<u>Plantation Drive-One Student One Tree</u>	
Organising unit/agency/collaborating agency	NSS UNIT, Sree Vidyanikethan Engineering College,A. Rangampet.
No of Students Participated	300
No of Faculty Coordinators involved	10
Name of the Scheme	One Student One Tree initiative by AICTE and JNTUA, Anantapuramu.
Date	15.08.2019
Venue	Zilla parishad high school, Kotala, Chandragiri Mandal.

A Plantation Drive - 'One Student One Tree' initiative by AICTE and JNTUA, Anantapuramu has been successfully completed under the National Service Scheme at Kotala grama panchayat Govt. High School.

Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

Almost 15 varieties of plant saplings including fruit yielding plants has been planted inside and outside the school premises.

Sree Vidyanikethan Educational Institutions celebrated *International Women's Day* on 8th March 2020. Dr. V.R. Anitha, Convenor, Women Empowerment Cell, began the programme explaining the origin and aim of the International Women's Day, and theme of the International Women's Day-2020. She also gave a brief account on the events held in connection with the celebrations of International Women's Day.

The Hon'ble Chairman and Chief Guest, Dr. M. Mohan Babu while addressing the gathering asserted that behind every successful man, is a woman. We should love, encourage, respect, support and inspire every woman. He also expressed his disappointment about the issues of woman in the society. He expressed his reverence for women. The chairman advised everyone to educate girls and women of all ages to defend themselves. He concluded his speech blessing women; "May every woman live with peace, health and wealth."

The Guest of Honour Mrs. Sasi Bindu, Managing Director, Ravands, IWN Member Cell, Tirupati said that she was using the platform of the occasion to focus on positive shades of the society. She asserted that the gathering of women for the celebration itself shows that they are on their half-way of their empowerment. She highlighted that women had already won the equality and they have to understand how to sustain it in the society. She enlightened the women that rights have to be used as tools not as weapons against the opposite gender or the society. Being an empowered woman, she should have four responsibilities; *as an Individual, as a part of family, as a professional and as a citizen*. "A woman is naturally empowered if she balances all the four" she added. She also suggested that employers should recruit women and designate key positions equally with men as a gesture of gender equality.

Dr. P. C. Krishnamachary, Principal, SVEC, while emphasizing the theme of the Women's Day asserted that equality would bring people of every gender, age, race, religion and country together to drive actions that would create the gender-equal world. He wished that women should be well versed with the technology and innovation on par with men. He concluded his speech saying that women should speak with one voice, and work with solidarity and strength.

Prof. B. Mohan, Director, SVIM, stated that respect for women should start at home. He also highlighted that there has been a tremendous increase of women in Higher Education.

Later, Dr. B. Anuradha, Principal, SVCN, stated that women should be aware of various schemes and opportunities prevalent for them in the society in order to be empowered.

“Working women are more stressed than men as they have to balance work and family life. Men should support and empower them socially, physically and emotionally” she added.

Finally, Dr. Anna Balaji, Principal, SVCP highlighted the strength of women illustrating the power of Goddess Lakshmi, as Minister of Finance, Goddess Saraswathi as Minister of Education and Goddess Parvathi, as Minister of Defence. While sharing his personal and professional experiences, he said that he was motivated and encouraged by many women throughout his life.

Mr. Ravi Shekar, Director (F&A), Deans, Heads of the Institutions, Heads of the Departments and Members of faculty graced the occasion. The events Dumb Charades for men and women faculty, Instant Cooking for faculty and students, Guess Handbag Items for men faculty and staff, Best from Waste for women faculty, staff and students and Comic Show for students were conducted. In Best from Waste, the participants showcased their talent, creativity and innovation and made the event colourful. The winners of the events were given prizes.

Events

In connection with the celebrations of International women’s Day, Women Empowerment Cell of Sree Vidyanikethan Engineering College conducted events for members of faculty and students.

To begin with, Dumb Charades, Guess Handbag Items and Instant Cooking were conducted for men faculty and staff, on 4th& 5th March 2020 respectively. Men faculty participated in the events enthusiastically and interestingly on par with women faculty. Eventually, Dumb Charades, on 29th February 2020, Instant Cooking on 5th March 2020 and Best from Waste on 6th March 2020 were conducted for Women faculty and Staff. Students were also encouraged to participate in Instant Cooking, and Comic Show. In Best from Waste, the participants showcased their talent, creativity and innovation and made the event colourful. The winners of the events were given prizes.

