A Three Day National Level Online Faculty Development Program on "Sustainable Engineering – SE"

The Department of Civil Engineering of Sree Vidyanikethan Engineering College had organized A Three Day National Level Online Faculty Development Program on **"Sustainable Engineering – SE"** during **27-29 August 2020** for the benefit of Civil Engineering Faculty, Research Scholars and Practicing Engineers.

Eminent personalities Prof. Dr. Krishna R. Reddy, Director, Geotechnical & Geoenvironmental Engineering Laboratory & Sustainable Engineering Research Laboratory, Department of Civil, Materials and Environmental Engineering, University of Illinois at Chicago; Dr. Jeffrey A. Adams, Principal, ENGEO Incorporated California, USA; Prof. Dr. Monto Mani, Sustainability and Design Lab. IISc Bangalore, India; Prof. Dr. Sudhakar Yedla, Professor of Environmental Engineering and Policy, IGIDR, Mumbai, India; Former Vice Chancellor, Dravidian University, Kuppam, India; Ms. Minimol Korulla Jacob, Head, Strategic Initiatives & Strategic Projects, India, South East Asia & Pacific Region, Maccaferri Environmental Solutions Pvt. Ltd., Delhi, India; Prof. Dr. O. Eswara Reddy, HoD and Chairman-BoS, Dept. of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati, India; Dr. Hemadri Prasad Raju, Associate Professor, Dept. of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati, India were the quest speakers of A Three Day National Level online Faculty Development Programme on 'Sustainable Engineering'.

The FDP program received an overwhelming response with **373 participants** from various engineering colleges across our country including IITs, NITs and also from top industries in our country. Participants include Professors, Research Scholars, Entrepreneurs, and Industry Personnel. Dr. O. Eswara Reddy, Professor, HoD and Chairman-BoS, Convener-SE, Dr. Hemadri Prasad Raju, Associate Professor, Coordinator-SE and other faculty members of Civil Engineering Department were the organizers of this program.

On the whole, the three days national level online FDP was organized successfully. All participant academicians, research scholars, industries and practicing engineers were appreciated the efforts put in organizing FDP and positively responded and submitted feedback to conduct such programmes for the benefit of society. The purpose of the FDP was fulfilled and all the delegates and participants were benefitted. Participation certificates were distributed to all the participants.

The photographs of the program are as follows.
