Guest Lecture on
“How to prepare for placements and Higher Education”

Mr. D.V.Bhargav Reddy, Software developer, CTS Chennai delivered a Guest Lecture on **“How to prepare for placements and Higher Education”** held on 06.02.2021.

Targeted Group: I B. Tech students.

Mr. D.V.Bhargav Reddy explaining about placements and Higher Education

Mr. D.V.Bhargav Reddy advised to be strong in Aptitude, Reasoning and personality Traits for challenging rounds in placements. For technical he advised that Problem Solving plays major role in achieving a good placement in MNC's. Hence advised to practice more on online platforms like HackerEarth, HackerRank, Exercism, and Programmr etc

He also advised to have strong knowledge on Data structures and Databases and also referred some online resources for GRE-TOEFL to prepare for Higher Education. He advised to prepare a roadmap for future plan from first year onwards.