Empowering girl students to fight back against crime has been the call of the day. In this modern era, violence against girl students has been very common in every street of both rural and urban setting. Small kids, girls and even women members are feeling insecure the moment they are out of their homes for any purpose for that matters. It is very important for every girl and woman to get prepared mentally and physically well equipped with required skills and techniques to defend oneself from any kind of antisocial element prevailing in the society today.

Dr.V.R.Anitha, Women Empowerment Cell Coordinator addressing gathering during the inauguration of the event.

The paradox of self-defense is that the more prepared you are, the less likely you are to need it. The main objectives of the programme was

- To enable them to defend against any type of physical assault.
- To build self-confidence so that they can contribute meaningfully to their own development shape their own destiny and capacity enhancement through Self-defense training.
- To equip the girls with self-skills, so that they can avert any kind of awkward situation at the first instances.
- To spread a message to the violence-maker that girls are being ready for counter and awareness is being developed among the girls in this regard.
- To empower the girl students in all aspects

Trainers giving demonstration to the girl students

With this emerging needs and objectives in mind, NSS UNIT, Women Empowerment cell and IEEE WIE affinity cell in association with Beats Fitness Studio organized one day of Self Defence training for all II B.Tech girl students at the campus on 28th December 2019. All the sessions were fully occupied with practical demonstration and practices facilitated by 6 well known and experienced martial art instructors. These types of initiative for girl students have really helped the girls to relieve stress, get and stay in shape, and learnt all valuable self-defence skills and techniques at the same time.

During the valedictory session, some of the girls frankly opined that these tools have greatly increased the personal protection options to combat crime. It has built the confidence of every student participated in the training that they can freely move to their destination day in and day out. They feel that they are also less likely to become a target of crime.

Here are five benefits associated with taking women's self-defence classes:

Self-defence helps you to stay safe. Ideally, you hope that you can avoid the kind of trouble that would require you to defend yourself. But we never know when we might be attacked. Understanding self-defense enables you to defend yourself and your family when it matters, and to reduce the risk of serious harm. However, self- defense isn't about teaching you how to engage in a fight with your attacker. Instead, it teaches you how to disable your attacker quickly and then take advantage of the situation to get away safely.

Self-defence improves your self-confidence. Once you've mastered the key skills and techniques required for effective self-defense, you'll have a higher sense of self-worth from this achievement that will improve your confidence and self-esteem. Self-defense teaches you to have a greater awareness of your surroundings, so you feel empowered to defend yourself in any situation.

No of Students Participated	250
No of Faculty Coordinators involved	3
Name of the Scheme	UBA 2.0
Date	05.08.19 to 10.08.19
Venue	Kotala, Chandragiri Mandal

Description with working pictures/evidences

CRD organized Solid Waste Management programme from 05.08.19 to 10.08.19 in all the adopted villages. Volunteers from NSS and students from institute of management actively participated in the campaign. The villagers have been educated on the disposal of waste and provided information on waste management techniques.

Observation:

It was observed that all the adopted villages have solid waste management pits, but a proper waste collection and management is not done in all these villages. Villagers dump the waste to nearby pits. The workers assigned for waste collection discontinued, as they were not paid wages.

Report on Help the Homeless (Visit to Mathrusya)

"The life of a man consists not in seeing visions and in dreaming dreams, but in active charity and in willing service", A quote by Henry Wadsworth Longfellow.

Whatever we do, learn from the college, it is ultimately for the betterment of the society. Giving back to the society is something that every student must learn. In this process, "**Young caliber**", an ACME club, a students' social service initiative of ECE of Sree Vidyanikethan Engineering College was started in December 2012. The objective of this club was to inculcate the attitude of serving the society.

This year, as a part of Young Caliber, students of II, III and IV B.Tech. had visited to "**Mathrusya**", an orphanage, with the main intention of providing moral support to them. "**MATHRUSYA**" – School for Abandoned children and mentally challenged people is located near Avilala, Tirupati. It was an orphanage home started with the motto of adopting the street orphan children and joining them into a school. The founder of the orphanage is Mrs Sreedevi and all the children call her as Amma. She has almost kept her money into the orphanage and now it is being run by her son Surya. Almost 130 People are there out of which 100 are children aging from 2-15 Years and 30 Old People.

A total of 100 Students of II, III, IV years of Department of ECE. They have spent the quality time with the students there and they played with them. They also donated money for a special lunch for the children. They have also distributed chocolates and Cake among the children. They have also given 200 Kg of Rice to the orphanage for their regular utilization. The students were quite happy to have spent their quality time with the students.

