**A Sensitization programme on Placements and Higher studies**

The career guidance session from an alumnus with higher studies in abroad and an industrial experience, will certainly help students to make the right choices regarding their career. It will help them understand Industry requirements, in order to prepare well and make themselves placement ready. Through this session the students will understand the various phases of the campus recruitment process by leading companies offering challenging job profiles. Also, they will get useful guidelines for writing competitive exams, for pursuing higher studies. With this objective, A Sensitization programme on Placements and Higher studies was organized for benefit of students. The resource persons are Mr.A.Pruthvi , pursuing M.S. in Thermo fluids Cancardo University,Canada) and Mr.K. Venkatesh, Graduate Engineer trainee in Medha servo drives India pvt.ltd. The programme was conducted to create awareness among III Year students of the Mechanical department of Sree Vidyanikethan Engineering College on January 11, 2021.
