### **SKILL AND PERSONALITY DEVELOPMENT PROGRAMME CENTRE FOR SC/ST STUDENTS (SPDP)**

#### **A Report on Expert Talk 'PERSONALITY DEVELOPMENT'**

Under All India Council for Technical Education (AICTE), New Delhi

**20<sup>th</sup> September, 2017**

Skill and Personality Development Center for SC/ST students granted by All India Council for Technical Education (AICTE), New Delhi was established at Sree Vidyanikethan Engineering with an objective to provide opportunity to SC/ST students to reorient themselves in the light of emerging employment opportunities. The centre empowers the Scheduled Caste (SC) and Scheduled Tribe (ST) candidates with additional requisite skills along with academics. It strives to enhance the skills of SC and ST students with the help of modules on communication, personality development and proficiency in English language. The trainings boost the confidence of SC and ST students, paving way for their career opportunities. This results in increase in their employability

Under this centre, an expert talk was organized for the SC/ST students of all the branches of Sree Vidyanikethan Engineering College on 20<sup>th</sup> September, 2017 on "PERSONALITY DEVELOPMENT".

Sri. Murali Naidu Garu, Vice President of VDM-India on the Move motivated the students on 'Positive Thinking'. In his lecture, he mentioned that positive thinking is a mental attitude which expects good and favorable results. In other words, positive thinking is the process of creating thoughts that create and transform energy into reality. A positive mind waits for happiness, health and a happy ending in any situation. A person who faces life with a positive attitude will

always be more successful in life both professionally and personally, than a person who cannot take control of his thoughts. He also gave suggestions to improve positive thinking capability. He interacted with the students on career building aspects.

Sri. Acharya Ajit Kumar delivering lecture

Sri. Murali Naidu delivering lecture

Sri. Acharya Ajit Kumar Garu, Founder Chairman of VDM-India on the Move familiarized participants with the emerging ideas and trends on how to develop personality in the 21st century contexts. He taught participants to work with various professionals, people and groups to understand the meaning of life and work in the present context and suggested that the students enhance their communication and interpersonal skills in order to function in professional and social settings effectively. It is important to have effective planning, time management and goal setting to achieve personal and professional growth.

Mr. Bhagath Kumar, Youth Coordinator, VDM IOM provided technical support for the programme.

The students got enriched by the interaction with the resource persons. Their knowledge and experience were helpful in improving the interpersonal skills of the students.

### Higher Educational Opportunities in Germany

Ms. Niketa Dedhia, Principal Consultant, Exponent Consultancy Services (e<sup>x</sup>cs), USA, addressed the third year B. Tech students on educational opportunities in Germany. She addressed the aspiring students on 25<sup>th</sup> January, 2018 in Dasari Auditorium between 11.00 a.m and 1.00 pm.

Ms. Niketa Dedhia began her session by highlighting that the educational ties between **India** and **Germany** are getting stronger day by day. The gamut of courses being offered, the facilities provided and wide range of career opportunities are attracting number of students from India to Germany.

The students were enamoured by a few of the facts disclosed by the resource person. It was a surprise for them to learn that 95% of institutes in Germany offer free education. Technical universities also offer arts and humanities degree courses. To avoid extravagant use of financial resources only limited allowance is provided regularly to a student. A student can stay in Germany for 18 months even after the course and can do part-time jobs all-through. Learning German is necessary for students aspiring to go to Germany.

The resource person brought to light that Germany is a cradle for numerous discoveries and has been the learning centre of many a scholars. The German universities boast of royalty incomes and offer internationally recognized degree. The universities also have Nobel laureates as their faculty members

As a Principal Consultant of e<sup>x</sup>cs she expressed that her company would take care of all the formalities required for the smooth transition of a student from India to Germany. She explained to the students how her company can help them to pursue their higher education in Germany. Exponent Consultancy Services personnel help aspiring students from initial step like reviewing the CV to applying to appropriate university to Pre-departure and travel counseling.

About 476 III B.Tech students who attended the session were highly benefited by the session and had clearer vision of opportunities for Higher education in Germany.

The job hunting process in India has improved manifold following continual efforts to create multiple opportunities for budding professionals. Owing to this, many organisations are compelled to cast a wider net in the job hunting realm via campus placement/hiring.

Conducting job interviews within various education institutions gives its students an opportunity to embark on their professional journey with esteemed organisations. Students, who are either pursuing a college programme or graduating, are eligible for such interviews.

Expert focused on some key traits that employers are looking for in potential job seekers:

1. Quick learners - Ability to gain new skills faster:
2. Interpersonal and communication skills:
3. Ability to take ownership - Initiative and accountability for one's work
4. Never say never' attitude - Eagerness to take responsibility over and above one's job profile:
5. Problem solving skills - Finding creative solutions for complex issues:
6. Sincerity, hard work and perseverance - Key attributes of a potential employee:
7. Team player:
8. Personal credibility and integrity:
9. Likeability factor - Building rapport within the company:
10. Ability to multitask:
