## An Industry Readiness programme on "Upcoming Core Placements"

An Industry Readiness program on "Upcoming Core Placements" was organized by the Department of Mechanical Engineering, Sree Vidyanikethan Engineering College, Tirupati, on 25<sup>th</sup> January 2021 in the Seminar Hall of Mechanical Engineering Department. Dr. Delli Babu , Dean Training and placements addressed the participants. He mentioned that a mechanical engineer has an innate potential, creative design and analytical knowledge to turn any abstruse concept into an invaluable product/process. He suggested students to work on developing creative thinking and insisted them to practice relentlessly on design packages such as CATIA, ANSIS. Also, he informed them that Mechanical engineering is an art of using innovative problem-solving techniques and applying them to the design and manufacturing of an object that helps humanity. Further he suggested improving the competitive skills to sustain in the tomorrow's world. Mr. P. Narendra, Placement officer presented the importance of core placements. He emphasized on opportunities for mechanical engineers and important skills required for a mechanical engineer. Dr.K.C. Varaprasad motivated the students on thinking strategies required by a mechanical student.