The NSS Unit of Sree Vidyanikethan Engineering College in collaboration with department of Electronics and Instrumentation Engineering has organized an awareness camp on "Health care Instruments" at Kotala Village, A. Rangampet

The outreach program was conducted on 19.10.2019 from 10.30 AM to 03.00 PM at Kotala Village. AIM(Association of Instrumentation Majors) President k.Sangeetha along with forty student members, Dr. Y.Dileep Kumar, Associate Professor, NSS coordinator Ms.N.P.Dharani, Assistant Professor and Mr. K.Rohith, Assistant Professor were present for the program.

Our team is measuring the blood pressure to a village person.

The importance of Health care was explained to the Villagers in Kotala and most of the villagers came forward for primary health check-up and our student fellow members did health check-up using our health care instruments. The aim of organizing the primary Health check up to know the importance of Health issues and utilization of instruments in medical field.

The main Objectives of the program are

- To develop health consciousness in the village.
- To improve patient safety and quality of care.
- To provide a healthful environment for physical and mental growth.
- To instruct the children and youth so as to conserve and improve their own health.
- To influence the parents and other adults through the health care instruments programme for better Diagnosis.

Our student from team is check the person heart beat during the event.

Outreach Activity – An Awareness Program on “Role of Civil Engineering in Societal Development” at Govt. Junior college (Girls), Chandragiri

Organising unit/agency/collaborating agency : ASCE SVEC Student Chapter in collaboration with NSS UNIT, Sree Vidyanikethan Engineering College

No of Students/volunteers Participated : 84

No of Faculty Coordinators involved : 05

The Department of Civil Engineering has organized an **Outreach Activity i.e., An Awareness Program on “Role of Civil Engineering in Societal Development”** at **Govt. Junior College (Girls), Chandragiri, Chittoor District, Andhra Pradesh, India** on **31st December 2019 i.e. 11.30 A.M to 12.30 P.M.** The objective of the program is to motivate, create awareness and impart knowledge among the Intermediate (M.P.C.) second year students.

Dr. O. Eswara Reddy, Professor, HoD and BOS Chairman, Department of Civil Engineering, SVEC and Convener of the Program and other faculty members of civil department graced the occasion.

Faculty and Students explained about the importance of Role of Civil Engineering in Societal Development to the Intermediate (M.P.C.) second year students through Power Point Presentations and Videos. At the end of the program, Intermediate students gained the knowledge on Role of Civil Engineering in Societal Development and its benefits to the society.

On the whole, the event proved successful. Community service is to work for free to help/benefit the public/community. Community service can have a lot of positive effects on students, such as helping them to develop skills, making contacts, and allowing them to improve the quality of life of others. The students can develop an attitude of giving something to society. Also, it creates realization in the budding engineers to innovate and work for society.

The photographs of the event are as follows.

Outreach Activity – A Program on “Save the Mother Earth by avoiding Soil Pollution” at Kuchivaripalli Village, Chandagiri Mandal

Organising unit/agency/collaborating agency : IGS SVEC Student Chapter in collaboration with NSS UNIT, Sree Vidyanikethan Engineering College

No of Students/volunteers Participated : 80

No of Faculty Coordinators involved : 05

The Department of Civil Engineering, SreeVidyanikethan Engineering College, A. Rangampet have conducted an awareness program on soil pollution and its remedies in the name of “Save the Mother Earth by Avoiding Soil Pollution”, at Kuchivaripalli Village, Chandagiri Mandal on 4th October 2019, from 2.30 pm to 5pm.

Chief Guest, Dr. O. Eswara Reddy, Professor, Head and BOS Chairman, Department of Civil Engineering explained about the soil pollution problems, causes and its remedial measures. Further, he emphasized how concrete pavements, chemical fertilizers and cutting of trees in the village will cause the depletion of groundwater and soil health. The polluted soils will yield agriculture production which is highly health hazardous. He discussed about various ways and means to avoid soil pollution to save the mother earth.

Faculty and students from the college interacted with the villagers and explained them to ban chemical fertilizers, single use plastic items, improper drainage disposal, industrial waste and explained about various methods of organic farming through posters and pamphlets.

A total of 80 students, 5 No. of Faculty and 4 No. of Lab Technicians along with 20 No. of Villagers have participated in the program. The event was attended by village elders Mr. R. JayaramVadiyar, Mr. P. Aadikesava Naidu, Ms.S. Kamallamma, Ms. P. Reddemma, Mr. M. VenkataSubba Naidu and other villagers.

On the whole, the event has proved successful. Activities like this help students to develop skills, establish contacts, and allowing them to improve the quality of life of others. The students will develop an attitude of giving something to society. Also, it creates realization in the budding engineers to innovate and work for society.
