanu Semiconductor LLP, PiiTech Systems, Epigon Media Technologies. Member of Epigon Media Technologies, PiiTech Systems and GPTL.
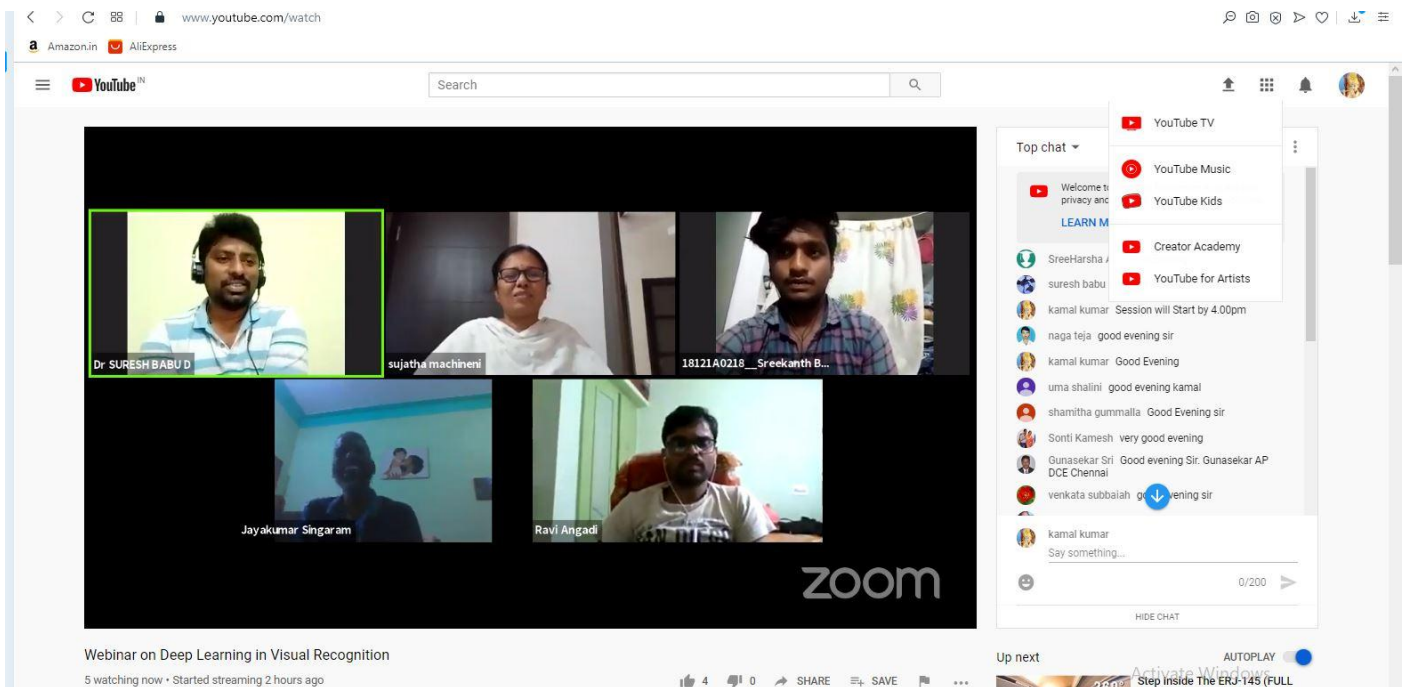

The Following activities were covered during the webinar:

1. Discuss use of Visual Recognition https://www.jkuse.com/visual-recognition

2. IBM Watson Visual Recognition (listen to story from team IBM)
